## STUDENTS TO SPEND FULL DAY IN OMAHA

Special Train Will Leave Lincoln at 8:20 a. m., Returning at 11:30 p. m.

Those Who Make the Trip Are Urged to Purchase Tickets Thursday.

Professor G. R. Chatburn, chairman of the committee having Omaha Day in charge, reports that Mr. Brownell of the Burlington has stated that the following train schedule will be observed on Omaha Day, May 2nd:

A. M. leave Lincoln 8:20; arrive Omaha 10:00.

P. M. leave Omaha 11:30; arrive Lincoln 1:00.

Even if there are more than eight hundred students who will make the trip Mr. Brownell believes that one special train will be able to handle all of them. Sixty students can easily be accommodated in one coach, and it is possible that the train will contain as many as fourteen coaches. This would take care of 840 students.

Railroad authorities as well as university officials having the trip in charge urge everyone who expects to make the trip to purchase their tickets at the down-town ticket office, before four o'clock Thursday afternoon, May 1st. This will enable them to make an estimate of the number of students who will go on the excursion by Thursday evening, and to see if more than one train will be required to accommodate them.

Groups formed in sororities, fraternities, clubs, and from the student body should have one person procure tickets for the entire group if possible. These groups are being organized entirely by the students themselves, and independent of any university authorities. Some of the university departments, however, like the Pre-Medics, farm students, especially the dairying group are organizing as departments. Some university professors will make the trip. Prof. Granlich will accompany the farm students and the chemistry department will also be represented.

Grouping has been entirely in charge of the Innocents society who represent the student body, and Walter Blunk, chairman, with the other members are now working to perfect the system. It is possible that at the various class meetings Tuesday speakers will talk to the students on the proposed trip and grouping. Further announcements as to grouping will be made in the Daily Nebraskan tomorrow.

The numbering of some of the groups already formulated have been changed in order that those groups who intend stopping off at South Omaha will be numbered from one to five so they can go in separate cars. This change was notified by a telegram from Mr. Arthur Thomas of the Omaha Bureau of Publicity. If the student will consult the Nebraskan for April 24th, he will be able to understand the following group changes:

- Group eight will be changed to group three.
- Group thirteen will be changed to group four.
- Group eighteen to group five.
- Group three to group six.
- Group four to group seven.
- Group five to group eight.
- Group six to group nine.
- Group seven to group ten.
- Group nine to group eleven.
- Group ten to group twelve.
- Group eleven to group thirteen.
- Group twelve to group fourteen.
- Group fourteen to group fifteen.
- Group fifteen to group sixteen.

DON HEFFLEY

Mr. Don Heffley, new general secretary of the University Y. M. C. A., will arrive in the city some time Friday.

Mr. Heffley graduated from the Northwestern University in '15, with a Bachelor of Science degree. During his senior year, he was elected to Peru, the senior honorary society. Before entering Chicago University, he was for five years an accountant for the Chicago Rubber Clothing Co. of Racine, Wis.

For three years after graduating from Northwestern University, Mr. Heffley was general secretary at the Michigan Agricultural College, and during the war, for two months and a half, he was engaged in Y. M. C. A. work in one of the cantonments.

For the last eight months, he has been religious work secretary at the University of Michigan. He acted in this capacity during the S. A. T. C., and since its demobilization.

The coming of Mr. Heffley to the University of Nebraska in the capacity of the University Y. M. C. A. as general secretary holds out a bright future for the University Y. M. C. A. Mr. Heffley has accomplished great things at Michigan Agricultural College, and the securing of him at this time is most fortunate for the University of Nebraska.

## UNI COMMERCIAL CLUB MEMBERS WILL BANQUET

To Celebrate Wednesday in Honor of New College of Business Administration.

Wednesday evening, April 30th, promptly at six o'clock in the Lincoln Hotel, the members of the University Commercial Club will celebrate with a banquet in honor of the new college of business administration. This is the first banquet of the club this school year and every member is expected to attend. Professor J. E. LeRossignol, head of the new college, will act as toastmaster, and several prominent Lincoln business men will respond to short impromptu talks. Part of the toast list includes Chancellor Avery, Regent Hall, President Weil of the National Bank of Commerce, and Professor Martin of the college of commerce. Students prominent in economics and commercial work will probably be asked to speak.

Those students who have not yet been solicited by the committee or who have not yet procured their tickets for the feast, may get them any time before Tuesday night, April 29th, at 6 o'clock. Tickets may be obtained from any of the following men before this time: Fred Hellner, Roy Carson, Mervin Springer, Clyde E. Johnson and O. W. Hansen.

The price of the banquet will be covered by the club dues and no additional charge will be made for tickets.

## UNIVERSITY TRACK MEET NEW VENTURE

First Development of Mass Athletic System at University of Nebraska.

New Gymnasium and Athletic Field Requisite to All-University Participation.

The all-university track meet last Saturday which was open to any university man in school was the first real venture of this institution into the field of mass athletics. Nebraska has her hat in the ring and Dr. E. J. Stewart, director of athletics, intends to keep it there.

A real gymnasium and athletic field commensurate with the size of the institution is the first requisite. The entire student body cannot be expected to take enthusiastically to their own particular branch of sport unless there is adequate provision for it.

