Omaha

A Wholesale Center

OMAHA wholesalers distribute
more merchandises per capita
than any other city in
the United States. Omaha's average
is \$1,180 per capita; the
nation's average is \$900 per
capita.

Omaha is your natural source
of supply for every kind of merchandise.
Omaha has more than
400 wholesale houses supplying
the entire West. Every human
need is cared for.

When in doubt where to go for
any line of goods not carried in
your own city (from angles used
to xylophones), ask us. We know
the Omaha wholesaler who carries
what you want.
