

Henry Ford Outdone!

Henry Ford cut the prices on "Ford" cars but we cut the prices on shirts, worth from \$2.50 to \$5.00, down to \$1.95

SHIRT SALE!

Starting Tuesday Morning at 8 o'Clock

Values '2.50 to '5.00

\$1.95

Right in the face of the highest priced shirt market that any one ever remembered--unless they be over sixty years of age--comes this startling announcement of shirts positively worth from \$2.50 to \$5, at the unheard of and unexpected price of \$1.95 for your choice

ABSOLUTELY NO SECONDS

THERE is not one shirt in the entire lot of over 1800 shirts that deviates a fraction from our policy of "quality" first, last and always. Every shirt guaranteed fast colors and standard size, from 14 to 17 1-2.

For a quarter of a century Armstrong's have held the much-limited but never equalled shirt sales, always giving the public value for the money spent and this sale will cause many a merchant to say: "How can they do it?"
