**OLUS SHIRTS**  
COAT CUT

**TURN YOUR SHIRT-TAILS INTO DRAWERS**  
What good is a Shirt-tail anyway?  
**IN OLUS the outside shirt and underdrawers are one garment.**  
This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "stay put," to say nothing of the comfort and economy in saving a garment. OLUS is coat cut, opens all the way down—closed crotch, closed back. See illustration.  
For golf, tennis and field wear, we recommend the special attached collar OLUS with regular or short sleeves. Extra sizes for very tall or stout men. All shirt fabrics, in smart designs, including silks—\$1.50 to \$10.00.  
**OLUS one-piece PAJAMAS** for lounging, resting and comfortable sleep. Made on the same principle as OLUS shirts—coat cut, closed back, closed crotch. No strings to tighten or come loose. \$1.50 to \$8.50.  
Ask your dealer for OLUS. Booklet on request.  
**PHILLIPS-JONES COMPANY, Makers Dept. N 1199 Broadway, N. Y.**

**THE UKULELE**

THE languorous charm of the Hawaiian native instruments—so moving in appeal, so observably in vogue—is strikingly characteristic of the Ukulele. Its tone possesses that curiously beautiful timbre, that exotic charm of tonal quality which has made these instruments so sensationally popular.  
The Ukulele has a pleasing grace of form. The finer models are made of genuine Hawaiian Koa wood. It is much in request today among the smarter college and other musical organizations.  
It is easy to learn. Its price includes an Instruction Book.  
**Hawaiian Steel Guitar**  
Every chord struck upon this typically representative Hawaiian instrument is marked by a weird, plaintive harmony and strangely beautiful qualities of tone. It brings, to any music, qualities full of vivid color and varied charm.  
Price \$8.00 and upwards, including Steel and Set of Three Tunblers for playing, and Instruction Book.  
Catalogs on application.
