MEET TO FINISH CAMPAIGN PLANS

Over Three Hundred Will Congregate in Law 101 at Five Today

GUY REED HEADS MEETING

Over three hundred men and women of the University will meet today at five o'clock in Law 101 to make final arrangements for the launching of the Nebraska Memorial Drive to begin May 20.

The meeting will be headed by Guy Reed who is engineering the drive on the city and farm campus, and will be attended by every committeeman appointed to aid in the collection of funds to be contributed toward Nebraska's soldier memorial by the active student body and faculty of the University.

Committees have been appointed to represent each college and department in the University, and these will work under the leadership of the committee chairmen appointed for the respective colleges.

Nebraska will contribute in this drive \$1,000,000 with which to erect a monument and memorial to her soldiers and sailors who served in the great war. Of this amount the University will raise \$100,000. The drive for the University's portion of the fund will begin May 20 and continue to May 26.

The work before the committeemen charged with the collection of this vast fund, demands the fullest cooperation between the various committees and the meeting today is called for the purpose of arranging the complete program of the drive and arranging every detail incident to the collection of the funds.

Following is a list of the committeemen appointed from each college, by Guy Reed, and who will take part in the meeting to be held today at five

NEW SIGMA XI MEMBERS WILL BE NAMED TUESDAY

The names of the new members elected to Sigma Xi, the honorary scientific fraternity, will be announced at convocation, eleven o'clock Tuesday morning in Memorial Hall. The local chapter will have a meeting some time today to make final decisions on elections and to elect officers.

There are two classes of members, associate and active. The associate members are selected from the graduates and seniors who have shown marked excellence in departments of pure or applied science. The active members are selected from the professors, instructors and graduates who have done noteworthy research in pure or applied sciences.

BEATRICE WINS IN HIGH SCHOOL MEET

Wilber and DeWitt Take Championship in Their Respective Classes Saturday

Beatrice, Wilber and DeWitt carried off the honors in their respective classes in the largest high school track and field meet in the history of high school athletics, held on the Nebraska field Saturday afternoon. Thirty-six high schools were represented and over three hundred athletes competed for honors.

High Point Records

Group one—DeWitt, 54 1-3; Franklin Academy, 41 2-3.

Group two—Wilber, 26; Cambridge, 25 1/2.

Group three—Beatrice, 44 1-3; Lincoln, 30.

Hahn, of Falls City, broke his own state high school record time of 52 1-5 seconds in the 440 yard dash and Hepperlin of Beatrice surpassed the previous record in the discus throw by ten feet. He hurled the discus 120 feet. Turner of Omaha Central lacked but three-quarters of an inch of equalling the state record in the running high jump.

Reid, of Franklin Academy, was the high individual point getter with the total of 29 1-3 points. Hahn also won three sweepstakes medals for the best performance in the 100, 220 and 440-yard dashes. Bloodgood and Hepperlin for Beatrice were high scorers. Nichols took the sweepstakes medal in the half mile; but the contest between himself and Dunham occupied too much of his time in the mile and DeMeranville of Aurora carried off the honors in this event with the time of 4:53. Omaha Central took first honors in the 220-yard high hurdles, the high jump, and the half-mile relay.

SCHOLARSHIPS OFFERED BY FRENCH INSTITUTION

Twenty-two American Girls May Go to Lycees and an Ecole Normale

Twenty-two scholarships and fellowships in Lycees and Ecole Normale in France have been offered to American girls in appreciation of the scholarships awarded to French girls in America. All applications must be in the hands of the committee by May 25.

The American Council on Education has charge of the selection of the girls to be awarded scholarships and fellowships. The offer was sent to it by the French Department of Education and the Office National des (Continued on Page Four)

DRAKE LOSES IN TWO GAMES

Huskies Take First from Visitors by Score of 7-3 and Second 1-0

PITCHING A FEATURE

Superior baseball on the part of the Huskies was responsible for the Drake Bulldogs returning home the losers in both games of their series with the Nebraska nine. The significant score of 7 to 3 spelled defeat for the Bulldogs in the first game and the Huskies took the last game with one score better than the goose-egg acquired by the Des Moines team.

The first game started off with everything Drake's way. Two hits followed by two errors on the part of the Nebraska team was responsible for three runs crossing the plate in the first inning. The Huskies came back with one score during their bat and two more in the third placed them on even terms with the Bulldogs. Hubka's hot grounder through second in the fifth when bases were full gave Nebraska full rights to the game.

Captain Pickett's ten strike-outs had a great deal to do with the winning of the game. Consistent hitting on the part of the Husker team kept the Bulldog pitcher in hot water all of the time. Pickett secured two doubles and a single while McCrory also wielded the stick for three more. Swanson and Smith secured their share with two apiece.

The score by innings:

	R	H	E
Drake	3	0	0
Nebraska	1	0	2

Batteries—Niggemier and Flynn; Pickett and Smith. Struck out by Niggemier 5, Pickett 10.

CONTRIBUTIONS

"One student contribution of five hundred dollars has already been received," said Guy Reed Thursday in an interview regarding the Memorial Drive for the new gymnasium and stadium.

