## RHODES SCHOLAR ALL-AROUND MAN

Eligibility Not Based Entirely on Scholarship—Activities an Important Factor.

### CANDIDATES NAMED SOON

The Rhodes scholar that Nebraska will send to study at Oxford, England, next fall will be an all-around man, according to Chancellor Avery, chairman of the committee for selecting the candidates. He will be one who has participated in many and varied college activities. Preferably, candidates should be either Juniors or Seniors, for while Sophomores may be chosen, men of more than two years college work are desirable. Nebraska is allowed four candidates but only one man from the whole state will be finally elected in September of this year. The scholar elected will complete his course here before he will commence in his chosen department at Oxford in October, 1921.

The courses at Oxford are specialized. The scholar is free to choose any line of work. Any one course, such as law, or medicine can be taken for the whole three years, which will correspond very closely to the graduate work in American universities. Work leading to a Ph. D. or even to the B. A. degree may also be followed.

The scholar will receive the sum of 300 pounds per year (equivalent to about \$1,500 per year). This will be sufficient for all living expenses, including vacations, provided that ordinary economy is practiced. The student will attend school only half the year, as the summer vacation lasts for four months and there are two other recesses of six weeks each. These vacations will enable the student to complete his course in less than two years.

## PHI PSI'S AND A. T. O.'S GREEK VICTORS TUESDAY

Hundreds of Students Watch Games of Inter-Frat Tournery With Added Interest.

Interest in the Inter-Fraternity Baseball Tournament has reached a white heat. Fully two hundred students witnessed the Phi Kappa Psi-Beta Theta Pi struggle at M street park Tuesday evening.

With a flash of big league baseball Tuesday morning, the A. T. O.'s overcame the four-run lead amassed by the Farm House sluggers in the first inning, and shoved the run across the plate in the last inning of play which gave them a 7 to 6 victory. On the A. T. O. team Johnson caught Maxwell, who pitched first-class ball, allowing only four hits and striking out ten men.

Tuesday evening the Phi Psi nine spilled the dope and gave the Beta's their first taste of defeat by an 11 to 6 score. Wright and Peterson formed the battery for the Phi Psi's and Diehl and Airries for the Beta's.

The game was marked by heavy hitting on the part of both teams; but the sudden tightening on the part of the Phi Psi's smothered the Beta hits and gave them the right to battle in the semi-finals.

Today's games leave the championship in the hands of either the Sig Ep's, the Phi Psi's, the A. T. O.'s, or the Delta Chi's. No games will be played tomorrow but the semi-finals will be battled out some time Thursday.

## THE NEW GYMNASIUM AS A MEMORIAL

The value of the new gymnasium at the University as a memorial alone cannot be over-emphasized. It will be a beautiful and lasting tribute to those from the Cornhusker state who fell on the fields of France and Flanders. It will be a useful token of remembrance and appreciation of their valued service to mankind. It will be as permanent as the stone with which it is to be constructed, and as useful as Nebraska's athletes will make it when they win new laurels within its portals.

The fact that the building is to commemorate those who were slain in battle is enough to make any student at the University of Nebraska place his name on the subscription list when the campaign opens.

Other colleges throughout the country are erecting ornamental arches, coliseums, auditoriums, flag poles, observatories, stadia, and are planting trees to the memory of their soldier dead. Nebraska has decided to build a gymnasium as her monument. YOU WILL WANT TO CONTRIBUTE!

## PLAY TICKETS TO GO ON SALE TODAY

Rehearsals for Senior Production Progressing Rapidly.

Special Costumes from Omaha Insures Good Settings.

Tickets and reservations for the Senior Class play, "If I Were King," go on sale today. All Seniors are responsible for the sale of four tickets. There are twelve hundred seats for reservation at prices ranging from fifty cents to one dollar.

A cast of fifty Seniors has been working for more than a month on the heaviest production ever attempted by a graduating class of the University. The play will be presented at the High School Auditorium on the night before Ivy Day, May 18, Tuesday evening. Tickets are available on the campus and at the Curtis Music Store.

Special trips to Omaha by Prof. Alice Howell and members of the cast assure an elaborate costuming of the play. Staging and properties are being carefully worked out. Night after night the Temple Theater rehearsals with the mobs and crowds.

The story is one such as red-blooded people have loved since the beginning of time. It is a tale of love and battle, of rags and royalty, of poetry and plot. It has been presented with elaborate settings and scenery in every large city in the country and has attracted some of America's foremost actors to its roles. It has never been seen in Lincoln although it has several times been considered by University organizations. The seat sale in the city begins at the same time as on the campus and students should make early reservations to assure the best seats.

### Syracuse

Norwich University won the intercollegiate rifle shooting championship, defeating Syracuse by a bare seventeen points. The University of Pennsylvania grabbed third place.

## DEAN O. V. P. STOUT RESIGNS TUESDAY

Action Will Take Effect July 1—Comes as Great Surprise.

W. G. Hastings Appointed Professor of Law and Dean Emeritus.

Dean O. V. P. Stout tendered his resignation as Dean of the Engineering College before the Regents Tuesday morning. His resignation will take effect July 1.

