NEBRASKA CO-ED BREAKS RECORD

junior team composed the personnel of this year's senior teams.

No Hitch in Program

Everything went off with clock like regularity. The shot put, the basketball and baseball and javelin throw took place at the south side of the field while the relay races, jumping, high hurdles, vaulting and dashes were carried on. Spectators rushed out of the grand stand and gathered about the players and only by quick dodging did some escape being hit by the javelin and other dangerous weapons when hurled by Nebraska's co-ed stars. One of Frederick MacDonald's photographers ran from place to place taking snaps of girls up in the air doing pole vaults, views of the dashes, and other events.

Nebraska co-ed athletics are distinguished throughout the states. In a March issue of the "Grit" of Pennsylvania is an account of the excellent work done by Nebraska girls as well as two photographs showing the relay race, and running high jump of two years ago.

Proceeds to Go to Bat and Ball Fund

The meet was held under the auspices of the Woman's Athletic association, with Miss Blanche Higgins as the sport leader. The gate receipt of approximately \$25 will go to the bat and ball fund, which is being raised by Hugo Otoupalik of Camp Dodge, former Nebraska football star.
