President	
Nell Bates	307
Wallace D. Craig	391
Member of Publication Board	
Richard Reese	365

Driver, Lucas, Bowen and Craig will be the class presidents, and Gravengaard will be Ivy Day orator by a vote of 104 to Hellner's 102. The election was the biggest and most exciting that has been held for years.

Students were waiting in line before the polls opened and a long line out in the hall was turned away when the doors closed at five. An excited, noisy crowd thronged the lower hall of So. (Continued on Page Four.)

FAMOUS INDIAN WORKS FEATURE ART EXHIBIT

Pictures by Couse, Henri, True, Ufer and Groll Now Presented at Art Hall.

The Art Exhibition has a great profusion of Indian figures. Four artists of note have contributed pictures of this type. These artists are Irving Couse, Robert Henri, Allen True and Walter Ufer. The work of Irving Couse has been exhibited in Nebraska exhibitions for many years. The characteristic feature of his paintings is the reflection of a certain amount of sentiment. In the present picture he has an Indian posed beside a beautiful blue pool.

A number of the pictures in the present exhibition are quite remarkable because of the lighting effects. The foremost among these is "Over the Harbor" by Child Hassan. This is a picture of a landscape fairly bathed in sunlight. Hassan has the distinction of having painted the most remarkable war pictures produced in America. His paintings of Fifth Avenue decorated with flags have received the unqualified praise of Joseph Pennell, famous etcher.

Another picture remarkable for its lighting effects is "Inclosed Mesa" by Albert Groll. Groll has painted in Arizona and New Mexico and has been peculiarly successful in handling the unusual atmosphere of the Southwest.

Friday evening Professor Grumann will give a lecture in the Art Gallery in connection with the exhibition. Wednesday evening Miss Grant will give a lecture.

MUSICAL PROGRAM AT VESPERS MONDAY

The weekly vespers were held for the first time in several months in the woman's building Tuesday evening. A large number of girls were in attendance. Miss Marin Mote lead in the devotional exercises. The remainder of the meeting was devoted to a musical program. The program:

Vocal solo.....Fern Oman
Vocal solo.....Koly Sirinsky
Vocal solo.....Muriel Allen
Interpretation of "Rock of Ages"
Carolyn Reed, Koly Sirinsky,
Muriel Allen, Ruth and Ruby Swenson.

The program for next week is being formulated and will be announced later in the week.

HUGE TASK LIES BEFORE HOLCOMB

Nebraska Missionary Must Employ Every Means to Suppress Mohammedism in Orient.

Kenneth J. Saunders, Scholar Traveler, Addresses Students at Tuesday Convocation.

At Convocation Tuesday morning at eleven o'clock a tall, dignified man, slightly gray at the temples, with a serious expression on his face and a message with a sincere purpose, stood before the small gathering of students. This man was Kenneth J. Saunders, Oxford scholar and traveller. Mr. Saunders is an Englishman, born in South Africa and educated at Cambridge, where he received his M. A. degree and where he held university prizes and scholarships. He is an authority on the subject of Buddhism, and he is in the city working in the interest of the Holcombe campaign which was launched at the university Tuesday. This campaign expects to raise \$1,500 for the support of C. Steele Holcombe, who is in Y. M. C. A. work in Cairo, Egypt.

Mr. Saunders emphasized the need of leaders. "Men are not leaders because they are not leaders." (Continued on Page Four.)

PLAN MEETING OF PRESS ASSOCIATION

Journalists to Gather February 26 for Three-Day Session on City Campus.

University authorities are making detailed plans for the mid-winter meeting of the Nebraska State Press association which will gather on the 26th for a three-day session on the city campus. O. O. Buck of Harvard is expected to arrive in Lincoln Friday morning, February 13th to confer with Chancellor Avery and Dean P. M. Buck.

The first meeting of the association will probably be the university convocation, Thursday morning, February 26th, when the chief speaker will be Governor Allen of Kansas. Thursday afternoon the visiting newspaper men will be conducted on a tour of the city and the farm campus. Automobiles will be provided for the convenience. (Continued on Page Four.)

NOTICE

Any one interested in work on the business staff of the Daily Nebraskan is requested to report at the Student Activities' Office on Thursday, February 19th at 11 o'clock.

800 STUDENTS ENROLLED IN THE SCHOOL OF MUSIC

The University School of Music has a record enrollment of over eight hundred students for the third term, which commenced February 9. On account of the increased demand for practice rooms, it has been necessary to add an annex to the conservatory. This addition is located on Eleventh street, between Q and R streets. The use of this new structure will relieve the crowded conditions which are apparent at this time, for a while at least.

