NEBRASKA SLOW IN DRAKE RELAY

Fails to Make Showing in Track Event—Leaves for East Wednesday.

McMAHON NOT IN RACE

From Nebraska's viewpoint the showing of the Husker team at the Drake relays Saturday afternoon was very encouraging. The Cornhuskers' mile relay team ran the distance within 3-5 of a second as fast as it did last year but its opponents used a little better judgment and stepped it off faster at the finish.

In the mile event Gibbs lead off for Nebraska and finished one yard to the good of the field, time 52.1. Wright went out ahead, over ran himself but fought to the limit and came in fighting as hard as any foot ball hero has ever been known to do, time 53.2. Stromer ran the fastest race he probably has ever run marking up a time of 56 4-5. Owens saw that he could not overtake his man and did good even time owing also to his physical condition. Had Captain McMahon been in the Husker lineup the time probably would have been 3 to 4 seconds faster.

The four mile team did exceptionally well considering the home field that they have been compelled to practice and the fields that the opposition have been working out on. The Huskers did not know how to run the race as was shown by the fact that some got away to a flying start and couldn't finish while others saved too much energy. The Husker field has not been in good shape this spring and Coach Schulte has not been afforded a fair opportunity to put the (Continued on Page Four)

HIGH SCHOOL MEET TO BE HELD MAY 15

State Athletes Will Compete for Honors in Largest Event of its Kind.

Plans are under way to make this spring's high school meet to be held here May 15 one of the largest and most successful ever staged in the United States. The entry list has already swelled far beyond the expectations of Coach Schulte and those in charge of this work. The new system of grouping the teams and schools seems to have been met with great favor with the coaches and superintendents of the state high schools. Nebraska high schools do not compare very favorably with our neighboring state high schools.

HUSKER-HASKALL MATCHES PROMISE PLENTY OF PEP

The coming Husker-Haskall baseball tiffs which will be staged on the local plateau Friday and Saturday threaten to furnish loyal Nebraskans with plenty of worry and lots of excitement. The recent reverses which the Huskers suffered at the hands of the Sooners are sufficient to make the team work up a lot of enthusiasm and determination to make a success of the coming games. With Pickett back on the mound, Nebraska prospects seem rosier than before. Experience has done worlds toward strengthening the Husker nine and the games promise to be well worth winning.

INSPECTION TRIP PARTY RETURNS FROM CHICAGO

Engineers Make Visit to Factories and Points of Interest in East.

The Inspection Trip party of the College of Engineering arrived in Lincoln Monday morning after a week spent in inspecting the engineering features of Keokuk, Iowa, Chicago and Gary, Indiana. The greatest part of the week was spent in visiting the great manufacturing works of Chicago. With but one exception the schedule for the trip was carried out as planned.

The first day of the trip, Monday, April 19, was spent at Keokuk, Iowa, where the great dam across the Mississippi was the center of attention. Tuesday the party arrived at Chicago and visited Sears, Roebuck & Company and the Powdered Coal Engineering and Equipment Company. A trip to Gary, Indiana, was made Wednesday. Thursday was spent in a general inspection of the manufacturing plants of Chicago. The entire party with the exception of the Civil Engineers were the guests of the International Harvester Company all day Friday with a dinner and theater party in the evening at the company's invitation. The Civil Engineers spent the day on a boat trip up the Chicago River. The official inspection trip ended Friday night.

RESEARCH WORK HELPS TO IMPROVE COLLEGES

Dean Le Rossignol Thinks New Ideas Can Raise Standards to Meet Conditions.

College of Business Administration professors are to engage in research work during the summer months. Dean Le Rossignol will go to New York City with "The Review," and Professor Virtue will be in the employ of the government in the Department of Agriculture.

Dean Le Rossignol, who has been contributing to "The Review" during the last year will spend all of his time during the summer in this work. His editorial work last summer and during the year has been on labor conditions and labor problems.

Professor Virtue will assist in an investigation being made by the Bureau of Marketing. This work, being carried on by the Department of Agriculture, is an investigation of the meat industry and meat supply of the country.

"Men engaging in work of this kind," said Dean Le Rossignol, "can bring splendid ideas to the College of Business." He thinks it is fine for teachers to do work of this kind for it broadens their vision and makes them better able to assist students in the understanding of present-day conditions and problems.

