Study this Picture!

Think of the vast number of men who are now engaged in war.

Think of a corresponding number of men---say every able bodied man in the U. S. A.---think of them having to be clothed in fresh outfits every few weeks to endure the kind of weather we have been having of late in Nebraska.

Think of the demand for warm clothing---for woolen clothing. It's so great that it has caused an alarming shortage of woolen fabric---and greatly increased prices on the available supply.

Future prices most certainly will be much higher than now---and right now you have the opportunity to get "good clothes" at prices that should strip our clothing cabinets to the last garment.

Think it over carefully and you can't help but know that our mid-winter clean-up sale is a mighty important event.

And Study This List

They're included in our sale regardless of what the future prices will be
 Hart Schaffner & Marx Clothes, Superior Union Suits, Munsing Union Suits, Yorke Shirts, Everwear Hosiery, Universal Night Garments, Progress Sweaters, Gordon Fur Caps.

ARMSTRONG'S
 GOOD CLOTHES MERCHANTS

THE UKULELE

THE languorous charm of the Hawaiian native instruments---so moving in appeal, so observably in vogue---is strikingly characteristic of the Ukulele. Its tone possesses that curiously beautiful timbre, that exotic charm of tonal quality which has made these instruments so sensationally popular.

The Ukulele has a pleasing grace of form. The finer models are made of genuine Hawaiian Koa wood. It is much in request today among the smarter college and other musical organizations.

It is easy to learn. Its price includes an Instruction Book.

Hawaiian Steel Guitar

Every chord struck upon this typically representative Hawaiian instrument is marked by a weird, plaintive harmony and strangely beautiful qualities of tone. It brings, to any music, qualities full of vivid color and varied charm.

Price \$8.00 and upwards, including Steel and Set of Three Thumbies for playing, and Instruction Book.

Catalogs on application.
