VOL. XVIII. No. 140.

LINCOLN, NEBRASKA, THURSDAY, MAY 1, 1919.

PRICE FIVE CENTS

"MARCH ON OMAHA" CRY UNI STUDENTS

Managers of Annual Excursion
Make Final Arrangements
for Big Trip.

Students Will Wind Up at Fontenelle Hotel After Day of Sightseeing.

Arrangements for the Omaha Educational Excursion, May 2nd, have nearly been completed. Students should register now in the group they wish to accompany, enabling those in charge of the grouping to perfect the system. Students may register all day Thursday at the student activities office. Round-trip tickets are now on sale at the student activities office, and if students purchase them here, this will also facilitate the estimating of the number of students who will make the trip. This estimate should be made by Thursday evening, so that if more than one special train will be necessary to carry the visitors, the railroad company can be notified of this change.

Mr. Arthur Thomas, of the Omaha Bureau of Publicity in the Omaha Commercial Club, will arrive in Lincoln today to put the finishing touches on the trip, in co-operation with university officials. He will remain until Friday morning, when he will board the special train with the students for Nebraska's big city.

Professor O. W. Sjorgren of the farm campus has handed in a new group which he suggests as a group applicable to short course men:

Stock yards and packing houses, in the forenoon.

John Deere Plow Company.
Emerson-Bramingham Company, in the afternoon.

Farmers' Exchange.

Signs for Groups

Signs are being painted for each group so that when students begin to arrive at the station they will know exactly where certain groups are stationed. This will avoid the usual confusion which accompanies the rush for information at the last moment. It will be necessary for students to be at the station at 7:45 a. m. so that the train can leave promptly at the hour scheduled.

At 12:30 p. m. Professor Gramlich will speak at the Stock Exchange, and Walter Blunk will address the students in the Auditorium at 7

MICHIGAN PLANS FOR A INTRAMURAL GOLF MEET

With the game of golf becoming a popular past time for the followers of sport at Michigan, the outlook for a university team this year is favorable. In increasing numbers, the students are participating in the game, while Stokete, one of the Varsity football men, is also an ardent follower of the green.

It is very probable that intramural matches will be arranged before intercollegiate events will be participated in, however, agitation for a university team is expected to start soon.

More definite information on the progress of those men who are out, can be obtained at a later date, according to those in charge.—Michigan Daily.

SENIORS!

Senior Class meeting will be held at 11 o'clock this morning in Law 101. Important business concerning graduation, senior gift, etc., will be discussed. All seniors should be there.

BENGSTON HAS HONOR TO HEAR DEBATE ABROAD

A letter has just been received by Professor Caldwell from Prof. N. A. Bengston, who is a member of the Foreign Trade Commission and is now at Christiania, Norway. He writes: "I had the honor of occupying a seat in the diplomatic gallery at the opening of the Troutal's debate in this building. It was an interesting occasion and much less formal than the opening of the United States congress. I was surprised that they did not have an opening prayer."

"Work is progressing nicely. American business on the boom, but I will be glad to return to the university when the time comes."

PHI BETA KAPPA HOLDS INITIATION AND BANQUET

Forty-one New Members Dine—
Dr. W. T. Elmore Chosen
Honorary Member.

Phi Beta Kappa held its annual initiation and banquet Wednesday evening at the Lincoln Hotel. The following toasts were given: "In the Army," O. V. Stout; "Town and Gown," W. A. Selleck; "Old Times and New," Mrs. A. G. Warner; "Indian Devils," W. T. Elmore.

The following new members were initiated into the society: Georgian Adams, Mary Helen Allensworth, Myrtle D. Berry, Marjory Bodwell, Frances R. Botkin, Marian V. Byram, Geneva Donaldson, Orell W. Freeman, Ellsworth R. Fulk, Eliza E. Gamble, Hazel B. Goggins, Nelda L. Grove, Catharine R. Hainer, George William Hearn, Olive F. Higgins, Augusta M. Kibler, Frederick Dwight Kirsch, Viola L. Kleinke, Lucile B. Lees, Lea Lipsey, Hannah E. McCorkindale, Laura K. McRoberts, Margaret Mortimer, Esther M. Murphy, Robert A. Nesbit, Greta M. Nunemaker, Opal Nuss, Harry J. O'Neill, Winifred Perkins, Emma Pospisil, Pansy Read, Harry H. Reimund, Lila Sands, Zora A. Schaupp, John F. Showalter, Axtel C. Swenson, Bernice W. Tebbets, Marian F. Whitaker, Jay Borland Worely, Josephine B. Zrust and W. T. Elmore.

