HUSKER TEAM TAKES SECOND IN RELAYS

(Continued from Page One)

Women's Athletic Association and individuals who contributed to send the relay team to meet the eastern champions. I can assure you the boys will "un their very best and endeavor to uphold the standard of Nebraska in the east. It is particularly pleasing to me to observe the enthusiasm with which the student body took hold and raised within twenty-four hours five hundred and thirty-nine dollars for this purpose. I consider it a remarkable tribute to the boys forming the relay team."
