COMPANY A AND BATTERY A WIN

Grandstands Filled to Witness Annual Competitive Drill on Athletic Field.

HONORS TO FARM CADETS

Company A, under the command of Cadet Captain George S. Salter, and Battery A, commanded by Cadet Captain Jule F. Corey, won the annual competitive drill of the R. O. T. C. on the Athletic Field Friday afternoon, May 21.

Company G, from the Farm campus, which took second place in the contest, claimed the honor of having the two best trained cadets, Sergeant W. H. Hütte and Sergeant F. K. Reed, who won first and second place in the individual competitive drill which followed the company drill.

Hundreds of students filled the stands on the Athletic Field to watch the drill. Battalion and company sponsors occupied the front boxes and the Cadet Band sat in the middle section of the stand.

Regimental drill led by the Cadet Band followed the company and individual competitive drill and the cadet soldiers showed real skill in this, as well as in the company drill.

Following is the order in which the companies placed in the drill together with their scores:

Infantry Drill

First—Company A, Captain George S. Salter, 800 points.

Second—Company G, Captain Martin Kruger, 793.3 points.

Third—Company B, Captain Ray Weighman, 788.6 points.

Fourth—Company C, Captain Arthur M. Herring, 745 points.

First Class Day In '89

A few alumni who attended the Ivy Day program Wednesday recalled other years when there was no such celebration. "In 1889," said one, "there was no such thing as an Ivy Day nor did those pioneers of higher culture worship a Queen of the May."

"That year marked the first Class Day at the University, however. There was an oration followed by a poem and the class prophecy. Miss Edna Bullock read the poem and at the conclusion of the program Dean L. A. Sherman remarked that if it looked well as it sounded, it would be a very commendable effort. He expressed the desire to see it. Tom Allen was the orator and declared with an enthusiasm his class-mates have never forgotten: "The sedate muse with her graven tablet dictates to the future."

CO-ED SETS NEW RECORD AT MEET

Jean Shuster, Freshman, Does 440-Yard Dash in 1:15 3-5 Saturday.

SOPHOMORES WIN CUP

The girls' annual field meet was held Saturday morning on the athletic field under the management of the Women's Athletic Association. A feature of the meet was the breaking of the world's record for women in the 440-yard dash by Jean Shuster, a Freshman. The old record held by Edith Clark of Northwestern University of 1:16 for the distance was lowered to 1:15 3-5 by the Nebraska co-ed. The record is exceptionally good inasmuch as it was made against a stiff wind.

Jean Shuster, who is the daughter of Charles Shuster of Pittsburgh, Pa., came to the University last fall from the Penn Hall School for girls at Chambersburg, Pa., where she was prominent in athletics. She has taken part in all the girls' athletics this year.

Sophomores Victors

The Sophomores won the loving cup by amassing a total of 280 points to their credit. The Juniors took second place with 185 points and the Freshmen third with 75 points. Marvel Trojan, Sophomore, who won highest individual honors last year again scored highest with a total of 60 points. Three co-ed tracksters, Eleanor Snell, Marjorie Barstow and Mary Stephens tied for second place, each having 50 points. Cora Miller won third place with 45 points. She also broke the Nebraska pole vault record by clearing the bar at 6.3-4. The former record was 6.3.

The events and winners are as follows: 25-yard dash—Marvel Trojan, first; Bob Hendersen, second; Ruth McKinney, third. 50-yard dash—Marvel Trojan, first; Elizabeth Ball, second; Mary Herzog, third.

MEMORIAL DRIVE PLANS FINISHED

Omaha and Lincoln Canvass Begins June 1—University's Response Gratifying.

Thirty Counties Are Organized—Every Person in State Asked to Contribute.

The Lincoln and Omaha campaigns for the Memorial Gymnasium and Stadium will be launched at the same time, June 1, and will continue for one week. The drive proper at the University will last until May 26. The response of students and people throughout the state and the general enthusiasm shown has encouraged the committees to such an extent that they are confident the million dollars necessary will be raised without difficulty.

Lincoln's quota is to be \$200,000, the same as that of Omaha. The quota for the University of Nebraska is \$75,000. Counties throughout Nebraska are organizing to raise the remaining \$600,000.

About the Memorial Building The new structure will face the (Continued on Page 4)

THETA SIGMA PHI INITIATES THREE

Theta Sigma Phi, women's honorary national journalistic fraternity, held initiation yesterday afternoon in the Cornhusker office. Gertrude Patterson, '22, of Nebraska City; Faith Debrick, '20, of Superior; and Doris Allen, '23, of Douglas, Wyo., were taken into the organization.

Students Subscribing Generously To The Great Memorial Campaign

At the mass meeting Thursday morning, May 20, which lasted nearly two hours before noon, and for which all classes at the University were dismissed, students expressed their desire to finance the great Memorial to Nebraska's soldiers and sailors who died in the World War.

The meeting was held in Memorial Hall. A large crowd attended. Chancellor Avery presided and before introducing the first speaker told in a few words why the drive was so important to every student. The first speaker was Dr. G. E. Condra who presented a forceful argument and plea for the new gymnasium and stadium, and pledged his wholehearted support to the campaign. His words were received with great bursts of enthusiasm.

