THE HIGH SCHOOL TOURNAMENT

One hundred twenty-two high schools will be represented in the high school basketball tournament this week. That means that over a thousand of the best high school athletes of Nebraska will be on the campus to take part in an athletic tournament, easily the largest in the world. There will be other boys and girls here to watch the games. And they all will incidentally decide just the kind of a school we are. Many will determine if they want to come here next year or go to some other school. A number probably will have seen other college campuses and will critically compare Nebraska with those they have seen. Our campus, especially at this time of year, is decidedly not attractive. Many of our buildings are old. Our gymnasium is small and poorly equipped. These visitors will notice such things.

We students should remember that these strangers are our guests this week. We should try to make them feel that we sincerely welcome them. We should make them want Nebraska to be their Alma Mater, too.

TRAINING FOR NURSES AT NEBRASKA

More nurses are needed. Many have already been sent abroad and a yet larger number must be sent. The training camps have called for nurses and more nurses. University women are thinking seriously about this need, and many who will not graduate this year are considering taking such training instead of continuing their college work next year.

England realized soon after the war began that trained nurses could use auxiliary aids, women who, after six months of training, could work under the direction of Red Cross graduates. The United States will undoubtedly have to make a similar provision for assistant nurses.

If the war continues, more courses in Red Cross training will doubtless be offered next year by the University. Courses will be offered in proportion to the demand for them. Students who want to take such courses should ask for them now. The demand for nurses will be greater next fall than it is now. It is not at all improbable that the Red Cross would make special arrangements for college women to take a nine months' course that will enable them to help the graduate nurses in the hospitals and camps at home.

REV. E. C. WORTHLEY SPEAKS BEFORE DELIANS

"You will secure as much benefit from a literary society as you put hard work into it," declared Rev. E. C. Worthley, M. E. student pastor, to the Delians last Friday evening. After telling what his association with a literary society had meant to him he gave his oration on David Livingstone, which won third place at the Western Inter-College Contest and read a poem of Riley's.

The program began with a piano solo by Ellen Shank. The "Delian Echo," a paper containing all the news of the Delians, was read to the society. A debate, "Resolved, That the church should be open six nights every week for the benefit of its young people," was won by the negative. About thirty-two persons were present.

with Governor Neville. There will be no games on Friday evening. Instead the Commercial club and the City Y. M. C. A. will stage a big show at the city auditorium, which will be full of

life and pep and intended to give the boys from out in the state an idea of University life at its best.

To Use Four Floors

The games this year will be played on four floors in order that a continuous series of games may be in progress all of the time. Classes A and B will use the Armory; classes C and D, the Auditorium; classes E and F, the Y. M. C. A.; and classes G and H, the Chapel. After the first round of the affair tomorrow, the Chapel will be eliminated so that every team will have a good floor to play the advanced games of the series. All games will be played in fifteen-minute halves. The drawings for the first round in all classes is as follows:

In connection with the Commercial club a series of hikes have been prepared. Exhibitions of swimming and life saving will be given at the Y. M. C. A. Saturday morning after the optional trips which have been arranged.

HUSKERS SHOW UP KANSAS AT MEET

(Continued from page one)

Breaks Nebraska Record
In the sixteen-pound shot the Nebraskan took second place with a put of 41 feet, 6 inches, which is one foot five inches better than the present Nebraska record.
Stevens went into the 440-yard dash, and finished second by about four yards in a field of twelve. Stevens ran a much better race than one of his small experience could have been expected to do and deserves much credit.

Finnay, with very little training, went into the fifty-yard hurdles and finished about one foot behind Scholtz of Missouri, who won the event. Finnay was slow in starting, but gained back the lost distance when it came to clearing the hurdles.

Harold McMahon ran against two nationally famed runners in the 50-yard dash and was less than two feet from the winner.

The showing of the Nebraskans was better than it has ever been, and means that the Cornhuskers will have a track team this spring that will be hard to surpass in the Missouri valley.

HUSKER TOSSERS WHIP BULLDOGS

(Continued from page one.)

Field goals: Shellenberg, 6; Jackson, 6; Hubka, 1; Spear, 2; Payseur, 2; Ebelheizer, 1; Cheverton, 1.
Free throws: Jackson, 2; Ebelheizer, 2.
Substitutes: Nebraska — Phillips, Eldredge, Davis, Gerhart, Reynolds, Drake—Howell.
Referee—Jones, Grinnell.
Time of halves—Twenty minutes.

The Second Game
The second game was not so one-sided as its predecessor. Drake started in with a rush and tore things up in general for a few minutes gaining a 5-1 lead. But this bark of the Bulldogs was not very long-lived for as soon as Doc's proteges got into smooth working order there was nothing to it, and the half ended with the Des Moinesers still holding on to their measley little 5 while the Huskers had their count up to a total of 14. In order not to beat the visitors too badly and not show them any hospitality at all, the Nebraska team started out the second half with a couple of subs. Before the end Cap Jackson was the only regular left in the line-up, and nearly every sub on the squad had had a shot at the game. Drake was only able to toss three field goals during the entire game and made half of her points through free throws given them because of Nebraska's too open and free style of playing. "Jack" seemed unable to find the basket from the field, but whenever he got a shot at it with a free throw, it usually meant another point on top of Nebraska's pile. For the Drake bunch, Paysour and Ebelheizer were the stellar lights. Paysour made two of their goals in the second game and two in the first, while our friend of the Irish name rang up a total of eight free throws and a goal.

The result of these games should give us a fair idea of what to expect at the hands of the Aggtes next week. K. S. A. C. had a hard time defeating the Bulldogs week before last so Nebraska stands a pretty good chance to bring in their scalps as an added decoration to our camp and a fitting close for the season.

A summary of the second game follows:

Nebraska—	Pos.	Drake
Jackson (c)	Ebelheizer
Shellenberg	Cheverton
Hubka	Payseur
Spear	Merboth
Thomas	Higgins

Field goals: Shellenberg, 3; Hubka, 1; Spear, 3; Stromer, 1; Payseur, 2; Higgins, 1.
Free throws: Ebelheizer, 6; Jackson, 6.

Substitutes: Nebraska — Gerhart, Jones, Phillips, Stromer, Davis, Reynolds. Drake—Hallquist and Howell. Referee—Jones, Grinnell. Time of halves—Twenty minutes.
