**SENIORS WILL SPRING SHINDIG NEXT SATURDAY**

The first of a series of social events, which will mark the last weeks of school life for the present Senior class, will be held next Saturday evening in the form of the "Senior Shindig." This is distinctly an all-Senior affair and every member of the Twenty class is expected to be present. In fact the committee asserts, with an air of mystery, that any Senior who is absent will have cause to regret it. There will be various forms of entertainment for those who do not care to dance, so that no Senior will have any legitimate reason for remaining away.

The "Shindig" will bring to a fitting close the Senior Color Week, one of the innovations introduced by the Class of 1920, and a custom which gives promise of becoming a campus tradition. Every Senior will wear the colors throughout the week and will have them on at the "Shindig." Also the plan for each Senior to speak to every other Senior will be continued until the lights go out at Woman's Hall on Saturday night.

Due to the large number of Seniors who will attend the party, no effort will be made to sell tickets but the admission price of fifty cents will be collected at the door.

The committee wishes it understood that no Senior is to stay away for lack of a partner, for there will be as many present "with" as "without."
