"THE NIGHT BOAT" AND LILLIAN FITZGERALD AT THE ORPHEUM

"The Night Boat" is just about the cleverest and best acted skit that we have seen in months. It's good all the way through, with a screamingly ludicrous finale. Lillian Fitzgerald lives up to her billing as

"vaudeville's most versatile performer." Her songs are wonders in every way, well sung and acted in the typical Fitzgerald manner.—A. S. W. in Salt Lake Herald-Republican.—Adv.
