The Oklahoma Sooners clash with the University of Texas team tomorrow at Dallas. After the drubbing Oklahoma received last week, the game should prove easy pickings for Texans. John Riddell, of the Husker coaching staff, left yesterday for the Southern metropolis to scout this game. Nebraska mixes with the Sooners at Omaha next week.

**CORRECTS REGISTRATION
 FIGURES**

Due to an error on the part of the compositor, when the complete registration figures given out by the college of business administration in Thursday's Nebraska, the first semester figures for 1919-1920 were stated incorrectly. The correct number of students enrolled in the college is 520, a gain of 320 over the previous year's enrollment. The enrollment for 1918-1919 was approximately 200, not counting those who registered in the S. A. T. C. at the opening of the semester and then dropped out later. In 1918-19 there were fourteen graduates from the school of commerce, before it merged into the college of business administration. The following table shows the growth of the college:

	No. Stud.
1913-1914	40
1914-1915	173
1915-1916	196
1916-1917	275
1917-1918	168
1918-1919	200
1919-1920	520
