

ADDRESSED TO THE STUDENTS

Lincoln, Nebr.

DEAR STUDENTS:

The school year has again opened with its many activities. As usual I have a personal interest in the affairs of the student body, and wish to be of service to them the coming season, as I have been heretofore. If at any time I can help you accomplish any task for the benefit of the student body, I will deem it an honor to be asked to assist.

There is one way I know I can be of service to you and that is in making good pictures of your many activities and also in correctly developing and printing your Kodak films. For your convenience the following stores will be pleased to serve you and take your orders for Kodak Finishing: Rehlaender Drug Store, 1137 O street; Rector's Drug Store in Liberty Theater Building, and the College Book Store, 1135 R street. If you leave your films with them by 8:30 you can get your pictures at 6, same day.

Thanking you for your patronage in the past, I am anxious to be of service to you during the coming seasons.

Yours for service,

FREDERICK MACDONALD,

You'll Find Much to Interest You Here Today

FOR one thing, our Fall Displays are practically complete--so complete that we

feel you'll find it wise to come without delay.

Our early season displays are always well attended--our reputation for style correctness being known far and wide.

In buying early you practice thrift. The fuller displays, the more certain you are to secure styles that become you--there are more weeks of wear ahead--and (this year) the materials are better than you will find later on.
