COURAGE IS BIG ASSET

**IDEA OF GOLF EXPERT AS TUTOR
 RIDICULED BY MARANVILLE.**

**Boston Braves' Shortstop Insists It Is
 Not the Swing That Makes Batter
 —Stunt Being Wished on
 Fred Mitchell.**

Not long ago President Weeghman
 of the Chicago National league club
 made the announcement that he would
 take Chick Evans to the coast with the
 Cubs to teach the players a perfect
 swing at the ball. The innovation was
 received with anything but warmth by
 baseball men, who say the two sports
 differ so greatly that there is no com-
 parison. The idea was ridiculed. Wal-
 ter Maranville of the Braves insists
 that it is not the swing that makes
 a batter, but courage that a man re-
 quires at the plate.
 "Say, that story about Chick Evans
 going to California with the Cubs is a
 funny one," declared Maranville.
 "I wonder if Fred Mitchell believes
 the Cubs will be able to bat any better
 because of the things Evans shows
 them in California about hitting a golf
 ball. Doesn't seem to me as if Mitchell
 is responsible for that stunt. I guess
 it's being wished on him.
 "In baseball the batter needs cour-
 age. He does not know when the

"Rabbit" Maranville.

pitcher is going to slip a notch in his
 control and breeze one by the batter's
 head. It takes courage to stand up at
 the plate and take that 'old healthy.'
 "Courage is the big asset in batting
 and with all the respect in the world
 to golf, where is there any great cour-
 age needed in driving the golf ball? It
 may be just as difficult to hit the golf
 ball and drive it properly as it is to
 stand up at the plate and smash the
 baseball. But they are two different
 things, and there isn't a ballplayer in
 the world who will take seriously the
 attempt of a golfer, pure and simple,
 to teach the ballplayer how to bat."

CAREER OF BILLY SULLIVAN

**Famous Old White Sox Backstop Had
 Been in Harness Score of Years
 When Released.**

Billy Sullivan, the famous old back-
 stop of the White Sox, was born in
 Oakland, Wis., forty-one years ago,
 and had been in the harness just a
 score of years when he was released
 by Comiskey early in 1915. Billy be-
 gan his career in the old Western as-
 sociation, playing with Cedar Rapids,
 Dubuque, Columbus and Grand Rapids.
 While with Dubuque he caught 124

consecutive games. Sullivan broke
 into fast company with the Boston Na-
 tionals in 1899, but leaped to the Chi-
 cago Americans in 1901, and remained
 with the White Sox to the end of his
 active diamond career.

THE UKULELE
 THE languorous charm of the
 Hawaiian native instruments—so
 moving in appeal, so observably
 in vogue—is strikingly characteris-
 tic of the Ukulele. Its tone possesses that
 curiously beautiful timbre, that exotic
 charm of tonal quality which has
 made these instruments so sensation-
 ally popular.
 The Ukulele has a pleasing grace of
 form. The finer models are made
 of genuine Hawaiian Koa wood. It
 is much in request today among the
 smarter college and other musical
 organizations.
 It is easy to learn. Its price includes an
 Instruction Book.
Hawaiian Steel Guitar
 Every chord struck upon this typically rep-
 resentative Hawaiian instrument is marked
 by a weird, plaintive harmony and strangely
 beautiful qualities of tone. It brings, to any
 music, qualities full of vivid color and var-
 ied charm.
 Price \$8.00 and upwards, including Steel and Set of Three
 Thumbies for playing, and Instruction Book.
 Catalogue on application.
