PHI ALPHA TAU TAKES IN TWENTY NEW MEMBERS

Honorary Public Speaking Fraternity Revived With Initiation Tuesday, May 25.

Phi Alpha Tau, honorary public speaking fraternity, was revived with the initiation of twelve new members yesterday afternoon. The fraternity, like many other professional fraternities, has been inactive during the war. Four Seniors, W. C. Cull of Oakland, Leonard Kline of Blue Springs, John Koehler of Geneva, A. H. Jensen of Blair, and Lawrence Slater, '21, of Lincoln, initiated the new members. This fraternity took an active part in school activities before the war. It has among its traditions the honor of originating University Week, and working for its permanent position and success. It is expected to resume its former activity next year. The selections for this organization are based upon active work in debating, dramatics and public speaking, commonly known as the speech arts. The following men were made members:

- Glen H. Foe, Red Cloud.
 - Robert Van Pelt, Stockville.
 - Rutgers G. Van Brunt, Beatrice.
 - Carl W. Johnston, Lincoln.
 - Cecil C. Strimple, Omaha.
 - Brooks B. Harding, Lincoln.
 - Herbert A. Yenne, Lincoln.
 - Oscar A. Drake, Kearney.
 - Hans P. Gravenzaard, Marquette.
 - Harry L. Reed, Lincoln.
 - Louis B. Finkelstein, Lincoln.
 - Carl J. Peterson, Neligh.
- The officers selected for the next year are as follows:
- Lawrence Slater, pres.
 - Rutgers G. Van Brunt, vice-pres.
 - Cecil C. Strimple, sec-treas.

The shortage of college, university and high school teachers is a common object of discussion in University circles. It is said that Physics instructors are at a premium. The pay is better than the average for this subject. An agency in Chicago recently sent out a call to the University of Nebraska for thirteen teachers in Chemistry, Physics and Mathematics.

Saul E. Arenson of the Chemistry Department will leave on the Shrine Special for Portland, Ore. He will incidentally visit Leland Stanford University and the University of California. He plans to spend the last six weeks of the summer in research work in the chemical laboratory at the University.

Prof. S. B. Gass of the English Department will spend the summer at his cottage in Colorado with two former college friends.

LAW SCHOOL THE UNIVERSITY OF CHICAGO

First term 1920, June 21—July 28
Second term July 29—September 3
Three-year course leading to degree of Doctor of Law (J. D.), which by the quarter system may be completed in two and one-fourth calendar years. College education required for regular admission, one year of law being counted toward college degree. Law library of over 40,000 volumes.
The Summer Quarter offers special opportunities to students, teachers, and practitioners.
Courses open in all departments of the University during the Summer Quarter.

THE RIGHT KIND OF STUFF

The test of man is the fight he makes.
The grit that he daily shows;
The way he stands on his feet and takes
Fates' numerous bumps and blows.
A coward can smile when there's naught to fear,
When nothing his progress bars,
But it takes a man to stand up and cheer
While the other fellow stars.

It isn't the victory after all,
But the fight that a brother makes;
The man who, driven against the wall,
Still stands up erect and takes
The blows of fate with his head held high,
Bleeding, and bruised, and pale,
Is the man who'll win in the by-and-by
For he isn't afraid to fall.

It's the bumps you get, and the jolts you get,
And the shocks that your courage stands,
The hours of sorrow and vain regret,
The prize that escapes your hands,
That tests your mettle and proves your worth;
It isn't the blow you deal,
But the blows you take on the good old earth
That shows that your stuff is real.
—Author Unknown.

Dan Riley, '00, president of the Richardson County Alumni Club, has arranged for a meeting Friday evening, May 28. Dr. F. M. Fling will then give an address on "America's World Responsibility." The public will be admitted.

Lucille Cline, '20, will appear in a musical recital the afternoon of May 28 in the Temple Theater. She is a student in the School of Fine Arts at the University.

TRACK MEN WILL HAVE CHANCE AT NUMERALS

First Time in School's History that System Has Been Carried Out.

For the first time in the history of Nebraska, the Freshmen and the men who are not trying out for letters with the Varsity track team are being given the chance to win numerals. The winners this year will be entitled to wear the numerals for their respective years.

Numerals were as much in evidence at the Penn meet as the letters and the awarding of them is a practice already being followed out by many of the schools of the country. Tuesday afternoon the following stood as records:

- 100-yard dash—Stewart, Stevens, 10 4-5.
- 220-yard dash—Layton, 23 3-5.
- 440-yard dash—Beezer, 53.
- 880-yard run—Gardner, 2:08.
- Mile run—Streeter, 5:2.
- Two mile run—Bachkora, 10:43.
- 110-yard low hurdles—Layton, 13 1-3.
- High jump—West, 5 ft. 3 in.
- Pole vault—West, 9 ft.
- Shot put—Hartman, 38 ft. 6 in.
- Discus—Weller, 126 ft. 10 in.
- Javelin—Brown, 143 ft.

WANT ADS.

LOST—Medium-sized lady's leather purse containing money and bank receipt. Return to Student Activities office. Liberal reward.

Will person who picked up rose colored sweater near library steps Monday night please return to Student Activities office.

Your Feet Will Bring You Back

Making good on the job

Y

OU'VE planned to make good, of course, but have you decided what kind of job it'll be?

In general, it should be something big; something you can throw yourself into heart and soul; something with only the sky as a limit

There is such a field in this organization for a limited number of forward looking college men

If you can meet our requirements; if you're a clean-cut man of the "go-getter" type, ambitious, energetic, dependable; if you'll go right on learning after you leave college—

There's an opportunity here for you—an opportunity as big as you want to make it
