## TRACK ARTISTS WORKING HARD

Schulte Installs Honor Roll for Three Men Making Best Weekly Records in Any Event.

### NEBRASKA APPEALS FOR ATHLETES

The track season is rapidly advancing and men are training every day on the University field, getting ready for the first meet. Coach Schulte has installed an Honor Roll among the candidates for track. The three men making the best records in any event will be placed on the Honor Roll for the week. The purpose of the Honor Roll is to keep a record of each candidate and the progress each man makes from week to week. Nebraska has been exchanging Honor Rolls with the University of Missouri and at the last reports Missouri had the advantage.

The Honor Roll for the week ending February 21, lists the following men: 50 yd. dash—Gibbs, 5-3. 70 yd. dash—Deering, 7-3. 440 yd. run—Thompson, 61-3. 440 yd. run—Dorn, 62-2. 440 yd. run—Weller, 63-3. 660 yd. run—McMahon, 1.34-2. 660 yd. run—Dorn, 1.34-3. (Continued on Page Four.)

## MUCH INTEREST SHOWN IN INTER-FRAT GAMES

Four more inter-Greek games were played yesterday on the Armory floor and the winners were eta Theta Pi, Phi Delta Theta, Sigma Alpha Epsilon and Delta Upsilon. A good brand of basketball was noticeable in all of these contests and fraternity fighting spirit was evident at all times.

Beta Theta Pi and Sigma Chi put up a clean exhibition of the court game, the former winning 14-8. The work of Brooke and Kauff, Beta forwards was especially deserving of commendation while Gebert and Byrne were the stand-bys of the Sig Chi team.

Phi Delta Theta had little trouble in trouncing the Bushnell Guild five, the final score being 21-6. Spain and Hartley skillfully eluded the B. G. guards at all times. Hartley hit the hoop for five counters and Spain for three. Koehler registered five points for the Phi Deltas. The Bushnell Guilds were able to gather only three field goals. Nelson was responsible for two of these and the other is credited to Redelf. The Phi Delta quintet took the lead at the start and the result was never in doubt.

The closest game of the day was the Sig Alpha-Sigma Nu contest in which the Sig Alphas were victorious by a 15-11 count. The game was nip and tuck throughout. At the end of the first half the Sigma Nu five was leading 4-2. The Sig Alphas rallied in the second period, however, and goals by Swanson and Weller clinched the game. Dobish, Schoepel and Modlin put up the best exhibition for the Sigma Nu team.

Delta Upsilon met Alpha Tau Omega in the final game of the evening and the former was victorious. (Continued on Page Four.)

## HONORARY FRATERNITY TO BE INSTALLED SOON

A new honorary fraternity will soon install a chapter at Nebraska, whose membership will be based on salesmanship. Fifty other colleges and universities in the United States have similar chapters. Business men are helping in the organization of this fraternity, especially those employing college men during summer vacation. The fraternity aims to honor those who have shown exceptional salesmanship ability in actual practice.

Besides qualifications like those of other Greek letter honorary fraternities, candidates for membership must have earned at least \$1000.00 during one summer vacation. At least ten men at Nebraska are eligible as charter members. Most of them have made this amount while engaged as canvassers for publishing companies.

## DORMITORIES WOULD INCREASE ENROLLMENT

There is a very apparent need for housing facilities for the university students. Professor Alexander states that within a very few years the enrollment of the university would increase to 10,000, if proper dormitories would be built.

He suggested to the city planning committee of the Lincoln Commercial Club that they advocate the district between the university and the Missouri Pacific railroad be set aside for the erection of the dormitories.

## FUNDS GROWING FOR DR. WOLFE MEMORIAL

Alumni are Sending in Large Gifts to Endowment Fund Launched by Palladian Society.

One of the marks that the University of Nebraska is "growing up" may be evidenced in that a \$10,000 memorial endowment effort has been launched by the Palladian Society to celebrate its fifty years of existence, and chiefly intended to honor the memory of one of the early alumni of the society and a man who was long connected with the faculty—Dr. Harry Kirk Wolfe. Endowments are something that come to every well equipped institution of higher learning in the course of time.

