TRACK MEN FACE STIFF SCHEDULE

Schulte Issues Urgent Call for More Cinder Artists—Future is at Stake.

TOO MANY LOUNGE LIZARDS

Nebraska has one of the stiffest track schedules of her history to face this spring and in order to keep in the spotlight of the sport world, she must develop a first class team.

"It's never too late to get out for track," says Coach Schulte. "If you are late in getting under way this spring, start anyway; there is a future to be met."

Competition is the big word in making any organization a success. A real sprinter will go a notch faster if there is a man just behind him stepping on his heels. A distance man will go farther and faster if there are men staying with him to push him on, and a good jumper will leap his limit if there is some one to force him. Every man on the campus with a pair of able legs should get out in his spare time and offer the best he has in him, not only to earn his letter, but to compete with and encourage the Varsity on, and to put Nebraska at the top this spring.

No Varsity man is out for the high jump and there should be at least five Varsity and five Freshmen out, according to Schulte. There is an urgent demand for a real broad jumper. All it takes is a little spring, and an earnest desire to work, and enough brains to understand the Coach. At least six more vaulters should be out and there is need for some good material for real sprinters. There are no Freshmen registered for the hurdles and this makes the future look gloomy. Freshmen are urged to wake up and help pay their debt to the school by getting out and leaping over the paddles with a little pep. Men are needed for the distances, especially Freshmen. Distance runners can be made and there is a good opening for any track man to become a star.

Coach Schulte prefers working with the man who is a scrub and admits it, rather than the man who is a scrub and thinks he is a star. The Coach is taking a keen interest in the Freshmen and there is no reason for not developing a premier outfit, if the men will turn out and work. Schulte believes that the Freshmen are falling down on their job. Too many men are merely satisfied with gazing on the laurels of the past. The man who puts the most into it is the man who gets the most out of it and there should be at least 250 to 300 men working out every day. Husker lounge lizards must warm up the cinder paths because the sofas won't put Nebraska on the sport map!

W. A. A. DELEGATES TELL OF MISSOURI MEETINGS

Nebraska Representatives Win in Impromptu Track Meet Staged at Columbia.

At a meeting of the Women's Athletic Association held Thursday evening in Woman's Hall, the Nebraska delegates gave reports of the Sectional Convention of the American Conference of Athletic College Women, which was held at Columbia, Missouri, March 18-20.

Nebraska's official delegates were: Marjorie Barstow, '21; Irene Springer, '20; Margaret Henderson, '22; and Margaret Ulry, '23. Others attending from here were Miss Clarke, of the Department of Physical Education; Mary Stephens and Sue Stille.

Changes in the constitution relating to a uniform point system, and the transferring of points, were discussed at the Conference. Several athletic events, including an impromptu track meet, in which Nebraska was the winner, were held. It was decided that the next Conference should be held in Boulder, Colorado, in 1923. The National Conference will be held next year in Indiana.

HUSKER WRESTLERS WILL TRY FOR WESTERN HONORS

The University wrestling team will enter the Inter-Collegiate Gymnastic Wrestling and Fencing Association Match to be held at the University of Illinois, April 9 and 10.

This meet will decide the Western championship in wrestling. Dr. Clapp will go to Iowa State College at Ames to referee the Ames-University of Pennsylvania wrestling meet Friday afternoon.

SIGMA NU CHAMPS IN BOWLING MEET

Noses Out Acacia Quintet by Eight Maples in Inter-Greek Finals.

Sigma Nu nosed out Acacia by eight maples and nipped the bunting in the Inter-Fraternity Bowling Tourney which terminated yesterday afternoon.

In the first contest, Sigma Nu had things their own way and romped away with the big end of a 791 to 742 score. Acacia came back in the second battle and nosed their opponents out by nine pins. Acacia slipped a thirty-pin win over on their rivals in the last contest but it was not sufficient to overcome the big lead the Sigma Nu's had chalked up in the opening battle. Overman for Acacia was high pin man of the afternoon, turning in a 520 score, while Pollock ran up a 497 for high honors for the Sigma Nu's. The rooting of the supporters was a feature and each team was urged on as though they were battling a man to man pugilistic struggle.

