NEBRASKA GOES DOWN TO DEFEAT BEFORE VETERAN HAWKEYES

Ring Up Score of 12 to 0 Over Huskers in First Football Battle of Season

Both Touchdowns Are Made in Third Quarter—Lohman Hubka Star

By Oswald Black.

The Iowa Hawkeyes pulled the trick against Nebraska to the tune of 12 to 0 on the Lincoln gridiron Saturday afternoon and proved their supremacy in the grand old game of rough and tumble. The Huskers put up a mighty stiff battle and held the visitors to a zero score all during the first half. The two touchdowns the Hawkeyes were able to push over came within ten minutes of each other in the middle of the third quarter. Both were terminations of steady marches down the field. The first was the result of a long forward pass from Lohman to Reed, and the other was shoved over by Lohman plunging through the line.

The teams seemed evenly matched until the Hawkeyes forged out in front toward the end of the game. Lohman, the hashing halfback, annexed the individual laurels for the invaders and Hubka pulled the spot light to his playing for the home boys. Lohman carried the ball 95 yards of Iowa's total of 214. He figured in nearly half of Iowa's plays and did most of the punting and forward passing. Hubka showed up more clearly in the last half. He advanced the oval 70 of Nebraska's total of 164 yards from snapperback. McMahon came next in line for the plums. He and Sykes, the Iowa left half, both lugged the ball 55 yards nearer their respective goals, while Scott, Schellenberg, Howarth and Slater, the dusky right tackle for the visitors, gave good accounts of themselves.

Small Crowd in Stands

The weather was ideal although it lacked the crispness of the typical football day. The stands were only partially filled when the Iowa team romped out on the field at 2:15. The band had reached there first and had struck up the familiar old university tunes and had set the crowd in the football spirit. Nebraska appeared a few minutes later and both teams went through a few warming up exercises.

Nebraska Penetrates Deeply

When the referee's whistle twittered the signal for the first kick-off, Nebraska was defending the west goal and ready to receive the oval from Iowa on the east. Greenwood booted the ball far into Nebraska territory and Hubka fumbled and Munn recovered it on the 12 yard line. The first quarter ran along with neither side displaying anything spectacular. After a punt by Nebraska and a fumble on the part of Iowa, the Cornhuskers inaugurated a march toward the opponent's goal from the middle of the field. McMahon, Schellenberg and Hubka carried the war far into the land of the Hawkeyes. They penetrated as far as the two yard line and then the Iowa defense stiffened and they lost the ball on downs. Lohman punted out of danger and after several small gains, Hubka attempted a drop kick from the 18 yard line, which missed the bars by a mile. Lantz returned a punt from Lohman's toe and the quarter ended with the ball in Nebraska's possession on her own 34 yard line.

Neither side was able to score in the second stanza and the ball got no nearer than 20 yards to either goal. McMahon bucked the line for two yards and Nebraska was penalized 15 yards for holding. Hubka punted to Kelly, who fumbled but recovered. Scott made three through the line and Lohman punted out of bounds. Hubka advanced the ball 10 yards on two tries and after a pass by McMahon failed, Hub punted 40 yards across the goal line. Lohman booted the sphere 35 yards and McMahon returned the compliment to Kelly. A pass, Lohman to Scott, netted eight yards and Scott plunged through the line for five more when the whistle blew ending the first half with the ball on Nebraska's 37 yard line. Score 0 to 0.

Scores Came in Bunches

During the intermission, the band played a few numbers and the cheer leaders tried to wake up the sleepy crowd. Not even the Hershey and peanut peddlers made any desperate efforts to dispose of their goodies.

Beginning the second half, the Iowa lineup remained unalterable but Howarth had taken Schellenberg's place at halfback and Dana had been substituted for Ross at left guard. Munn kicked off to Scott who returned five yards to the 26 yard line. Lohman and Scott, then Scott, Lohman and Sykes in turn, advanced yard by yard to the shadow of Nebraska's goal posts. Iowa was penalized and from the 14 yard line, Lohman shot a beautiful pass to Reed, who snaired it and was tackled on the goal line.

REGULAR MILITARY DRILL COMMENCES OCT. SEVENTH

Men to Use University Guns— No Material Yet Received

Monday morning, October 7th, regular drill will start with the S. A. T. C. men of the University of Nebraska. The event is scheduled for eight o'clock and will continue until ten. The second drill of the day will occur at five o'clock in the afternoon and will continue till six.

As only fully inducted men will be allowed to participate the number present will not be over 700. The number is large enough, however, to form three regulation companies.

Definite details have not been worked out regarding the minor officers of the companies. It is known that no commissioned officers will be picked from the new recruits right away.

The men will use the University guns, which have been used by the students in former years. There are not enough of these to supply every man. More are on the way, however. No definite information is known about the uniforms or the barracks.

In a very short time orders will be issued concerning inoculations, barracks, mess and other military affairs. By the end of this week the S. A. T. C. unit will be in good working order.

Alpha Chi Omega and Sigma Alpha Epsilon Introduce New Form of Service

The Alpha Chi Omega sorority and the Sigma Alpha Epsilon fraternity introduced a new and novel form of entertainment for the soldiers of Lincoln last Friday evening at the sorority chapter house in the form of "open house" for about forty men of Co. Forty or more of them accepted and came to town in the big army motor trucks about 8:15.

The house had been simply decorated and the men were made to feel at home by the men and women who acted as hosts. Singing and dancing was in vogue for those who cared to and a simple entertainment was provided for the rest. Ice cream and wafers were served as refreshments. Lincoln has been noticeably slow

During the evening, Captain MacIvor called the girls up and told them how much he appreciated what they were doing for his men.

Before the soldiers left, one of their number as spokesman expressed the appreciation of the men for what the men and women had done for them. He said that they leave the camp next week and that this had been their last chance to meet nice girls and have a real good time.