Prof. H. W. Caldwell and T. F. A. Williams, who are gathering the funds report that the sum is growing but less briskly than would have been possible if the times were less demanding. Gifts of one hundred dollars each have come from these: Dr. B. B. Davis, '82, a surgeon of Omaha; Edmund D. Howe, '87, a farmer of Table Rock; T. F. A. Williams, '92, a lawyer of Lincoln; C. W. Skiles, '92, of the same address and profession. Paul Babson, a business man of Chicago, has also given a liberal contribution. Other donors are: Annette E. Lock, '97; Harold R. Campbell, '16; Anna M. Treat, Albert E. Harriman, '18; Mary Rokahr, Charles R. Welden, '95; Mabeth Beach '17, Wymore; John N. Dryden, Mrs. M. B. Field, Arthur Russell Moore, '04, New Brunswick, N. J.; L. J. Skinner, '14; H. C. Filley, H. J. Stockman, '16, University of Chicago; A. E. Sheldon, Mary Tremaine, D. P. De Young, Montclair, N. J.

The alumni secretary is a believer in alumni endowments and is doing much to help on the Wolfe memorial. She reports from her recent trip to Chicago that the U. of N. alumni there are pressing the matter and intend to do something substantial for the fund. (Continued on Page Four.)

## NEWS OF THE DAY

Boiled Down for Busy Readers

Washington, Febr. 24.—In spite of the foreign exchange situation, United States continues to show a favorable balance. Imports and exports showed a decided increase in the month of January. Figures show \$257,000,000 more exports than imports.

Washington, Febr. 24.—A new angle brought about by the passage of the Esch-Cummins bill threatens a break in the ranks of the rail union. There is a possibility of Wilson's proposal being respected.

Lincoln, Febr. 24.—The Constitution Convention decides it cannot set aside a provision of the present constitution allowing women to vote on the constitution. This kills the Spillman proposal which would have permitted women to vote on it.

Amsterdam, Febr. 24.—The majority of the Red army are supporters of the old czar principles. Only about twenty per cent of the army are believers in actual bolshevist principles. The officers and men of the remaining eighty per cent are either neutral or have "Czarist" inclinations.

Lincoln, Febr. 24.—General Lechard Wood states that the burden of the war debt should be spread out and not made so hard on the public. He also favors freeing burden of profits tax.

## ANNUAL DEPICTS SPECIAL PHASES OF SCHOOL LIFE

Military, Dramatic and Tradition Sections in Hands of Specialists.

The second main division of the "1920 Reconstruction Annual" includes the class activities of the college year, with three subdivisions—Military, Dramatics and Traditions.

The military section of the Cornhusker is under the supervision of Colonel Harley of the University R. O. T. C. The military section will contain group pictures of the eight hundred students taking drill, the cadet officers, sponsors, and many pages of snap shots depicting the work and duties of the R. O. T. C. unit. Through the courtesy of the International Film Service Corporation, the Cornhusker will portray the review of General Wood and the visit of General Pershing to the university, with a series of action pictures.

A new and original idea has been worked out in co-operation with Major Morrison, which will add greatly toward making the military section one of the most interesting sections (Continued on Page Four.)

## FACULTY TO FURNISH SUITE

Plans for improving the faculty club rooms in the Temple are under way. A committee has been authorized by Chancellor Avery consisting of Professors Fossier, Chatburn, Cochran, Reed, Foster, Virtue and Alexander, to secure furnishings for the rooms. The committee will hold the first meeting Thursday at eleven o'clock in the club rooms.

The club rooms consist of a suite of two rooms in the northwest corner of the basement of the Temple. At present these rooms are unfurnished. The committee plans on providing carpets, furniture and pictures and game tables. The improvements will be financed thru private enterprise. Contributions of pictures from the faculty will be acceptable. An attempt will be made to have the rooms fully furnished by spring.

## GALLERY TALKS PLEASE ART EXHIBIT VISITORS

The excellent gallery talks in connection with the Nebraska Art Association exhibits are still continuing. Professor Dann will give a talk Wednesday evening at eight o'clock. Miss Moore will give a gallery talk at four o'clock Wednesday afternoon.

On Friday evening there will be a reception to the members of the Press Association and the faculty with their wives. The reception will be informal. Punch will be served in the china room.

## WRESTLERS DEFEAT OMAHA MAT ARTIST

Y. M. C. A. Men Fail to Win a Fall Over University Grapplers in Monday Night Meet.

The University wrestling team returned Tuesday morning from Omaha, where they succeeded in winning the meet Monday evening from the Omaha Y. M. C. A. by the score of 28 to 12. The team was composed of Capt. Troendly, Salter, Long, Sandstedt, Pickwell and Hoyt.

The matches of three bouts of seven minutes each were as follows:

125 lb.—Troendly vs. Robinson, two falls by Troendly in 10 sec. and 2 min. 15 sec. resp.