This game marks the closing of the most successful bowling season Nebraska has ever seen. It looks as though bowling will be one of the main events for Inter-Greek contests in the future and if the fire and pep put into the tourney this year is evident next season, it will take its place along side inter-frat basketball and track. As a result of today's contests Sigma Nu will be awarded a skin similar to those awarded for the other first place winners.

Following is the lineup and summary:

| | Sigma Nu | | | |
|------------|----------|-----|-----|------|
| Taylor | 149 | 155 | 136 | 440 |
| Dinsmore | 149 | 131 | 148 | 428 |
| Rodwell | 150 | 160 | 154 | 474 |
| Pollock | 184 | 191 | 122 | 497 |
| Bowen | 159 | 125 | 122 | 406 |
| Totals | 791 | 762 | 684 | 2235 |
| | Acacia | | | |
| Gary | 133 | 172 | 160 | 465 |
| Power | 155 | 140 | 146 | 441 |
| Chadderton | 133 | 153 | 145 | 431 |
| Foe | 144 | — | 99 | 370 |
| Overman | 177 | 179 | 164 | 520 |
| Totals | 742 | 771 | 714 | 2227 |

OMICRON NU ENTERTAINS "HOME EC'S" SATURDAY

Omicron Nu entertained the girls of the Home Economics Department Saturday afternoon at Woman's Hall. The decorations were in pink and lavender, the colors of the organization. Music for dancing was furnished by the Alpha Omicron Pi orchestra. There was an interesting program, consisting of readings by Helena Allen; vocal solo by Alice High; a dance by little Marjorie Corrington; and a talk by Miss Margaret Fedde, of the Home Economics Department.

Hobart Bancroft was chosen chairman of the Program Committee; Ned Fisher of the Music Committee; Don McLaren of the Social Committee; Genevieve Freeman and Randolph Majors of the Hall Committee, and Clyde Wilcox was appointed organization reporter.

"AG" COLLEGE MEETING
"Ag" College Mass Meeting tonight at Agricultural Hall, Room 306, at 7:30 p. m. All men out to boost the Farmers' Fair.

TROENDLY TO MEET EXPERT WRESTLERS

Husker Captain to Tangle with Nation's Best Mat Artists Next Week.

HAS NEVER LOST A FALL

Captain H. P. Troendly of the Nebraska wrestling team leaves this evening for Birmingham, Alabama, where he will enter the National Amateur Athletic Association meet to be held at that place April 5-6.

This is a nation-wide meet of amateur athletes of colleges, universities, technical schools, academies and other institutions where sports are sponsored for amateurs. The East, the West, the North and the South will be represented by their respective teams and special sportsmen.

Captain Troendly is one of the cleverest grapplers in amateur circles of the 135-pound class, to be found in the West, if not in the entire country. During his three years at the mat game he has never lost a fall and has only been defeated once by a decision and that by a close margin. He has headed the Husker mat aggregation for the past two years.

GIRLS' BASEBALL BEGINS AFTER SPRING VACATION

Girls' baseball practices will begin immediately following spring vacation. The finals in the Inter-Class Baseball Tournament are scheduled for the day of the track meet which will be held about the middle of May. As all the preliminary baseball games must be played off before that time, it is imperative that aspirants for teams get in ten practices before the first of May. A poster will be placed on the W. A. A. bulletin board April 7, on which the girls should sign up for the hours they can play. Practices will be held Monday at 10:30 and 2:30; Tuesday at 9:00, 10:30 and 1:00; Wednesday at 2:00; Thursday at 9:00, 10:30, 1:00 and 2:30 and Friday at 10:30, 1:00 and 2:30. One practice each half-day counts as one of the ten required practices. Marjorie Haycock is baseball sports leader.

NEWS OF THE DAY

Bolled Down for Busy Readers

London, March 29.—The second reading of the home rule bill was read in the house of commons today by Lau McPherson. He stated that according to recent events an undivided Ireland can never exist. Former Premier Asquith, with the labor party are offering opposition.

Washington, March 29.—Senator Borah wired General Leonard Wood today warning him against the expenditure of large sums of money in an effort to become Republican presidential candidate. He states it will ruin his good name, his party and his country.