The election of Dr. W. T. Elmore as an honorary member of Phi Beta Kappa is considered an unusual honor. Recognition was given Dr. Elmore because of his distinguished work in letters. Dr. Elmore was graduated in 1896 and took his Masters' degree the following year. He is, at present, pastor of the First Baptist church of this city.

COPPOCK DRIVE REPORT SHOWS \$2,100 RAISED

The final report of the Grace Coppock campaign was given at the business meeting of the Y. W. C. A. held Wednesday evening at the Woman's Hall. Over \$2,100 has been turned over by the fifteen teams who did the soliciting. About \$1,800 will be given to Miss Coppock for her salary and using among the Chinese women. The remainder of the sum will be applied on Miss Drake's salary in South America.

Mary Waters, the new president presided at the meeting and Ruth Welch lead the devotional exercises. The cabinet and the following officers were installed at the meeting. They are:

President.....Mary Waters
Vice-President.....Ruth Hutton
Secretary.....Jean Landale
Treasurer.....Grace Staff

Stereoptican views of Lake Geneva were shown and Carolyn Reed gave a sketch of the life at the Geneva con-

STATE SCIENTISTS WILL MEET FRIDAY

Twenty-ninth Annual Session to
Be Held at University in
Bessey Hall.

Many Prominent Men Will Speak
—Supper at Woman's
Building.

The Nebraska Academy of Sciences will hold its twenty-ninth annual meeting May 2-3 in Bessey Hall, and although May 2nd has been reserved for the Omaha Educational Excursion, there will be many university professors who will be unable to go to the metropolis. These professors and all university students are invited to be present at all sessions of this conference.

The program for the two days follows:

- Friday, 1 P. M.
1. The Algal Flora of Some of the Sandhill Lakes (15 min.).....Elda R. Walker
 2. Corn Adaption Studies (20 min.).....F. D. Keim
 3. The Development of Cyathus and Crucibulum, a Request for Contributions of Fungi (15 min.).....Leva B. Walker
 4. Stem Rust Control through Barberry Eradication (20 min.).....E. Mead Wilcox
 5. Root Habits of Plants of Prairies, Plains and Sandhills (illustrated 20 min.).....J. E. Weaver
 6. Notes on Nebraska Trees (illustrated, 15 min.).....R. J. Pool
 7. Bacteriology and Pathology of Influenza (20 min.).....H. B. Waite
 8. The Seasons in 1918 from the Standpoint of the Zoologist (15 min.).....Robert H. Wolcott
 9. The Mental Testing for College Entrance (20 min.).....Rufus C. Bentley
 10. Validity of the Intellectual Tests (20 min.).....Chas. Fordyce
 11. The Need of Community Educational and Human Welfare Get-together Clubs (20 min.).....G. W. A. Luckey
 12. Future World War (20 min.).....A. E. Sheldon
 13. Projection Charts (10 min.).....H. G. Deming
 14. The State Academies of Sciences (illustrated, 10 min.).....D. D. Whitney
- 6 P. M.
- Supper and Social Hour at the Woman's Building, 14th and R St.
- 8 P. M., President's Annual Address Recent Progress in the Study of Heredity (illustrated). D. D. Whitney
- 9 P. M.
- Meeting of the executive committee.
- Saturday, 9 A. M.
15. Place Names in Nebraska (20 min.).....Susan Harmon, Peru
- (Continued on Page Four)

CONVOCATION

The Tschalkowsky quartet, Symphony No. 6, Pathetique, in B minor op. 74, will be presented at convocation Thursday morning in the Temple. Edward J. Walt, first violin; Jessie Wilkins, second violin; William T. Quick, viola; Lillian Eliche, cello, will be accompanied on the organ by Mrs. Carrie Raymond. The program follows:

Adagio; Allegro non troppo; Allegro con Grazia; Allegro molto vivace; Finale Adagio lamentoso.

Professor Dann has written the following interpretation:

Sympathy No. 6 ("Pathetique"), in B minor Op. 74, by Peter Iljitsch Tschalkowsky (1840-1893.)

(Continued on Page Four)

FRATERNITIES BEGIN ON THIRD ROUND OF SERIES

The last game of the second round of the interfraternity baseball series will be played between the Alpha Tau Omega and Alpha Theta Chi on the Athletic Field tomorrow, if the weather permits.

Since the schedule was delayed last week on account of the rain, the final stage of elimination will be played off next week. The winners of the Alpha Tau Omega-Alpha Theta Chi game will play the winners of the Kappa Sigma-Sigma Alpha Epsilon, the winner of this round to play the winners of the Sigma Phi Epsilon-Phi Delta Theta game for the championship.