135 lb.—Salter vs. Morocco first and third bouts, falls by Salter in 4 min. 30 sec. and 4 min. 5 sec. and the second bout a tie.

145 lb.—Long vs. King, one fall in 5 min. 59 sec. and King forfeited on the second bout.

158 lb.—Sandstedt vs. Zobe. The first and second bouts resulted in a tie and the third bout was given to Zobe on decision.

175 lb.—Pickwell vs. Nordstrom. The first and second bouts and the match went to Nordstrom by decision.

Heavy weight—Hoyt vs. Hasson, won by Hoyt in two straight falls in 1 min. 30 sec. and 1 min. 59 sec. respectively.

It will be noticed that all the matches won by Nebraska were won on falls and not a single fall was recorded against the Nebraska team. Nordstrom and Zobe, the two Omaha men who won their matches by decision (Continued on Page Four.)

## HUSKERS SWAMP MAROON TEAM

Morningside Players Hopelessly Outclassed by Speedy Floor Work of Ponies.

### HUSKERS MAKE 44 POINTS TO MAROONS 12

Nebraska won her sixteenth game of the season here tonight, literally swamping Morningside College by a score of 44 to 12. The Maroons who last week played Drake to a stand still here were bewildered by the floor work of the "Huskies" and from the moment Bekins tapped in the opening goal until the end of the game the result was never in doubt. Coach Schissler used his entire string of players starting substitutes early in the second period.

Just before the opening whistle word was received from Nebraska that center "String" Jungmeyer was ineligible and will not be permitted to compete in any games on the "Husker" team. The teams play tomorrow afternoon.

The score:  
Nebraska— G FG FPTS  
Patty, f ..... 3 0 0 6  
Smith, f ..... 1 0 1 2  
Bekins, c ..... 5 3 1 13  
(Continued on Page Four.)

## WOODS REPORTS EAST STRONG FOR PERSHING

The prospects for the nomination for the presidency of a University of Nebraska graduate on the republican ticket, was brightened recently, with the return of Mark W. Woods, chairman of the "Pershing for President Organization," from a trip to the East. Mr. Woods brought back to Lincoln very optimistic reports on the progress of the Pershing campaign, and stated that the East was quickly becoming reconciled to the idea of "drafting" a candidate for the presidency, which was at first flush an objectionable feature of the Pershing campaign, in the opinion of the people of that country.

"The Nebraska entry is at present, however, receiving very respectful consideration from the Easterners," said Mr. Wood, "and they will be found in the Pershing ranks eventually."

"Already a number of the Eastern states are assuredly for Pershing for first choice at the national convention, and he has more second choice delegates to support his candidacy than all of the other candidates combined. That is saying a great deal, considering the political significance of his situation, for the second choice delegates are almost certain to be the ones who will govern the convention and decide the nomination for the republican party."

University of Nebraska alumni according to a statement issued at the Pershing headquarters, here, are playing a very prominent part both locally and in other states in promoting Pershing's candidacy. Alumni Pershing clubs are to be found in practically every large city in the United States where Nebraskans have taken up residence."

## MEN CHOSEN TO PILOT EDITORS OVER CAMPUS

The following men have been selected to pilot the visiting editors over the campus Thursday on their inspection tour of the University of Nebraska:

Jack Austin	W. G. Gish
C. E. Clark	Jack Landale
Charles Clayton	George Maguire
Leonard Cowley	Byron J. McMahon
Bryce Crawford	W. B. Miller
John Fike	H. S. Peterson
Story Harding	J. F. Thaden
Charles Farnham	E. J. Yates
J. F. Folsom	Lee Yochum
E. T. Gardner	Chester Krause
	R. E. Fortna

These men are requested to meet Wednesday afternoon at five o'clock in Law 101 with Professor Scott. Le Ross Hammond is the student-director of the campus tour.

Grace Coppock

## Coppock Campaign Goal Is \$1,900

Grace Coppock, general Y. W. C. A. secretary in China, supported by the University of Nebraska Y. W. C. A., will be here next week, the time set aside to raise nineteen hundred dollars for her support next year. Here are some snatches of information about her.

She was graduated from the University of Nebraska in 1905. She went to China thirteen years ago.

She learned the Chinese language in less time than any other missionary to China.

Miss Ella D. MacLaurin, associate executive of the foreign department of the Y. W. C. A., told a group of university girls last fall that a commission of prominent people sent to China said of Miss Coppock: "For statesmanship and ability we have never met anyone like her."