Washington, March 29.—The dry amendment is again being attacked in courts. Some cases involve questions already argued before the courts. The New Jersey attorney-general brings up some novel questions concerning states rights.

Paris, March 29.—Germany has sent troops into the Ruhr district without permit from Allies. The federal and communist troops are the opposing factions. Drastic measures are proposed by the Allies.

Grand Island, March 29.—Heavy sleet and wind paralyzed communications in parts of Nebraska. Several miles of telephone and telegraph wires are down with several thousand poles blown to the ground. West of Grand Island all wire communications were desperately crippled and in an entangled condition.

Forty-four members of the Class of 1920, eleven of them men, were awarded membership in Phi Beta Kappa, honorary scholarship fraternity, at the annual exercises held in Memorial Hall following the presentation of "Faust" this morning. The list represents approximately one-sixth of the Senior Class.

The honors were awarded at a meeting of the organization held Monday evening. The highest average this year was 97.1 per cent, with a remarkable gain over 93.6 per cent of last year, and 93.4 per cent of 1918. One-tenth of the Class attained an average of over 90 per cent. The lowest grade received was 87.5 per cent.

The percentage of men elected this year shows an increase of four over last year's election, when seven were chosen from a total of thirty-nine Seniors. In 1918 only four men were chosen.

The graduate students and faculty who are directly connected with the University make up the active chapter of Phi Beta Kappa. Seniors are elected to membership through their scholastic record. Students must have sixty-four hours in the Arts and Science College eligible for grading, and must have completed the required courses in that college. The Nebraska chapter was instituted at the University in 1896.

"Faust" Presented by Chorus

Before the announcement of the awards, the University Chorus, assisted by an orchestra accompaniment, gave selections from Gounod's "Faust." The familiar selections from this famous opera were beautifully interpreted by the large chorus under the direction of Mrs. Carrie B. Raymond. Miss Nellie J. Compton, corresponding secretary of the scholarship fraternity, read the list of names immediately after the musical numbers.

The hall was crowded to the doors and vigorous applause marked the reading of each name.

Phi Beta Kappa Officers

Dr. H. B. Alexander is president of the fraternity, and Miss Annis Chaikin, vice-president. Prof. L. C. Wimberly is recording secretary. The corresponding secretary is Miss Nellie Jane Compton, and the treasurer, Miss Adelaide Reynolds.

KAPPA DELTA PHI ENDS PROBATION IN NOVEL WAY

An automobile picnic followed by ice cream at the State Farm, for the children of the Home for Dependent Children, was a most original and refreshing way for the pledges of Kappa Delta Phi to end their probation week. This radical change from ordinary University initiations took place Sunday evening when about thirty children were entertained by the fraternity candidates.

DONATIONS TO FRENCH GIFT DRIVE TOTAL \$132

The French War Memorial Fund Campaign has been comparatively successful here but not as successful as it should have been in a university of this size. Late Saturday night the count was \$131.64 not including the Farm campus, Beesey Building, or Teachers' College. Altogether 2,068 had contributed.

Professor Conklin very much desires to have as many coins contributed as there are people on the campus. Everyone who can do so is asked to make a contribution of at least a penny. The boxes are still in the halls and all students still have an opportunity to contribute to this worthy cause. The largest contribution was from the Temple Building.

ALL FRESHMAN DIAMOND ASPIRANTS MEET TODAY

First-Year Baseball "Hopes" Will Discuss Future Work of Team.

The Freshman baseball aspirants will meet in the locker-room of the gymnasium at three o'clock this afternoon to discuss the future work of the team. John Riddell, former Nebraska baseball letter man, will coach the first-year squad. Practice will start immediately after spring vacation and the daily work-outs will be held at Cushman park. Freshmen who are unable to attend the meeting this afternoon are asked to bring their uniforms from home on their return from vacation.

College games will be provided for the first-year team and also Varsity-Freshman games will be played from time to time. All men who have had any experience in baseball are asked to come out for practice. It is important that every available man attend the meeting this afternoon, as directions and plans for the spring work will be given out at that time.

The U. of N. Alumni of Washington, D. C., are again active after war time dis-organization.
