PRICE FIVE CENTS.

POLITICAL POT BOILS OVER AS ELECTION APPROACHES

ALYNE O'LAUGHLIN ONLY CANDIDATE FOR SENIOR CLASS PRESIDENCY—THREE IN RACE TO HEAD JUNIORS.

Freshman Contest Promises to Be Warm One With Three Members Entered in Struggle for Position of Class Leader—Campaign Cards Have Appeared on the Campus.

Campaign cards have already appeared on the campus for one of the contestants in the presidential elections tomorrow. Interest is running high and the campaign is developing into one of the most exciting in several years.

Names of the candidates were announced by the Registrar's office after the eligibility of the nominees had been determined. In the Senior class, Alyne O'Laughlin, a member of Kappa Alpha Theta, is the only eligible candidate. This means that the Seniors will cast only a complimentary vote. Helen Howe, member of Delta Gamma, filed for the position of Senior president but was counted ineligible an account of the fact that she carried only eleven hours last semester.

Alyne O'Laughlin comes from Grand Island; she was a member of the Silver Serpent Society last year. She is president of Theta Sigma Phi, honorary journalistic fraternity, and was delegate to its national convention last spring. She has been on the staff of the Awgwan and Daily Nebraskan, besides being active in W. S. G. A. and W. A. A.

The other candidates were announced as follows:

Junior president—Mildred Gollehan, Ben T. Lake, Isabell Pearsall.

Sophomore president—E. P. Philbrick, James H. Tyson.

Freshman president—Robert E. Craig, Floyd A. Cropper, Edgar Shoemaker.

The Junior presidential contest appears to be the hottest race.

Mildred Gollehan is a member of Alpha Delta Pi. She is entered in the College of Fine Arts and has taken an active part in University dramatics. Her campaign cards have already been distributed on the campus, reviving a custom of several years ago.

Ben Lake, a Sigma Nu member, has been active on the Cornhusker and Awgwan staffs. He was an Iron Sphinx and a member of the Vikings. He comes from Omaha and is entered in the College of Business Administration.

Isabell Pearsall, another candidate for Junior president is a member of Pi Beta Phi. She is a cheer-leader at Varsity games.

Philbrick, who is pitted against Tyson for president of the class of '23, is a member of Alpha Theta Chi. He was elected member of the Green Gobblins last year and was out for Freshman football. Philbrick comes from Wymore.

His opponent, James Tyson, is a member of Beta Theta Phi. He has held offices in the cadet regiment. His home is in Mound City, Mo.

Freshman Contest a Warm One. The Freshman contest has been under way for several days and the

Over Two Thousand Students Crowd Armory at First Mixer

Over one-fourth of the student body or nearly twenty-five hundred students attended the first All-University Mixer sometime during Saturday evening, October 2, at the Armory.

From 8 until 10 o'clock students poured into the rooms where festivity ruled. Remembering the first gridiron victory of the year the Husker eleven was cheered again and again during the evening.

When the program started floor space was at a premium. "The Terrible Quartet," composed of Francis Diers, '21, Oscar Bennett, '23, Archie Jones, '21, and Allen Wilson, '24, rendered several selections, including the ever-popular "Mandy" and the old "U-U-Uni" of Husker fame.

Autumn Decorations Profuse. Autumn foliage and corn shocks were used throughout the Armory as decorations. Ears of corn were sus-

pended from the chandeliers. Shocks of corn filled each corner of the two rooms. The railing surrounding the orchestra was banked with harvest foliage. Festoons of autumn flowers were used on the balcony of the Chapel.

Singing, dancing and yelling were indulged in until a late hour. Refreshments, consisting of cider and doughnuts, were served during the intermissions.

A skit, rather melodramatic in nature, was a feature of the evening. A "mock" surgical operation was held, whereby a patient's limb was severed from his body in front of the large crowd of students. A stretcher, nurse, doctor's assistants, and a saw made the operation entirely realistic.

A democratic spirit between underclassmen and older students was prevalent throughout the evening.

FIRST POLITICAL ADDRESS TODAY

BEVERIDGE WILL SPEAK TO UNIVERSITY STUDENTS.

Opening Gun in Political Campaign to Be Touched Off at Morning Convocation.

Senator Albert J. Beveridge, known as one of the greatest orators in the country, will speak to a mass meeting of students at the University, Temple Theater, Monday morning at 11 o'clock.

Senator Beveridge will be the opening gun in the political campaign in which both parties have been invited to participate before University audiences. The state central committees of both parties have been notified that the University students' convocation will be glad to hear speakers of national consequence upon public questions of the hour, according to Professor Paul H. Grumman, chairman of the convocation committee.