"FRIVOLOUS" NUMBER OF AWGWAN NOW READY

Fourth Issue of University Comic
Magazine Contains Many
Clever Features.

The April number of the Awgwan is ready for subscribers this morning. Those who have their names on the list may call for them at Station A and those who want single copies may buy them there or at the College Book Store or the city news stands.

This is the fourth issue of the university comic monthly and it is devoted to the lighter side of life. It is the "Foolish Frivolous" number and all the follies of the "great" and "Near-great" are brought to light.

An "Impressionistic Painting of Springtime" by Kirsch, managing editor and university artist, properly presents the multitudes of spring fancies and spring follies, from spring hats and bills, April showers and Easter eggs to alarm clocks and notices from the Executive Dean.

"A Phase of Inferno that Dante Forgot," by the Hand Grenade artist of the Daily Nebraskan presents a situation that the most imaginative could hardly have deemed possible. The Spring Fashion foremost "Showing Some American-made Fashions" will no doubt place Awgwan among the leading fashion magazines of the country. The impossibility of "Can it Was" will be recognized immediately even by the most casual reader of the story by that title in this issue of the magazine.

Gayle Vincent Grubb's verses are more versatile and amusing than ever and the editor on his own page has hit several deserving nails on the head.

The fifth number of the Awgwan the "Commencement" number, will be delayed over the summer months and be published next September.

UNIVERSITY AIR MEN PURCHASE NEW PLANE

Lieutenant Brooks Harding and Lieutenant Harold Buhl whose plane was destroyed by fire in its trial flight last Tuesday, left Monday evening for an eastern factory to purchase a five-passenger Curtiss plane. They will send it to Lincoln by express and will set it up ready to fly immediately. They may also purchase a small speed plane, provided they can find the desired model.

The boys were not discouraged by the accident, but immediately began to negotiate with the Curtiss people for a new plane. The model they intend to buy may be used either as an airplane or a hydroplane. The machine to be purchased is much larger than the one destroyed, carrying five passengers instead of two.

The machine has been booked for a number of demonstration flights and it is planned to make the initial flight

HARD SLEDDING FOR ATHLETES EXPECTED

Prospects for Victory in Dual
Meet With Ames Aggies
Not Bright.

Nebraska Runners Confident in
Copping Honors in Short
Distances.

The track team will go to Ames Saturday to participate in the annual dual match, and Coach Stewart feels certain that the Cornhusker squad will be treated to a thorough cleaning. The Ames team is well balanced in all events while Nebraska is strong only in the dashes and short distances.

The relay team should have no trouble in capturing the mile and half mile events while McMahon, Gibbs, Fuchs, Ed. Smith and Bill Bryans are sure to bring home juicy slices of the 220 and 440-yard dashes. More than this can only be hoped for.

Ames is especially strong in the half mile, mile and two mile runs and the Iowans are slated to gather in first and seconds in these events. It is probable that Newman, McGuire, Egan, and Troendly will be entered in these races.

Gerhart may be counted on to win points in the pole vault but he will have strong competition from the Ames aviators. Nebraska will have no entries in the jumps, Morearity, Carson, and Moore, who won these events Saturday, are all freshmen and will have to wait for their chance next year. In short, Ames is expected to annex the field events en-masse. The Iowans are also strong in both hurdle races and Beckord, Flood and Wright will have to do some tall stepping to win out in this end of the meet.

Next Year's Prospects

Coach Stewart and Cornhusker track seers are looking toward the season of 1920 with the expectation of great things. Never before were prospects of a championship team at Nebraska gleam brighter than they do for next season. Gibbs, McMahon and Ed. Smith will be on the scene with more speed than ever. "Ruddy" Fuchs is the only member of the winning four who is running his last season on the varsity.

Added to this year's varsity several old veterans will be back in the game. Glen Graf, "Charley" Werner, "Curly" McMahon, "Mike" Finney, Fred Dale will don Cornhusker spikes again. Furthermore the freshman squad will furnish some championship material in Carson, Deering, Morearity and Munn.

The five veterans mentioned above would form a formidable team in themselves, if they live up to their old form. A glance at their records will show what they have done.

"Charley" Werner

Werner holds the record of being the best all-around track man that Nebraska ever produced. Before joining the army after the close of his first year on the varsity he had accumulated the following records:

| | |
|---------------|-----------------------|
| 100 yard dash |10 seconds |
| 220 yard dash |22 seconds |
| 440 yard dash |50 4-5 seconds |
| High hurdles |16 seconds |
| Broad jump |23 feet |
| High jump |5 ft. 10 1/2 in. |
