WORTH KNOWING
The food administration has discov-
ered a well planned German propoganda intended to magnifv the dis-
tress of the central powers with retress of the central powers with re-
spect to food supply. Fake letters have been found on German prisoners
intended to give the fmpression that conditions at home are very serious Germany is not starving. She is not
ilkely to starve. She has thousands of square miles of productive wheat
land in Poland, Romania. Servia. Bel. land in Poland, Romania, Servia, Be
gium and France, as well as Uraine
and her new Russian territory.

The ordinance department of the
United States army says that apUnited States army says that ap-
proximate cost of a six--inch gun is
$\$ 10,000$, of a five-ton truck $\$ 5,00$, three-
.

Nin
 of sugar beetst on 15,000 acres, In
1917 she produced 17,660 tons on
14,000 acres. This is an facrease of 14,000 acres. This is an tacrease of
65 per cent. in production and 77 per cent. in yleld per acre. The frcrease
in production is due in pars to the reslidence in Canada of an large num-
ber of Belgian sugar beet workers. Breed cards were tssued in Paris
beginning January 29 th entituing very perwon to a ration of 4.6 pounds per week. Bread rations in Switzer of bread per week, and the ration will son be reduced to 3 pounds per week it present the consumption of bread normal. Restrictions in the ure of meat have
been modified. so that meats of all been wodified, so that meats of all
kinds may be used on any day of the
week excent Tuesdays, and then all week except Tuesdays, and then and
kinds may be used except beef and
pork. Meatless days were instituted Work that the rich would werre insil the con
numption of meat, thus sharing umption of meat, thus sharing the
burdens of the war and helping in this why to keep the price of meat within the reach of the poorer people. This
is true demecracy true democracy.
Potato prices are less than half as
high as a year ago, and the price of cheese is slighigly, less. Ryye con-
lice nues a rapid advance and it has now reached as4 relative to the prewar
average. Cotton seed oil and cora
are all over three times as high as efore the war. Potatoess show the
east relative increase and a year ago
hey showed the greatest. Cheese they showed the greatest. Cheese
comes next. followed by hay and but-

From now on all mills in the United
tates will be required to make 19 pounds of flour from 264 pounds of wheat. In purchasing a mixed flour Which contains 50 per cent. or mor to required.
Sola fountains, ice cream manufac arers, etc., are entitied to obtain only 80 per cent. of their last year's pur-
chase of sugar.

At a special meeting in Washington
