

Just now, however, each co-ed should see to it that she is doing everything in her power to make successful the plans already made. Every co-ed should be enrolled in some form of service. Several fields have been thrown open. A Red Cross unit has been organized; plots of ground have been given to groups of co-eds for cultivation; independent organizations are preparing materials and supplies for the soldiers in camp and on the battlefield; in these and other ways the girls and

women can help bring the war to a successful conclusion.—The Pitt Weekly.

Ambulances

Students of the New York university and Bellevue Medical college have organized a committee to start a fund for purchasing ten ambulances to be sent with American troops for foreign service. The amount required will be \$15,000.—Ex.

Wanted

Cooks and Ford mechanics are wanted to enlist in the Illinois unit of the American Ambulance service. For those are the only positions left as the men have more than filled the units.—Ex.

War to Last

Sergeant Empey, American and veteran of the English army in speaking to the students at the University of

Iowa said: "The average soldier in the trenches expect the war to last at least 18 months more. The action of Russia will have a great effect on the duration of the war. The men in the trenches, however, have no doubt as to the outcome. The soldiers are very anxious for Teddy to come over. The average European views Theodore Roosevelt as the biggest man in America. His presence in the trenches would have a great moral effect on the soldiers.—Ex.

Vanderbilt

The great question in the drill practice at Vanderbilt is how the present cutting of drill now that the system has grown old, the tendency has been to cut at all times, and of course this demoralizes the companies. We would advise the Vanderbilt authorities to study the Texas system a little while and see if they could not get better results.—Ex.

Student Council Constitution Of The University Of Nebraska

Article I. The name of this organization shall be the Student Council of the University of Nebraska

Article II. The purpose of this organization shall be the relating of all extra-curricula activities to one another and to the University as a whole; the creation of such other expressions of student life as shall supplement those already established; the direction of such other matters of student interest as shall be initiated by or referred to the Student Council. The council shall also act as a student court to investigate and make recommendations in such cases of minor discipline as shall be referred to it by the executive dean and the dean of women.

Article III. The council shall be composed of the following representatives:

1. Eleven members apportioned as follows:
 - a. Six junior men, one each from the colleges of agriculture, arts and sciences, engineering, law, and pharmacy—and one from the school of commerce.
 - b. Four junior women, one each from the colleges of agriculture and arts and sciences, one from the school of fine arts, and one from the teachers college.
 - c. One man or woman from the graduate college.

These eleven representatives shall be nominated from the floor at a mass meeting of their own college or school held at a time set by the Student Council, and shall be voted upon by the members of their own college or school at the regular Student Council election, the time of which shall be set by the Student Council.
 2. Four seniors—two men and two women—nominated from the floor at a mass meeting of the senior class and elected by the student body at the regular Student Council election.
- At the first election for members of the Student Council this number shall be increased to eight seniors—four men and four women—the additional four members to take the place of those provided for in article 3 following.
3. Four seniors—two men and two women—nominated and elected by the Student Council from the junior members of that body, to serve during the following year.
 4. The sophomores who shall be non-voting members.
- The highest man and highest woman officer of the freshman class chosen at the second semester class election shall serve in this capacity.

Article IV. The regular Student Council election shall be held not earlier than April 1st and not later than May 15th of the year preceding that in which members are to serve. Within these limits the date for election shall be set by the Student Council. Voting shall be by preferential ballot. Mass meetings for nominations shall be held at least one week before the election.

Article V. Candidates to be eligible for election shall be members of the specific school or college and class as determined by the regular University rulings in such case, and shall have a scholastic average of at least 75 per cent for the preceding semester.

Article VI. A meeting of the newly elected Student Council shall be called by the outgoing chairman within one week after the election day.

At the establishment of the Student Council the first meeting shall be called by the senior receiving the highest number of votes.

At this meeting the necessary officers shall be elected and the organization of the council perfected. A chairman and vice-chairman—one of whom shall be a man and the other a woman—shall be chosen in order to provide a chairman for separate men's and women's section at such times as shall seem expedient.

Article VII. Mass meetings of students shall be called by the chairman of the Student Council at the discretion of the council, or upon the written request of fifty students of the University.

Article VIII. Amendments to this constitution or revisions of it may be presented to students in mass meeting assembled, and upon a majority vote of those present, shall be submitted for adoption to the student body at an election called for that purpose.

TURN YOUR SHIRT-TAILS INTO DRAWERS

What good is a shirt-tail anyway?

IN OLUS the outside shirt and underdrawers are one garment. This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "stay put," to say nothing of the comfort and economy of saving a garment. OLUS is cut—opens all the way down—closed crotch, closed back. See illustration.

For golf, tennis and field wear, we recommend the special attached collar OLUS with regular or short sleeves. Extra sizes for very tall or stout men. All shirt fabrics, in smart designs, including silks—\$1.50 to \$10.00.

OLUS one-piece PAJAMAS for lounging, resting and comfortable sleep. Made on the same principle as OLUS Shirts—coat cut, closed back, closed crotch. No strings to tighten or come loose. \$1.50 to \$8.50.

Ask your dealer for OLUS. Booklet on request.
