**VENUS 10¢ PENCIL**

No matter what course you're taking you need this famous pencil!

BECAUSE of the superlative quality of material and workmanship, VENUS is admittedly the finest pencil it is possible to make.

If you like a thick soft lead that marks so that you can read the writing half way across the room, choose the soft degrees 6B—5B—4B.

For short-hand notes or easy writing 3B—2B—B (medium soft) are popular.

For sketching, general writing purposes, etc., HB—F—H—2H (medium) will prove desirable.

For drafting, a medium hard pencil gives the best results and you'll like 3H—4H—5H—6H.

For very thin, narrow lines for extremely accurate graphical charts, maps, details, etc., 7H—8H—9H are available.

Look for the distinctive water mark finish on each of the 17 black degrees and hard and medium copying.

Your professors will confirm these statements as to the merits of VENUS pencils.

**REGENTS MAY USE ACTIVITIES LEVY**

ATTORNEY GENERAL DECIDES APPROPRIATION QUESTION

In the Absence of Specific Provision, Funds From Recent Levy are Available

The board of regents have the right in the absence of specific appropriation to take funds from the proceeds from the levy created by the last legislature to provide for the maintenance of state activities to pay the expense of administering the tax levy law Attorney General Reed has decided.

According to the opinion of the attorney general the cost of administration and reasonable overhead expense may be taken from the proceeds of the levy.

**The Decision**

Attorney General Reed's answer, directed to Regent P. L. Hall, is:

"The secretary of the board of regents has written me on behalf of said board, calling attention to the provisions of section 3, house roll 206, passed by the last legislature, which creates a special fund, by the levy of three-fourths of a mill tax upon the grand assessment roll of the state for the year 1917 and 1918, for the carrying on of the entire group of special state activities, which are left under the direction of the board of regents, as has been the custom heretofore. Inquiry is made as to whether or not head expense of these special state activities may lawfully be charged up to the specific appropriations for said act.

"It is my opinion they may. The expense of administration and reasonable overhead charges are, in the very nature of things, a part of the expense of carrying on any of said specific state activities, and in the absence of any other appropriation to pay same, they may very properly and lawfully be paid out of the aforesaid appropriations made for the purpose of carrying on said activities."

**ALUMNI NEWS**

C. E. Ellis, '16, has recently been elected assistant cashier of the First National bank at Marcus, Ia.

Members of the class of '17, who have not left their summer addresses with the alumni secretary, are asked to do so as soon as possible.

All class committees in charge of the alumni day "stunts" will meet with the chairman Verne Hedge, '03, of Lincoln, at 5 o'clock Thursday afternoon at alumni headquarters.

John R. Bender, '05, athletic director at the University of Tennessee, Nashville, has written the alumni secretary that the Tennessee legislature has recently appropriated one million dollars to the university, the biggest appropriation in the history of the state.

Ralph Moseley, '10, law '12, of Lincoln, who was editor-in-chief of the 1910 Cornhusker, has presented the alumni office with a volume of the publication. Moseley is an attorney in Lincoln and a member of this year's legislature. The alumni Cornhusker collection is complete now with the exception of the 1907, 1908, 1909, and 1915 editions.

J. E. Baker, '01, Methodist district superintendent of the southern Idaho district with headquarters at Gooding, Idaho, has written the alumni secretary of his work. He writes: "The picture of the college of agriculture was a revelation to me. What must be the changes in the University. I should like to see the school. It will soon be eight years since I have visited Lincoln. I am enjoying my work in Idaho. I have charge of all our churches in the eastern half of the state. I travel about one-third the distance around the world in the course of the year."
