NEBRASKA STANDS IN FOURTH PLACE

Nebraska and Grinnell Break Even in Final Games of Season.

Freshmen Take the Measure of Omaha National Bank Team for Supremacy.

The Missouri Valley basketball conference of 1919 has run its course and looks down upon the mighty Cornhusker squad who rest their battered forms upon the fourth round in the ladder. The Scarlet and Cream stripped three cogs in the disastrous Kansas grind and by splitting the last two games of the season with Grinnell remained stationary, while the Missouri Tigers by unexpectedly walloping the Kansas Aggies trapped the custodianship of the second highest honors in the valley race. The Missourians unmercifully smudged up the hitherto spotless record of the Kansans who no doubt suffered from the necessity of carrying the championship honors tucked away in their pockets through the two battles.

The four games in Lincoln and Columbia which terminated the season left the four leaders in the following positions:

	W.	L.	Pct.
Kansas Aggies	9	2	.818
Missouri	9	3	.750
Grinnell	4	2	.666
Nebraska	10	6	.625

Even Break With Grinnell

The Cornhuskers after walking away with the first game last Friday in the easy saunter of 27 to 15, were rudely shocked the following day, when the Iowans took their measure by a 22 to 21 score. The absence of Bailey from the Nebraska lineup no doubt crippled the team, but the introduction of new blood into the Grinnell system during the second contest in the persons of Crane at forward and Linn at guard, undoubtedly had a marked effect on the reversal.

First Game to Cornhuskers

The opening battle Friday proved real fruit-cake for Captain Jackson's men and they all helped themselves to a generous slice. Grinnell proved never even troublesome and after "Jack" and Newman had rung up three baskets, victory roosted peacefully on the Cornhusker goal and snoozed there peacefully until the end.

The Score:

Second to Grinnell

When Saturday's thriller upset the dope pot, a near little victory for Grinnell came rolling out and dragging after it a certificate for third position in the final conference averages. Along-side of the Grinnell sheet, a little note for Dr. Stewart came floating along which read something like this: "The Cornhuskers are hereby entitled to claim my fourth highest honors." Signed "Missouri Valley Conference, Season of 1919."

This last game of the season proved a losing up-hill fight for Nebraska. The aggressive work of Crane, who had been absent from the Grinnell lineup the day before, was a great factor in the outcome. He started the scoring and with the assistance of Captain Hammond and a contribution from DeRuyter and Linn annexed the necessary counters. The

ADDRESS COLLEGIATE ALUMNI ON 'BOLSHEVISM'

Professor Guernsey Jones addressed the Collegiate Alumni Saturday afternoon at the home of Mr. Frank Woods. His subject was "Bolshevism." He delivered the same lecture to the Omaha University Club last Tuesday. Tuesday afternoon he spoke on "India and Colonial Problems," in the Omaha Central high school. Sunday night, March 30, he will discuss the "League of Nations" at Ashland.

INSTRUCTIVE PROGRAMS PRESENTED BY ROAD MEN

Second Annual Road Institute Closes Saturday After Three Day Session.

After a very instructive week, the second meeting of the Nebraska Road Institute closed Friday with one of the best programs ever presented to a university audience. The entire past week the city campus was the mecca for many activities due to the meeting of this convention in the mechanical engineering laboratory building, along with the basketball tournament which brought over one thousand visitors to the capital city.

At 9 o'clock Friday morning Mr. F. W. Parrott, auditor of the Iowa State Highway commission, spoke on the "Records and Reports of Township, County and State Highway and Bridge Construction and Maintenance." Mr. Parrott is an authority on this broad subject and his excellent lecture was well received by the large number of engineers present. A discussion followed led by George E. Johnson, State Engineer, and L. E. Adams, County Engineer of Douglas county.

In the afternoon Mr. J. T. Donaghey, maintenance engineer for the Wisconsin State Highway Commission, read a paper on "Maintenance of Wisconsin's Highway System." Mr. Donaghey, is an authority on construction and maintenance problems, and his speech was a thrilling plea in behalf of better highways through better maintenance. Professor George R. Chatburn of the university led the informal discussion which followed. A paper on "Present Status of Federal Aid Projects," was the last feature of the session and was presented by George L. Campen, Senior Highway Engineer of the United States Office of Public Roads and Rural Engineering. Some interesting comparisons were brought out in his talk which illustrated vividly the conditions facing the highway improvements at this time, when aided by the federal government.

The meeting ended with the report of the resolutions committee, and the institute adjourned until its third meeting in 1920.

Class H	Wayne 30 Palmyra 12

Shelton became king of the Nebraska high school world by wringing a 20 to 15 victory from the Omaha Commerce team last Saturday in the Auditorium, while Sutton won Class B honors by eliminating Arlington in a one-sided conflict of 39 to 12.

The triumph of the Shelton tossers was the startling surprise of the tournament. All day Saturday odds of two to one on the Commerce representatives were fairly floating around town and the general opinion among the wise one was that the lads from Shelton would get but one passing glance at the silver trophy. The largest and best blown dope bubble sometimes explodes in a very sudden and surprising manner, as two thousand spectators of the final class A battle will witness.

The Sheltonians were fighting on the lower end of the 10 to 7 count at the end of the first half and the Commercials seemed to have the beautiful silver basketball moving safely en route for Omaha. Four field goals by Corbett, the Shelton forward, followed by two quick tosses from Captain Henninger proved too much for the desperate Omaha five and the whistle blew with Shelton singing a victory hymn, 20-15.