REGENTS DISCUSS VITAL QUESTIONS

At Meeting Tuesday Board Accepts Luehring as Physical Director.

SALARIES NOT SETTLED

The Board of Regents met in the Chancellor's office, Tuesday, at eleven o'clock. All members were present with the exception of Regent Judson, who was unable to attend on account of illness.

The following resignations were accepted: R. C. Bentley, professor of Philosophy of Education; Shirley D. Babbitt, instructor in English; Elizabeth Chamberlain Riner, instructor in Home Economics; Albert Babbitt, assistant professor of mathematics; W. A. Rockle, associate professor of Geography and Conservation.

New appointments were approved as follows: Agricultural Extension; Carl W. Jones, assistant leader boys' and girls' club work; Henry J. Kleihege, agent Custer county; John L. Gilmore, agent Phelps county; Stella Mather, Home Demonstration leader and Ancient Languages; Helen Lewis and Elizabeth Burritt, assistants; College of Medicine, John C. Lyman, assistant. (Continued on Page Four.)

\$325 PLEDGED TO DRIVE AT LUNCHEON YESTERDAY

At a luncheon of the workers who are laboring in behalf of the Steele Holcombe Drive, Tuesday noon, at which Kenneth J. Saunders spoke, over one-fifth of the goal of \$1,500 was subscribed by those present. Nearly \$325 was voted to be pledged by the banqueters. This amount represents an average of over \$5.00 per man.

Short talks were made by Division Leaders Paul Cook and James Wilson. Lawrence Slater had charge of the pledging.

MISS HEPNER LEAVES TODAY FOR CLEVELAND

Miss Amanda Heppner, dean of women, leaves Wednesday afternoon for Cleveland, Ohio, to attend a conference of the deans of women. While gone she will visit Ann Harbor and Columbia universities, the University at Champaign-Urbana, and the Ames Agricultural College. She will confer with the deans of women at these colleges and will spend a few days in Chicago. She expects to be gone about two weeks.

INTER-FRATERNITY ENTRIES

All fraternities that are entered in the inter-fraternity basketball tournament must have a list of their players filed with Art Bush, chairman of the inter-fraternity eligibility committee, not later than noon on Friday of this week. Bush may be located at the Alpha Tau Omega house. This is very important and each fraternity is urgently requested to comply as soon as possible.

All names of players that have already been given to Farley Young, secretary, as requested, have been transferred to the eligibility committee.

DID YOU KNOW THAT--

Has any student ever longed and yearned for a sight of that home paper that his mother is always going to send back with his laundry and never does? And some one writes him from home and says something like this, "Well, I suppose you have read in the paper all about Mary Ann so I won't repeat it, but wasn't it simply terrible?" And then he gnashes his teeth and pays his respects to the friend and afterwards lies awake all night trying to think what has happened to Mary. Or he hears from another friend at home words to this effect, "I wonder what Jack will do now since all that happened to him." (Continued on Page Four.)

PHI ALPHA TAU HELD MEETING ON TUESDAY

Phi Alpha Tau, national professional public speaking fraternity held a meeting Tuesday evening in the Phi Delta Theta house, at which fifteen members were present. Clarence L. Clark, national treasurer of the organization, gave a short, interesting talk.

Phi Alpha Tau has not been active at Nebraska for two years, on account of the interruption and unsettled conditions caused by the war, and because of the many men in the service. The fraternity was revived the first of this year.

The public speaking fraternity was established at this school in 1906, and was the original founder of University Week. All men students in the university dramatic department, and those versed in public speaking, were eligible for membership.

ST. PATRICK TO CHOOSE OFFICERS

Engineers Will Elect Representatives of Patron Saint February 20.

Many Colleges Are Taking Up Movement to Honor Birthday of Early Founder.

The committee which will have charge of the knighting of all senior engineers into the Knighthood of St. Patrick at the dance given in St. Pat's honor on March 20, has announced that an election will take place Friday, February 20, to select the men for the following offices:

1. The Representative of St. Patrick.
2. The Bearer of St. Patrick's Bator.
3. The Beaver of the Blarney Stone.
4. Two Honorary Guards.

At colleges where St. Patrick's day has hitherto been celebrated, the honor of being the representative of (Continued on Page Four.)

ENGINEERS TRY OUT NEW RADIO AERIALS

Juniors in Electrical Department Invent New Model of Recent Invention for Experiments.