Every student will not be able to give this much; this particular student was "privileged." Every student will not be able to give a tenth as much, or a twentieth as much, but EVERY CORNHUSKER IS WILLING, READY AND ABLE to give one-fiftieth as much, which is ten dollars. This is within everyone's financial scope, even though some sacrifice may be necessary.

If each of the 4,500 students at Nebraska would contribute ten dollars a piece, approximately \$45,000 would be raised and the University's quota would be passed.

What is your decree—are we to "go over the top" with a bang?

GIRLS WILL HOLD TRACK MEET SATURDAY MAY 23

All girls who intend to enter the track meet must sign on the W. A. A. bulletin board for the events they wish to enter before Wednesday night, May 19. Each entrant can take part in three events and the class relay. The track meet will be held on the athletic field Saturday, May 23 at nine o'clock.

NEBRASKAN IN WISCONSIN UNIVERSITY IS KILLED

Wilmar Leland Millar, M. E. '19, son of Mr. and Mrs. Chas. A. Millar, of North Bend, Nebraska, was fatally injured Saturday, May 15, while performing an experiment in the mechanical engineering laboratory of the University of Wisconsin. His death came four hours after the accident.

After graduation he received the position of instructor of electric starting, lighting and ignition at the University of Wisconsin.

Mr. Millar was a member of Alpha Sigma Phi, Sigma Tau, American Association of Mechanical Engineers and during his senior year was secretary of this organization and chairman of the Senior Athletic Committee.

DEBATING LAURELS TAKEN BY BEATRICE

Defeat Lincoln in One of the Most Brilliant Battles of the Year

The state championship of the Nebraska High School Debating League went to Beatrice as the final decision of a series of debates held at the University Friday and Saturday in which five picked teams representing the high schools of Beatrice, Lincoln, Wayne and Mason City and the Curtis School of Agriculture battled for the honors on the question of prohibition of strikes on railroads.

The members of the Beatrice team are Richard McCann, Ernest Bean and Joseph Downs. They won over the Lincoln team by a decision of two to one in a debate that would be hard to match for brilliancy. The judges, Professors H. W. Caldwell, Guernsey Jones and L. E. Aylsworth, said it was the best high school debate they had ever heard.

The schedule for Friday evening was Beatrice against Mason City and Lincoln against Wayne. Beatrice and Lincoln won by unanimous decisions. Beatrice debated with Curtis Saturday morning and won a two to one decision. In the afternoon came the final debate in which both Beatrice and Lincoln displayed sound reasoning, splendid organization and very effective delivery.

These five debating teams were the victors of the inter-high school and inter-district debates in their respective localities. In the final debates it has hitherto been the custom for individuals to compete, but this year the teams competed. The teams to oppose each other and the side each was to take was determined an hour and a half before the debates began.

IVY DAY LUNCH TICKETS REMAIN ON SALE TODAY

Pasteboards Entitle Purchasers to a Generous Picnic Supper Wednesday

Hundreds of lunch tickets for Ivy Day sold like spreading fire Thursday and Friday of last week. The ticket committee regretted that the tickets were placed on sale so late in the week and have decided to sell the remainder of the pasteboards today and Tuesday. The tickets entitle the bearer to a generous picnic supper which will be distributed at the sound of the factory whistles, at six o'clock.

The morning program for Ivy Day starts at nine-thirty on the city campus and will continue until eleven-thirty. A corps of University car (Continued on Page Two)

HUSKERS DEFEAT GOPHER TRACKMEN

Win Over Minnesota Friday by 61-51 Score—Freshmen Wallop Methodists

440 DASH CLOSEST RACE

Both the varsity and the yearlings were victors in their meets on the Nebraska field Friday afternoon. The varsity took the measure of the Minnesota Gophers in a 61 to 51 count while the Wesleyan Coyotes lost their meet by the decisive score of 96 to 16.

Minnesota took the lead at the outset when Kelly and Johnson took both places in the hundred-yard dash, and held it until the 220-yard low hurdles when Wright broke the Nebraska track record and won first in the first time of 26 1-5. The meet was well balanced throughout the whole afternoon, Minnesota took the lead in the dashes, but Nebraska's ability in the field events left the outcome of the meet no longer in doubt.

Finney's time of 15:03 in the high hurdles was one of the features of the afternoon. Scheffler of Minnesota nosed out Kretzler at the finish in the mile run with the time of 4:41; but Graff ran his usual easy race in the two-mile and after leisurely glancing at his watch a couple of times decided that it was about time to spurt for the finish and finished first in 10:07 3-5.

The 440-yard dash was the prettiest race of the day. On the last turn Gibbs coming in strong from the rear of the squad passed McNally, the Minnesota quarter miler for first place in the time of 52:02. McMahon came in for a close second. Moulton or Nebraska pulled the surprise of the afternoon when he cheated the Minnesota team out of second place in the javelin throw. They had already accepted both places but his final throw of Moulton for 152 feet placed him in second place. Deering and Gish carried off honors in the broad jump.

The Summary

Nebraska vs. Minnesota

100-yard dash—Kelly, Minn., first; Johnson, Minn., second. Time, 10 1-5 seconds.
