

THE DAILY NEBRASKAN

VOL. XVIII. NO. 132.

LINCOLN, NEBRASKA, MONDAY, APRIL 21, 1919.

PRICE FIVE CENTS

STUDENTS TO VISIT METROPOLIS MAY 2

Two Special Trains Provided to Carry University Sightseers to Omaha.

Plenty of Entertainment for Those Making Trip—Buffet Supper a Feature.

University authorities have accepted the invitation of the Omaha business interests to have the students of the University of Nebraska visit Omaha on Friday, May 2.

The Bureau of Publicity of the Omaha Chamber of Commerce will act as the Omaha executive committee. The Omaha Alumni Association will act as an entertainment committee.

The following associations have joined in raising funds for the entertainment of students:

Omaha Live Stock Exchange.
Union Stock Yards Company.
Chamber of Commerce.
Bureau of Publicity.
Omaha Manufacturers' Association.
Omaha Market Week Committee.
Omaha Grain Exchange.
Associated Retailers of Omaha.
Omaha Auto Trade Association.
Omaha Clearing House.
Omaha Nebr. Alumni Association.

Two Special Trains

The Lincoln arrangements will be in charge of Chancellor Samuel Avery, Dean C. C. Engberg and the Innocents society. Two special trains will probably be necessary. One of the trains will contain students who wish to visit the stock yards, live stock exchange and the packing houses. This train will go direct to the south side. These students will be entertained by the Live Stock Exchange and Stock Yards company during the day and will be taken in street cars to the city auditorium, where all students will meet, at six o'clock.

Students in the second train will make various trips about Omaha under the guidance of the alumni.

When all students meet at the auditorium at six o'clock a buffet supper will be served. Later a reception will be given by the students of the Omaha High School and the High School of Commerce.

The evening will conclude with a dance for the university visitors.

Dr. I. S. Cutter, of the University of Nebraska college of medicine in Omaha, will cooperate with the Bureau of Publicity in the handling of arrangements.

FERGUSON PREPARES VOCATIONAL PAPER FOR JUNE MEETING

Professor O. J. Ferguson of the electrical engineering department at the university, is preparing a paper on "Vocational Correlations," which will be presented before the annual meeting of the society for the promotion of engineering education. This conference will be held in Baltimore sometime in June. Professor Chaburn of the university was president of this society in 1917.

In this paper Professor Ferguson strongly advocates that the society appoint a permanent committee on vocational correlations to study what is being done along those lines. This committee will investigate analytically and synthetically the correlations existing among men's natural aptitudes, their developmental processes, and their professional engineering careers, having in mind the estimating of broad fundamentals in vocational guidance during formative periods.

In a word, the psychology of human nature or of boys will be studied when the students are yet in the lower grades, and the committee will endeavor to find out whether or not the boy is capable of making good or not in the future. So many different schools have so many different plans for accomplishing this that it is necessary

GIRLS' CLASS SWIMMING TRYOUTS STARTS TUESDAY

The tryouts for the girls' class swimming teams will be held Tuesday evening at 8:00 o'clock and Saturday afternoon at 3:00 o'clock of this week. All candidates must appear at one of these times.

Leaders for the class teams will be announced Tuesday morning and will assist Miss Gordon, the coach, and Helen Curtice, the sport leader, in selecting the other members of the teams. The swimming meet will be held Saturday afternoon May third in the high school pool.

FRESHMEN CLASS TO HOLD MIXER IN ARMORY MAY 3

Elaborate Plans Completed for Largest School Party of Social Season.

The long discussed Freshmen mixer has developed into a reality. The date has been set for Saturday, May 3. Plans for the party have been formulated by the committee which has been diligently working on the entertainment. Tickets will be on sale this week and the nominal sum of thirty-five cents will be charged.

Chalmers Seymour, chairman of the committee, states that a great treat is in store for those attending the function. Many novel features are being worked out which insure that no dull moments will be experienced. The latter part of the evening dancing will reign supreme. The best orchestra in the city has been engaged to furnish the music for the occasion.

The mixer will be the only real party conducted by the freshman class this year. So many obstacles have been confronted in the past that it has been impossible to give a party. This will be the last big social affair of the school this season and a bumper crowd is expected to attend. The freshmen are advised to purchase their paste boards early as a definite number will be validated.

The mixed committee is as follows:

Chalmers Seymour, Chairman.
Allan Wolcott
William Dutton
Dorothy Pierce
Elizabeth Riddell
Margret McNearney
Leonard Winterton.

BOARD OF REGENTS ADOPT PLANS FOR CONSOLIDATION

Vote to Unite Various Sub-Divisions Into Departments of One Group.

The Regents discussed thoroughly the matter of university reorganization particularly in regard to the consolidation of certain departments at a meeting held at 2 o'clock Saturday afternoon in the Chancellor's office. All the Regents were present except Regent Miller who was absent on account of illness. It was decided to adopt the general policy of consolidation of departments now existing as subdivisions to one larger subject or group. Details are to be submitted to the Board at a later meeting by the Committee on Organization after a more thorough study of the situation here and at other universities has been made.

It was also decided that a business auditor and a teaching auditor should be appointed. The latter official shall assist the university authorities in bringing the teaching activities of the institution to the highest possible state of efficiency. The appointment of these two officials is made in the interest in business and teaching efficiency and economy. Tentative negotiations were authorized looking towards bringing in a number of pro-

"SCHELLY" HEADS BASKETBALL TEAM

Speedy Husker Forward Chosen to Pilot Next Year's Basket Tossers.

String of Veterans and Promising Freshman Brighten Next Season's Prospects.

Elmer H. Schellenberg, '20, has been chosen by the basketball team to succeed Captain Jackson as pilot for next season. "Schelly" is the most experienced veteran on the squad and has earned the position by his performance during the past season. With twenty-four field goals to his credit he comes second only to Jackson in the number of baskets tossed from the floor. "Schelly" has played two years on the varsity and one season the freshman team and has won the title of the old warhorse of the squad.

Cornhusker basketball prospects for next season are the brightest they have been for many a long year, and "Schelly" will be the leader of the fastest team ever turned out by Nebraska. Coach Stewart will have a whole squad of veterans with which to start the season besides the addition of the wonderful freshman squad of the past season. Schellenberg, Reynolds, Patty, Newman, Bailey, Kacer, Pickett, Davis and Spear will be ready to add another season of varsity basketball to their record and, Costello, Munn, Russell, Austin Smith, Budd Smith, Paynter, Junmeyer, Perry, Cypreansen and Norton will be ready for their first venture into the varsity world. No Cornhusker basketball captain ever had better prospects for a winning season ahead of his team than has the new captain.

AGS WILL HOLD STOCK JUDGING CONTEST APRIL 26

Arrangements are nearly completed for the annual inter-class stock judging contest, which will be held at the State Farm, Saturday, April 26th, beginning at 8 a. m. The Saddle and Siroloin Club which staged the recent successful high school contest, will have entire charge of this event.

All Ag students are eligible, except those who have been on the official judging team. Trophies and prizes will be awarded the winners. Those wishing to compete should register in the Judging Pavilion, room 201, and pay the entrance fee of 25 cents.

The Student Should Know-- SILVER SERPENT

The junior girls' honorary society, the Silver Serpents, was founded in the school year of 1905, by a group of juniors with the assistance of Dr. Louise Pound.

The aim of the girls was to become a committee representing their class in social activities and to bring about a unity and fellowship among members of the class. At first there was rivalry between the Black Masque and the Silver Serpents, but soon all discord and friction disappeared and left a feeling of comradeship. Their aim was the same, namely, to bring about a greater university spirit. This organization does not exist solely for social purposes. They have an annual Christmas tag day every year and use this money for families of poor people.

Each spring one sophomore from each sorority and three non-sorority girls are chosen. The active members are Ruth Sheldon, president; Dorothy Weatherald, vice-president; Jean Landale, treasurer; Helen Lewis, Adelaide Elam, True Jack, Carolyn Reed, Genevieve Loeb, Helen Fisher, Harriet Ashbrook, Fae Breese, Helen Howe, Helen Lewis, Alfreda Mac Prang, Mable McAdams, Ethelyne Druse, Lorene Hendricks.

ALL CLASSES OF MEN AT TRACTOR SHORT COURSE

Lincoln, Neb., April 17.—Sixty-six men registered for the university school of agriculture short course being staged to help provide tractor operators for the Nebraska good roads program. Several of the men are middle-aged and several are returned soldiers and sailors. The course will continue four weeks. It consists of instruction in the practical operation and repair of all kinds of tractors. Two hours of lectures and six hours of practical experience are given each day.

GREEKS MAKE BIG SCORES IN OPENING FRAT GAMES

Preliminary Schedule Will Be Completed this Week—Pi Phi Defeat Beta's.

The interfraternity baseball series will tear into the preliminary schedule this afternoon and finish it before the week ends. Every game will be played on the athletic field and no admission will be charged. The teams must appear at the time scheduled as no alteration in the schedule will be made.

Taking the advantage of the good weather of last week, three games were played by the Greeks. The Sig Alpha's took the measure of the D. U.'s, the Kappa Sig's defeated the Sig Chi's, and the Pi Phi Chi's walloped Beta Theta Pi.

