

VENUS 10¢ PENCIL

No matter what course you're taking you need this famous pencil!

BECAUSE of the superlative quality of material and workmanship, VENUS is admittedly the finest pencil it is possible to make.

If you like a thick soft lead that marks so that you can read the writing half way across the room, choose the soft greens 6B-5B-4B.

For short-hand notes or easy writing 3B-2B-B (medium soft) are popular.

For sketching, general writing purposes, etc., HB-F-H-2H (medium) will prove desirable.

For drafting, a medium hard pencil gives the best results and you'll like 3H-4H-5H-6H.

For very thin, narrow lines for extremely accurate graphical charts, maps, details, etc., 7H-8H-9H are available.

Look for the distinctive water mark finish on each of the 17 black degrees and hard and medium copying.

Your professors will confirm these statements as to the merits of VENUS pencils.

Verily the Life of a Freshman is a Hard One

The Keg Rush held at the University of Vermont is the latest in the way as "Rushes." A keg of sweet cider is placed in the middle of the field and at a given signal twenty-five men from each of the two lower classes do the rushing. The rush is followed by another rush, according to the classmates of those who win.—Ex.

THE UKULELE

THE languorous charm of the Hawaiian native instruments—so moving in appeal, so observably in vogue—is strikingly characteristic of the Ukulele. Its tone possesses that curiously beautiful timbre, that exotic charm of tonal quality which has made these instruments so sensation-ally popular.

The Ukulele has a pleasing grace of form. The finer models are made of genuine Hawaiian Koa wood. It is much in request today among the smarter college and other musical organizations.

It is easy to learn. Its price includes an Instruction Book.

Hawaiian Steel Guitar

Every chord struck upon this typically representative Hawaiian instrument is marked by a weird, plaintive harmony and strangely beautiful qualities of tone. It brings, to any music, qualities full of vivid color and varied charm.

Price \$2.00 and upwards, including Steel and Set of Three Thumbes for playing, and Instruction Book.

Catalogs on application.

Bradley KNIT WEAR

"Cum Laude" Sweaters

Funny how ubiquitous a sweater is. From matriculation to graduation its uses are multitudinous, its paths devious. And how nomadic, too. The athlete's luxurious shaker, proudly alphabetized, migrates from "stude" to co-ed, from frat house to girl's dorm. If it's a Bradley, it abides there.

Ask for them at the best shops. Write for the Bradley Style Booklet.
