First Listen to the Young Fellow Above:

"I'm no **poseur**, but I really look like this picture. I am just a straight-standing chap—like you. Get inside this snappy suit, change my face to yours—**pronto!**—you're looking at yourself. It's the **clothes**, fellows—they're all to the merry. Choose a **Kuppenheimer**—if there's any left."

Then Listen to Us:

Examine our assortment of Spring suits, while it's **fully** representative and—intact. Every day's selling now will make inroads into our new showing of the famous **Kuppenheimer Clothes**. The very garment you prefer, here today—may be gone tomorrow. The new models are beautiful—you'll say so as you look them over—**today!**