The remaining preliminaries are: Monday afternoon:

1. 4:00 o'clock.
Sigma Nu vs. Phi Delta Theta.
Umpire: Pickett.

Tuesday:
2. 4:00 o'clock.
Farm House vs. Delta Tau Delta.
Umpire: Mackey.

3. 6:00 o'clock.
Alpha Tau Omega vs. Delta Chi.
Umpire: Zink.

Wednesday:
4. 4:00 o'clock.
Alpha Sigma Phi vs. Alpha Theta Chi.
Umpire: Swanson.

5. 6:00 o'clock.
Phi Gamma Delta vs. Phi Kappa Psi.
Umpire: Pickett.

Thursday:
6. 4:00 o'clock.
Acacia vs. Sigma Phi Epsilon.

EXPERIENCED CAST PLAYS IN DRAMATIC CLUB FARCE

Preparations Complete for Second Production at Temple Theatre Wednesday Night.

Everything is in readiness for the second production of the Dramatic Club, "She Stoops to Conquer," which will be given at the Temple theatre Wednesday evening.

The cast has been practicing night and day for the past two weeks and only a few of the finishing touches remain to be worked out.

Mr. Fogleson who is playing the part of Tony Lumpkin is well fulfilling the reputation of the part in which practically all of the best comedians of the day have first earned their fame. He just naturally "blows" in and takes you by storm. His impersonation of "Mother's Angel Child" certainly carries out the popular version.

Then there is the irresistible Miss Hardcastle played by Miss Marguerite Mulhill who is well suited to the part. The double nature of her role adds a touch which holds the interest till the curtain drops on the last scene.

The serious George Bushnell appears in the role of the bashful hero (Continued on Page Four)

HUSKERS SET NEW RECORD IN RELAYS

McMahon Runs Quarter Mile in 50 Seconds Flat at Drake Cinder Meet.

Nebraska Speed Demons Make Sensational Showing With Eastern Schools.

Nebraska's mile relay team, composed of Gibbs, Smith, Fuchs and McMahon, established a new Missouri valley record when they won this event in the Drake relay meet in 3:26. Byron McMahon, running the last lap for the Cornhuskers, covered the quarter mile in 50 seconds flat.

The Nebraska tracksters upset the dope completely by winning the university mile relay after nosing out eleven Western Conference and Missouri Valley teams. The Huskers also placed third in the university half mile event and were second to Chicago in the total number of points secured.

Byron McMahon, Ed, Smith, John Gibbs and Rudy Fuchs, who won the mile, also set a new Nebraska record. McMahon ran his lap of the mile in fifty seconds flat while the rest of the men averaged fifty-one and a half seconds. Eleven teams were entered in this event—Notre Dame, Grinnell, Ames, Chicago, Iowa, Illinois, Northwestern, Michigan, Missouri, Kansas, Nebraska.

Win After Hard Fight

Chicago, Missouri and Kansas were picked as possible winners, but the fight developed between Nebraska, Missouri and Kansas. Gibbs, running first, nosed out all but the Missouri and Kansas men and handed the baton to Smith who promptly passed up the Kansas runner and pressed the Missouri man hard at the finish. The race here developed into a fight between the three valley schools as the rest of the runners were some twenty yards back. Fuchs, running next, kept close to the Missouri man but Rodkey, of Kansas, in a final spurt drew up into second place. With Captain O'Leary, of Kansas, five yards in the lead and Barlow, of Missouri, fifteen yards in advance, McMahon began the fourth lap for Nebraska. He passed O'Leary on the back stretch and began to close up the distance to Barlow. At twenty yards from the tape both were running neck and neck but McMahon had the stronger finish and broke the tape a yard in advance.

The winning of this race is to be

GOVERNMENT OFFERS INFORMATION ABOUT WAR RISK INSURANCE

The matter of conversion of the present War Risk Insurance is of utmost importance. The date for the beginning of conversion has not yet been set, but as soon as the President officially declares peace or Congress passes a special act authorizing conversion, it will be possible for all persons who are carrying Government insurance to convert it into the new types of policies. It is expected that the date for the beginning of conversion will be about June 1st or perhaps earlier.

In order to be able to convert the War Risk Insurance, it is necessary to keep up the payments on the present insurance. These payments should be made each month by certified check or money order made payable to the Treasurer of the United States, forwarded to the Disbursing Clerk, Bureau of War Risk Insurance, Washington, D. C. If the payments are not made within the month the insurance automatically lapses, but it may be reinstated upon payment of back premiums, provided the individual can show evidence of insurability. The certificate of any reputable physician will be accepted as evidence of insurability. The insurance regarded as remarkable, as the men (Continued on Page Four)