He is to be given leave of absence in the meantime and serve the University in an advisory capacity. Dean Stout has been in the service of the University for many years, and the Board accepted his resignation with regret. It is understood that he goes into a business organization at a salary more than double what he has been receiving at the University. Professor Ferguson was appointed acting dean to take place at once and become dean on July 1. Professor Ferguson had charge of the College of Engineering during Dean Stout's absence in war service and made an enviable reputation in connection with the war training work.

The Regents voted to appoint Dean Hastings professor of law and dean emeritus at his present salary. The Chancellor was instructed to begin search at once for a new dean to head the Law College.

The Board spent much time in consultation with Mr. Jackson of the firm of Coolidge & Hodgdon, Chicago, going over gymnasium plans. A care-

## SIGMA DELTA CHI ELECTS FOUR NEW MEN

Clarence Ross, Story Harding, George Maguire and Leonard Cowley Chosen.

Four University men were elected into Sigma Delta Chi, honorary journalistic fraternity, Tuesday evening at the regular meeting of the society. The newly elected members are:

Clarence Ross, '22.  
Story Harding, '22.  
George Maguire, '21.  
Leonard Cowley, '22.

Officers of the society for the coming year are: Le Ross Hammond, president; Oz Black, vice-president; Kenneth McCandless, secretary-treasurer.

Gayle Grubb was elected editor of Awgwan for next year; Charles Gillian, Senior managing editor; Helen Howe, associate editor; George Maguire, business manager; Leland Fisher, assistant managing editor.

The annual banquet and initiation of Sigma Delta Chi will be held May 17, five o'clock at the Lincoln Hotel.

## IVY DAY LUNCHEES TO RETAIL AT 50c

Band Will Give Concert After Ball Game.

Dancing All Day in Park is Special Feature.

Tickets for the Ivy Day lunches will go on sale Thursday and Friday. The pastebards retailing at fifty cents will be sold by a corps of hustling Seniors on these days. Little difficulty in selling the tickets is expected by the committee because everyone must eat, especially after attending the afternoon program at Antelope park which the Seniors say will give the students good-sized appetites.

The University cadet band has been engaged by the Ivy Day committee to give a concert at the park following the California-Nebraska ball game. The band has not appeared in an open air performance since the football games last fall and students are anxious to hear the musicians play the grand finale of the school year.

Wednesday, May 19, will be a holiday for the entire University. The Ivy Day program starts about ten o'clock in the morning on the city campus where the May Queen will be crowned. Campus rumors are circulating concerning the possible choice for May Queen. The names of a number of prominent Seniors are being spoken as candidates for the honor. After the crowning the class poem will be read by Genevieve Freeman and the oration by Hans Gravenburg.

The dance committee announces that dancing will be in full swing both in the afternoon and evening in the municipal auditorium. The dances will be longer than the average, the committee states.

### University of Cincinnati

The students of the University of Cincinnati will pose for a aerial picture soon. The women will wear white middies and the men dark suits and will form in the figure of a large shield with the letters U. C. in the center. The R. O. T. C. men in uniform will form the border.

### Harvard

Hoover captured first place in a straw balloting held at Harvard. Out of the 2,072 votes cast, 1,697 were Republican.

## HUSKERS WANT DRAKE'S GOAT

Iowa is One of Strongest Conference Teams But Nebraska is Confident.

### BIG WEEK-END PROGRAM

The Drake nine broke even with the Kansas team in two baseball games played last week and is coming to Lincoln this week with plans for walking off with both the games Friday afternoon and the one on Saturday morning.

The Drake team will have to hit a terrific stride if they walk off with even one game, for Nebraska has been playing air-tight ball all week. Tuesday evening the Freshmen and the Varsity battled nine innings to a 2 and 2 tie.

Coach Schissler has been using his second string pitchers against the Freshmen and saving Captain Pickett and the regulars for the Drake games. These workouts against the Freshman team give the Varsity real practice for Riddell's yearlings are showing real "stuff."

The team for this year has been handicapped by the shortage of experienced baseball men, but judging from material developed in the first year team baseball will start off with a boom next year.

On account of the Minnesota-Nebraska Track Meet the Friday game will not be called until 4:30. This will permit attendance at both events. The second game will be played Saturday morning at 10:30 as a part of the High School Athletic program.

The State High School Track Meet will be held Saturday afternoon and the second baseball game will be played in the morning so as to allow attendance at the meet in the afternoon. This will also furnish the chance for high school athletes to see the University team in action.

## TRADITIONAL BARBECUE OF LAWS IS MAY 18

Freshman Barristers' Hop Will be Fitting Climax of Day.

Four hundred members of the Law College will celebrate Wednesday, May 18, with a big barbecue at Epworth park in the southwest part of the city. The barbecue is an annual event for the barristers. A committee has been appointed for arranging the program which will be definitely announced in a later issue of the Nebraskan.

Special electrics will be chartered from the Lincoln traction company to convey the embryo lawyers from the campus to the recreation grounds. The Freshmen Laws have issued a challenge to the Juniors and Seniors for an old fashioned game of baseball. The higher-ups are of the opinion that they will find the "Frosh" easy marks and have decided to accept the invitation.

A wide assortment of sumptuous eats will be carted to the park and will be at the disposal of the hungry Laws immediately after the ball game. The men have decided to make this the feature of the day.

The Law hop at the Lincoln Hotel will conclude the day's festivities. Ninety tickets have been validated for this social function. Tickets may be secured from the Freshmen Laws for the price of \$1.25.