At no distant date the Cornhusker campus will be adorned with one of the largest of modern gymnasiums and an athletic field which will be a credit to one of the largest universities of the country. A series of clay courts for the tennis fans will also be laid out. For the present, however, Coach Stewart is doing all in his power to implant the mass athletic idea at Nebraska.

It is interesting to note the progress other schools are making along this line. The following articles recently appeared in the Michigan Daily and the University Daily Kansan, respectively.

### Michigan

The adoption of the mass athletic system as a means of bringing out a large representation of the student body, and enabling them to enter into active competition with other colleges and universities, sports and class activities seem bound for one of the most successful years in the history of the athletic association.

### Michigan Leader

In the field of athletics, few universities have done as much as has been done in Ann Arbor. While Michigan enjoys an enviable reputation in this respect, it is believed that more can be accomplished. Tables prepared by Mr. Rowe show that prior to the war nearly 40 per cent of the student body was engaged in some sort of physical exercise under the direction of the department. But in spite of this good showing, the aim of the department remains the same — to engage every

## SOPHOMORE SPRING PARTY WILL BE HELD THURSDAY

Annual Class Hop Will Be at Commercial Club—Novel Program Arranged.

Everything is in readiness for the Sophomore May Day party which will be held net Thursday at the Lincoln Commercial Club. Tickets will be on a pre-war basis at \$1.25 each. The pasteboards are now on sale.

A novel program has been arranged by the committee. There will be favors for the girls and lots of refreshments for all. Shembeck's six jazz artists have been engaged to furnish the music.

The hop committee is as follows: Chas. Gilligan, chairman. Richard Hadley, M. C. Mildred Smith Frank Paty Glen Gardner Helen Nieman John Gibbs Elmer Hinkle Jess Paty.

## VESPERS WILL BE HELD AT WOMAN'S HALL TODAY

Vespers will be held Tuesday afternoon at 5 o'clock in the Y. W. C. A. rooms at the Woman's Hall. Viola Kleinke will preside at the meeting. The following girls will give short talks: Helen Doty Eliza Gamble, Dorothy Buell and Helen Kendall. There will also be special music.

There will be a business meeting of all the associated members of the Y. W. C. A. Wednesday evening at 7 o'clock at the Woman's Hall. It will be the last meeting of the year and the new cabinet will be installed. The final reports of the Grace Coppock will be given and there will be a short discussion of the Geneva conference.

## PHI DELTS MASTERS OF DELTA TAU IN FAST GAME

Take Second Game of Fraternity Series Monday by Score of 7 to 4.

The Phi Delt advanced another notch toward the interfraternity baseball championship yesterday when they defeated the crack Delta Tau nine at the M street park in a hotly contested five inning game, by the score of 7 to 4.

The pitching of Kline for the Phi Delt and Crownover for Delta Tau was the feature of the game, each man retiring fourteen batters via the strike out route. A three base hit in the opening round by Deering started the scoring for the Phi Delt. The ability to make their hits good for scores in the second and fifth innings made possible the victory.

## CLOSE COMPETITION IN STOCK JUDGING CONTEST

Annual Event Held Saturday at Farm by Saddle and Sirloin Club.

The annual stock judging contest was held last Saturday at the State Farm under the auspices of the Saddle and Sirloin Club. The contest was one of the most successful held in the history of the school. Over thirty students participated in the event. Ribbons were awarded to the men placing in the four classes of live stock. Three championship cups were given to the men scoring the highest number of points in judging of fat and breeding stock. The cups remain in possession of the winning contestants until next year when the point winners will receive them.

Close scorings resulted in all the classes. Kenneth A. Clark, '22, took first place in judging of cattle and horses and also won fat stock and took individual honor. Harry H. Smith, '20, was winner of the cup for judging of breeding stock.

High men in the various classes are as follows:

- Cattle
- 1. K. A. Clark.
- 2. R. P. Baskian.
- 3. R. Sandstedt.

Nominations for student council candidates will take place in mass meetings which will be held at 11 o'clock this morning.

The final interpretation of the student council constitution necessitates a change from previous announcements made in the Daily Nebraskan. The ten representatives who will be elected from the present sophomore class will be both nominated and elected by the entire department from which they are taken. The ten members are apportioned as follows:

Six sophomore men, one each from the college of agriculture, arts and sciences, engineering, law and pharmacy,—and one from the newly created college of business administration.

Four sophomore women, one each from the colleges of agriculture and arts and sciences, one from the school of fine arts, and one from the teachers' college.

Eight representatives from the present junior class will be nominated by the class at large in the mass meeting today and will be elected by the entire student body.

No limit has been set on the number of candidates who may be nominated, although a suggestion originating at the time the constitution was adopted indicated that in each case there be two candidates nominated for each member to be elected.

### Student Council Constitution

The following Student Council Constitution was adopted by vote of the student body, May 25, 1917:

Article I. The name of this organization shall be the Student Council of the University of Nebraska.

Article II. The purpose of this organization shall be the relating of all extra-curricula activities to one another and to the University as a whole; the creation of such other expressions of student life as shall supplement those already established; the direction of such other matters of student interest as shall be initiated by or referred to the Student Council. The council shall also act as a student court to investigate and make recommendations in such cases of minor discipline as shall be referred to it by the executive dean and the dean of women.

Article III. The council shall be composed of the following representatives:

1. Eleven members apportioned as follows:

a. Six junior men, one each from the college of agriculture, arts and sciences, engineering, law, and pharmacy,—and one from the school of commerce.
