New Shipments

During the past few days we've re-
ceived a splendid assortment of new
Hart, Schaffner & Marx suits; plain
blue and plain green flannels, smart
checks, unusual stripes, new greys---
and other colors in different models.
There's a new green too, you'll like,
called "irredescent"---made up in the
belt all-'ronnd style.

Most men appreciate "Good Quality" in a
suit most when the second season rolls 'round
and last year's suit is found to be almost as
good as the day it was bought.

That's a lot to expect of a suit, but that only
happens when there is strictly all-wool fabric
and fast color.

Hart, Schaffner & Marx never use anything
else---besides the beat of other materials and
finest workmanship.

They're good clothes to buy; look for the Hart,
Schaffner & Marx label in your next suit.

THE UKULELE

THE languorous charm of the
Hawaiian native instruments---so
moving in appeal, so observably
in vogue---is strikingly characteristic
of the Ukulele. Its tone possesses that
curiously beautiful timbre, that exotic
charm of tonal quality which has
made these instruments so sensation-
ally popular.

The Ukulele has a pleasing grace of
form. The finer models are made
of genuine Hawaiian Koa wood. It
is much in request today among the
smarter college and other musical
organizations.

It is easy to learn. Its price includes an
Instruction Book.

Hawaiian Steel Guitar

Every chord struck upon this typically rep-
resentative Hawaiian instrument is marked
by a weird, plaintive harmony and strangely
beautiful qualities of tone. It brings, to any
music, qualities full of vivid color and va-
ried charm.

Price \$8.00 and upwards, including Steel and Set of Three
Thumbies for playing, and Instruction Book.

Catalogs on application.

Lyon & Healy "Washburn"

Nunes genuine Hawaiian make,