Chancellor Avery introduced all the speakers in military terms and next called on "General" R. D. Scott. Professor Scott's speech was marked by the sincerity which characterizes his work and the students listened eagerly.

The next man on the program was

DR. LEES ELECTED HEAD OF PUBLICATION BOARD

Announcement was made Friday, May 21, of the appointment of Dr. J. T. Lees as chairman of the Student Publications Board to begin his duties at once. The appointment was made by Chancellor Samuel Avery with the approval of the Committee on Nominations and subject to confirmation by the University Senate.

Dr. Lees will take the place of Dean O. V. P. Stone, who resigned as head of the board when he severed his connections with the University. Dr. Lees is Provost for the University, chairman of general athletics and professor and head of the Department of Greek History and Literature.

RED MARK IN 1920 CORNHUSKER

Whispers Link Chancellor's Name with Year-Book and Scarlet Dash of the Pen.

Rumors are sweeping the campus. Whenever anything important happens, no matter how tightly the lid is held down, the news always leaks out. In connection with the latest event whispers of Chancellor Avery's name, of the Cornhusker and of a red mark, are heard. Those who have listened very intently say that by order of Chancellor Avery a red mark must be placed in each of the twenty-five hundred Cornhuskers to cover a word that appears in each of the twenty-five hundred year-books before the twenty-five hundred Cornhuskers are distributed. In all probability there will be some wild guessing about that missing word when the annuals are given out. The one clue is that red is a sign of danger, hence the word must be dangerous for students to read.

HUSKERS SPLIT WITH COYOTES

Win First Game to Tune of 16-0—Vermilionites Capture Second.

PICKETT DECLINES OFFER

Nebraska split their brace of games with the University of South Dakota at Vermillion Friday and Saturday. The Huskers put the first game on ice with a 16 to 0 score, but lost 4 to 3 in a seven-inning game on the following day.

In the last game the Coyotes secured five hits as against the three hung up by the Huskers. Nebraska made every hit count, though, in the score column. Horkey, the Coyote first baseman, was responsible for three of their five hits, managing to line out a double and two singles. He brought in two of the four runs.

Reynolds pitched in the first game and kept the Coyote hits pretty well scattered. The whole team played almost perfect ball, making only one error. The timely and consistent hitting on the part of the Cornhuskers was responsible for the merry-go-round. Nine scores were made in the first three innings. Six more runs in the sixth and one in the seventh gave Nebraska her tally of 16.

Reynolds and Smith formed the battery for Nebraska and Hirschman caught both Zimmermann and Duncan for South Dakota.

This is the last inter-collegiate game for Nebraska this season and the game with Pip Cook's "All-Stars" this week will conclude the 1920 schedule.

Captain John Pickett who received late last week a wire from the Chicago White Sox that they could use him on the mound if he could report at once in Chicago, announced Sunday that he will not accept the offer to go to the "big leagues."

"I would like to go for the experience," he said, "but it is out of the question."

ALUMNI WILL RETURN AND FEAST ON JUNE 5

Plans Under Way for Big Celebration—Luncheon at State Farm.

Extensive plans are under way for the big University of Nebraska Alumni Day Celebration to be held June 5. At 9:30 in the morning an important meeting of all University alumnae will be conducted in Woman's Building, according to Mrs. B. F. Good, vice-president of the University of Nebraska Alumni Association. All women graduates are urged to be present. This is the first meeting of its kind ever to be held by the University women graduates. It is planned to form an organization to discuss the problems confronting women.

Luncheon will be held at the State Farm. The Executive Committee of the Lincoln association is making active arrangements to make this dinner a complete success. It is hoped that this will be the largest gathering of alumni ever held. An orchestra has been engaged to play during the feast.

Annis S. Chaikin, secretary of the University Alumni Association left Sunday evening, May 23, for an organization meeting of the Box Butte county alumni. There will be a special meeting Monday at Alliance, at which Dean P. M. Buck will address the alumni. Earl Mallory is making arrangements for the Alliance meetings. Tuesday noon a meeting will be held at Scottsbluff for the Scotts Bluff county former students, for which arrangements are being made by Robert Simmons. A meeting of U. of N. alumni, which Miss Chaikin will attend, will be held at Bridgeport, Tuesday evening, May 25, for which C. G. Perry is making final arrangements.

SIG EP'S TAKE SKIN IN GREEK BASEBALL

Carman's Twirling Features Clash with Fast A. T. O. Ninc—Final Score 1-0.

The finals of the Inter-Fraternity Baseball Tournament played at M street park Friday afternoon resulted in a 1 to 0 victory for the Sig Ep's over the A. T. O.'s. Tight playing marked the game throughout and the outcome was in the balance until the last inning.

In the first half of the eighth Holt reached first on an error and scored on Schmidt's hit to right field. The A. T. O.'s were unable to score in their half inning. Carman's pitching was the feature of the game. He struck out thirteen men. Maxwell, pitching for the A. T. O.'s, struck out six men and held the Sig Ep's to two hits. The score:
