

COACH E. J. STEWART HAS MESSAGE FOR VISITORS

Extends Thanks for Competing Teams for Co-Operation

ASKS BETTER FACILITIES

Urges Out-State Representatives to Carry Home News of Need of Equipment—"Boys Come to Nebraska"

Coach Stewart, director of athletics at the University, has said—and asks visiting high school players, coaches, superintendents and friends, to carry home to their district representatives in the legislature this message: "Nebraska University must have a gymnasium, of a size and with facilities to care for the added demand being made for improved physical condition of her young men. Nebraska athletic teams should not be handicapped by being lost when playing on big gymnasium floors against other Missouri Valley conference teams. She should not be humiliated by the refusal of other Missouri Valley teams to compete on the Nebraska floor and above all else Nebraska University should be in a position to care for comfortably the thousands of desirable visitors who attend the annual basketball tournament."

Sportsmanship in Evidence

To the visiting high school players, coaches and superintendents Dr. Stewart wishes to offer his thanks and that of the University officials for their hearty co-operation in conforming to the new rules and regulations. He pays a high compliment to the sportsmanship of the players when he refers to the fact that not a single cause has arisen for the elimination of a player for roughness or other causes. The eligibility of the various teams is beyond suspicion made so by the hearty support of the state high school officials to the eligibility rules of the N. H. S. A. A. Coaches have shown a decided improvement in the coaching and in the spirit of fairness which they have instilled into their players and not a single protest has been filed against the decisions of the referees in any class.

"Boys come to Nebraska" is the closing request of the Nebraska coach. "Nebraska University is not surpassed in its educational advantages by any institution east or west and I have seen them all," he says. "We play, during the football season of 1918, the largest and heaviest schedule of any team in the United States and therefore your opportunity to participate in games which will add to the prestige of the University and the players is greater here than elsewhere. The University of Nebraska is your institution. You should take pride in it and continue from the high school to your institution. Nebraska in 1917 did not have a single varsity football man who was not a native Cornhusker. Her 1918 basketball team is composed entirely of native sons. The 1918 track team does not have on it a candidate from outside of the state and she does not need any other than Cornhuskers to hold her position of prominence in athletics if every native Cornhusker attends his own University."

Missouri

Missouri University will be on a war basis—a twelve months' school year. The curators decided today at their meeting here. Under their plan the year will be divided into trimesters of four months each. Students can attend all, two or only one trimester a year. The first opens in August, and closes November 1. The second opens November 1 and closes April 1. The third opens in April and closes in August.

THRILLS FEATURE SECOND ROUND OF TOURNNEY

(Continued from page one)

they were no match for their heavier and larger opponents. R. Dewitz of the Stanton team deserves a great deal of credit for the showing that the team made, while for the Lincoln team the honors were divided between Chesney, Jungmeyer and Lamb. Lamb plays one of the prettiest guarding games that has been seen on the floor this year. From the dope as it is at present, Lincoln will undoubtedly appear in the finals Saturday. Following is a summary of the game:

Lincoln 22, Stanton 9
Chesney L. Klopp
Jungmeyer H. Dewitz
Munn Harry
Lamb Chas
Girard R. Dewitz
Field goals—Chesney, 4; Jungmeyer, 2; Munn, 3; L. Klopp, 2; R. Dewitz, 2.
Free throws—Jungmeyer, 4; H. Dewitz, 1.
Referee—Schissler.

After reaming up on the strong University Place team last night by a 19-to-5 score, the five from South Omaha looms up as a possible contender for the honors in Class A. The Packers

have a husky bunch of players who are in the game from the start to the finish and exhibit a bunch of teamwork that should make the Lincolntes hustle if they want to compete in the final round. Etter one of the South-side guards, played the star role of the game by tossing six field goals. The Suburbanites were able to ring up but one field goal and a total of three free throws. Summary:

University Place 5, South Omaha 19
Harrell Dennis
Aden Emigh
Gates Rathseck
Harper Wilson
Hare Etter
Field goals—Trombla, 1; Etter, 6; Wilson, 1; Rathseck, 1.
Free throws—Wilson, 2; Dennis, 1; Hare, 2; Gates, 1.

Substitutes: For University Place—Trombla, Alabaster, Andrews; for South Omaha—Volz, Banner.
Referee—Schissler.

Fremont sprung a sensation during last night's play when she took the measure of the strong Gothenburg five. Gothenburg came down to the tournament with an enviable record and loaded for bear and a determination to win the meet or know why. The "why" happened to be the wonderful brand of teamwork exposed by the Fremonters. Gothenburg might have had a good chance of winning if they had been able to hit the basket. Time and again they tore down the floor only to shoot and miss. Roberts was the star of the Gothenburg team, making seven of the teams nine counts, and Fitzsimmons, Gardner and McKennon were the leaders of the Fremont aggregation. Summary:

Fremont 22, Gothenburg 9
McKennon Sealander
Gardner Roberts
Fitzsimmons Layton
Christensen Brestel
Trumbull Malm
Field goals—McKennon, 3; Gardner, 3; Fitzsimmons, 2; Sealander, 1; Roberts, 1.
Free throws—Fitzsimmons, 6; Roberts, 5.
Referee—Healy.

CLASS B

One of the hardest fought games of the Class B series this afternoon was that between Sutton and Nebraska City. Sutton played a wonderful game yesterday in the first round and looked good to go the finish but they failed to meet the onslaught of the Nebraska City quintette. It was a closely-contested game from the start although Nebraska City clearly had the best of it from the beginning. Nuss of Sutton and Morrow, the Nebraska City center, both played a star game for their respective teams.

Sutton 8, Nebraska City
Nuss Brooks
Hanson Wilcox
Rauscher Morrow
Dearing Cooney
Bennett McKay
Field goals—Nuss, 1; Rauscher, 1; Dearing, 1; Dearing, 1; Brooks, 1; Cooney, 1; McKay, 1; Wilcox, 1.
Free throws—Nuss, 2; Morrow, 1.
Referee—Schissler.

Friend played a losing game Thursday afternoon when they lost to the fast Shelton five by a score of 24 to 8. Friend put up a good exhibition of basketball but were entirely outclassed by the Shelton team. From the day's play Shelton may be picked to be in at the finish of the fight Saturday and to make a mighty strong bid for the honors in Class B. By far the biggest star of the game was Harold Courroy of Shelton. He made what might be called a tourney record for free-throws by making good on ten out of a possible twelve throws, and getting credit for four field goals. In all he made eighteen of his team's twenty-four points. Varney of Friend who made such a showing against the Havelock aggregation Wednesday, was unable to make any headway through the guarding of the Shelton boys. The summary of the game:

Friend 8, Shelton 24
Dorwart Gorbett
Barney H. Conroy
Jewett Henninger
Keith Hill
Erdkamp F. Conroy
Field goals—Jewett, 2; Dorwart, 1; Gorbett, 1; Henninger, 2; H. Couray, 4.
Free throws—Barney, 2; H. Couray, 10.
Referee—Healy.