DEAN BUCK LEAVES FOR ANN ARBOR CONVENTION

Dean Philo M. Buck leaves today to attend the convention of the Deans of the Arts and Science Colleges of the Mid-West State Universities, which will be in session at Ann Arbor, Michigan, April 28-30. He will spend Wednesday in Chicago with Dean George Clark Sallery of the University of Wisconsin. Dean Buck will be among the list of speakers at the convention.

He will spend several days visiting Harvard, Yale and Pennsylvania Universities. He will stop off at the State Universities of Ohio and Indiana on his return trip. The Dean expects to be gone about ten days.

TRENDLY ENTERING OLYMPIC TRY-OUTS

Husker Captain Has Backing of Eastern Athletic Director for New York Contests.

Captain Trendly of the Nebraska wrestling team may participate in the Olympic games at Antwerp, Belgium. At least the dope from wrestling circles intimates that the Husker wizzard has a splendid chance to go to the meet in August. Trendly returned Monday from Chicago with the Engineers' Inspection Trip Party after an absence of almost a month.

Trendly's opportunity came when George Pineo, trainer of George Metropolitan who won the national amateur title in the 135 pound class at Birmingham, Alabama, April 5-6, approached the Husker captain and made him a proposition which is highly in favor of the Nebraskan. Trendly's work at the National meet was outstanding (Continued on Page Four)

WILL DEBATE ON ELUSIVE ARTICLE

Demons of the "Think Shop" to Contest League of Nations Hoodoo.

A good place to hear an intelligent discussion of elusive Article X of the League of Nations Covenant will be at the Temple Theater, Friday evening at eight o'clock. The admission will be thirty-five cents and tickets may be reserved now.

The teams that will represent Nebraska in the first inter-state debate for a number of years are well prepared to argue the question that is of utmost importance because of the election of a President this year. When Senator Hitchcock was in Lincoln recently he conferred with the members of the Cornhusker debating teams and made the following statement: "Those fellows have certainly studied that subject. They surely know how to ask questions."

The Debaters' Workshop

A peep into the workshop of the men who are to represent Nebraska in the first debates with Iowa is further proof of the untiring energy they have used to dig up every possible phase of the question. Old debate periodicals, current magazines, articles and everything pertaining to the League of Nations Covenant have been resurrected to aid the debaters in their investigations.

The negative team, consisting of Miles Hildreth, '21, of Lincoln; William C. Cull, law '21, of Oakland; Oscar A. Drake, law '21, of Kearney; and Fred C. Campbell, (alternate), '22, of Lincoln, will leave for Iowa City Wednesday night.

The affirmative team will meet Iowa at the Temple. Louis B. Finkelstein, law '22, of Lincoln; Cecil C. Strimple, law '22, of Omaha; Robert Van Pelt, '20, law '22, of Stockville; and Stephen A. Durisch, law '21, of Lincoln, compose the team.

The Innocents Society has charge of the business end of the Lincoln debate and Hiram Studley has been designated to manage the discussion for that society.

COUNCIL PRESENTS REVISED CONSTITUTION BEFORE SCHOOL

Body Places Document Containing Amendments in Hands of Students for Settlement at Elections to be Held May 4—Describe Proposed Changes to University People.

PLACE HONOR SPIRIT ON BALLOT FOR DECISION

The student body will soon take their stand on two propositions presented by the Student Council, that of amending the constitution of the Council and the Honor Spirit plan of taking examinations. These two propositions will be submitted to a general vote of all students on Tuesday, May 4.

The present constitution was adopted by a vote of the students in May, 1917, and accordingly approved by the Regents. Due to the war no Council was organized until the spring of 1919, at which time the present members were elected. This first Student Council found that in practice the constitution was inadequate, because it did not provide for representation of newly organized colleges such as the Dental College and Business Administration; because it made no provisions for filling vacancies caused by members leaving school; because a proper system was not outlined for nominating members of the Council; and it also did not make it clear that students, not members of the Council, were welcome to come to the regular meetings; nor did it provide that the Student Council, which was organized to further the interests of the student body, should have any representation on the various boards and committees that control the various expressions of student life and activities. According to officers of the present Council, it is not the aim now or any time to control these boards and committees but simply to have representation on them. By the amendments offered and approved by students in mass meeting early in April, these inadequacies are thought to be largely filled, and at the same time not interfering in any way with any other organizations now in existence.

The Revised Constitution

The constitution as amended follows [the brackets indicate the amendments]:

Article X

At this meeting the necessary officers shall be elected and the organization of the Council perfected.
