**SENIOR GIRLS NOMINATE  
BLACK MASQUE MEMBERS**

(Continued from Page One)  
This is the second time for university women to use the revised method of choosing members of Black Masque which was adopted last year. Lists of all junior girls will be posted at various places about the campus and the ballot box will be found in the lobby of the Library Building. The list of nominations will be presented to a committee comprised of the executive dean, the dean of women, and the registrar. They will consider the twenty-five who receive the highest and hand the names of these, when approved or amended to the present Black Masques for the final vote.