A new type of radio aerial is being tried out at the electrical engineering laboratory with considerable success. The machine which is a model of a comparatively recent invention was constructed by H. O. Peterson and Allan Weaver, juniors in the electrical engineering department. It is ten feet square and has a lopp of twenty-five turns of wire mounted on a large wooden frame. The older type of aerial was equipped with long antennae which were used as a condenser plate.

In this later type the coil may be much smaller in extent than the old antennae and need not be placed on the top of a building or on masts. It is much more convenient, and by mounting it so that it can be swung into different positions, can be used (Continued on Page Four.)

PLATTSMOUTH STUDENTS ORGANIZE NEW CLUB

Students in the university from Plattsmouth have recently organized a town club by that name, meeting once a month. The club is of a social nature and at present is meeting at the homes of its members. The next meeting will be held on the first Friday in March. The officers are expecting to hold meetings of the club in Plattsmouth during the spring and summer vacations.

The members of this club are: Robert Kroehler, president; Raymond Cook, vice president; Ralph Holmes, Merle Rainey, Goldye Kaffenberger, Gladys Kaffenberger, Mina Kaffenberger, Ola Kaffenberger, Mary Rosencrans, Elva Hartford, Eleanor Burnie, Leone Becker, Una Crook, Catherine Schrack, Everett Spangler, Roscoe Hill, Russell Perry, Virgil Perry, Ethel Babbitt, Farly Babbitt, Opal Cole, Byron Arles, Wallace Hunter, Myrtle Beverage and Jessie Robertson.

HUSKER STARS OUT OF GAME

Captain Schellenberg, Patty and Bekins Laid Up With Injuries.

CATHOLICS COMING FRIDAY

With three veterans out of the game, the Cornhusker basketball camp is pervaded with deepest gloom. Captain Schellenberg, Jesse Patty, and Melvin Bekins are the three stars whose services are lost to the Husker team at present. Whether or not these men will be able to participate in the games with the Notre Dame five this week, is still very doubtful. Schellenberg's sickness is such that he is confined to his bed and there is little chance that he will be able to attend practice any time this week.

Jesse Patty, who played so brilliantly in the games with the Michigan Aggies, suffered a wrenched knee in the second Aggie game and it still unable to make much headway with the injured member. Bekins has a severely injured toe which prevents any participation in the court game at present. Both Patty and Bekins were on hand for practice yesterday but neither was able to participate. It is believed that Patty will appear in the lineup against Notre Dame, although it is doubtful.

The Huskers are slated for two hard battles this week with the Irishmen and the loss of these regulars will greatly lessen their chances of winning. The Catholics have recently defeated the Michigan Aggies and the fast Wabash college five. Coach Dorais' outfit is all ready laying claim to the western championship and is confident of grabbing a pair of games from the Cornhuskers. The Huskers, however, have very unpleasant memories of the meeting between Notre Dame and Nebraska on the gridiron last fall and are determined to be revenged on the South Benders.

Although it was previously announced that one of the games with the Irish would be played in the city auditorium, these plans have been changed and both games will be staged in the armory. The use of this small floor will no doubt give a decided advantage to the Catholics as they are reputed to be a squad of big, six-foot huskies. At any rate, Coach Schissler's proteges are in for the toughest games of their lives.

"AGS" ARE GUESTS OF OMAHA STOCK EXCHANGE

300 Students at State Farm Inspect Yards in Metropolis Tuesday

The annual trip of the school of agriculture, including those registered for the short course, was made Tuesday when about three hundred students, accompanied by Principal H. E. Bradford, and professors in the animal husbandry department went to Omaha as guests of the South Side Live Stock Exchange.

Upon their arrival at the yards at 9:40, the morning was spent in inspecting the pens and packing houses. From two until five p. m. a meat cutting demonstration was witnessed in the lobby of the Exchange building. A six course dinner was served, after which Bruce McCulloch, editor of the Journal stockman, acted as toastmaster and introduced the following speakers: Will H. Wood, president of the Omaha Live Stock Exchange; Dean Burnett of the College of Agriculture; Professor H. J. Gramlich, of the department of Animal Husbandry; W. B. Tagg, of Tagg Bros. Commission firm; and H. E. Bradford, principal of the School of Agriculture. The speakers gave interesting talks which were appreciated by all.

The trip to South Omaha is an annual event and is sponsored by the department of Animal Husbandry. The purpose of these visits is to allow the students to see how live stock is handled after it reaches its final destination. The College of Agriculture will make its visit about May 7, according to present plans.