Need for Political Interest. "It is high time for college students to take a more vital and positive interest in the political affairs of our nation," said Professor Grumman.

"Whether they agree or disagree with the speaker of the hour, University men and women, not only as students of economics, politics, history and sociology but also as citizens of Nebraska as they are, have an enthusiastic interest in the questions before the nation this fall. These convocations will stimulate energetic discussion in hundreds of student groups and will have an enthusiastic attendance. Upperclassmen are urged to point out the importance of such discussions to new students and to stimulate interest in the student body along these lines in which every citizen should be informed."

Senator Beveridge, himself a college man, is considered one of the most eloquent speakers in the American forum. He is a graduate of De Pau University and when in college won all the oratorical honors and prizes available in the state of Indiana to say nothing of a national championship.

THOUSAND ATTEND FOOTBALL RALLY

CHEERING HUSKERS GENERATE PEP AT YELL-FEST.

Coach Schulte, Captain "Bill" Day and Luehring Praise Nebraska Team.

Enticing strains of band music, and the noisy efforts of the cheer leaders called forth a thousand of Nebraska's loyal to the football rally at the Armory, Friday evening, preparatory to Nebraska's encounter with Washburn, Saturday, October 2.

The program went off with a bang at 7:15, when "Skipper" Bailey with his troupe of energetic yell-leaders brought the entire assemblage to their feet with a rousing "Uni." At the conclusion of the yelling and selections played by the University Cadet Band, F. W. Luehring, head of the Athletic and Physical Training Department, made a short plea for the support of the team by the entire student body. "They're worth it," said Mr. Luehring. "We have the Coach, we have the team, we hope we have everyone of you back of them."

Schulte Praises Team. Coach Schulte gave his opinion of the team's ability in a few remarks. "They have indulged in clean, square fighting," he said, "but at the same time giving the other fellow his chance." The Coach followed with a few suggestions on "Football Etiquette," requesting that the students refrain from criticizing the official, or making audible comments during the game. He asked for the co-operation of every student in aiding the members of the team to maintain the rigid laws of a real, thorough training.

"We have five major games in twenty-three days," explained Schulte, "if our team does that, it's got to do 'em with your help!" Captain "Bill" Day in his brief address asked for the real old fighting spirit of the Cornhusker boosters, after which the Captain introduced the individual members of Nebraska's fighting team. "Remember, back the team, whether they win or lose," were Day's closing words.

HUSKERS DEFEAT WASHBURN IN FIRST GAME OF SEASON

NEBRASKA LAUNCHES 1920 SCHEDULE BY DRUBBING ICHABODS WITH TWO TOUCHDOWNS.

Schulte's Eleven Swings Into Action Saturday and Trims Topeka Team in Opening Contest—Scarlet and Cream Holds Topekans to Four First Downs.

STATISTICS OF NEBRASKA-WASHBURN GAME.

First downs—Nebraska, 16; Washburn, 4.
Passes completed—Washburn (2) for 21 yards; Nebraska none.
Passes incomplete—Nebraska, 5; Washburn, 10 yards.
Punts—Total yards, Nebraska, 439; average—44 yards; Washburn—total yardage, 436; average—34 yards.
Penalties—Nebraska, 30 yards; Washburn, 10 yards.
Drop kicks—Nebraska attempted 2.
Place kicks—Washburn attempted 1.
Yards gained from line of scrimmage—Nebraska, 276; Washburn, 70.
Yards lost—Nebraska, 28; Washburn, 5.

The Nebraska Cornhuskers passed by the first mile stone in their 1920 gridiron campaign by registering a 14-0 victory over the Washburn Ichabods Saturday afternoon. Four thousand spectators watched the battle, which was closely contested throughout. The Huskers were outplayed in the first period, being unable to solve the Ichabod shift but in the last three quarters played the Washburn team to a standstill and rang up a brace of touchdowns, Newman and Moore being the scorers. The Kansas team twice was within scoring distance of the Nebraska goal but were unable to carry the ball across.

The Washburn eleven opened with a brilliant exhibition of end runs and smashes coupled with forward passes that had Schulte's men completely bewildered. The Ichabods backs marched down the field in rapid succession. Only ten yards separated the Washburn outfit from a touchdown when the Husker forwards broke through and stopped them. From then on the Ichabods never threatened the Huskers seriously. A recovery of a Nebraska fumble near the goal line afforded another opportunity to score but they could not respond with the necessary punch.

During the last three periods of the game the Topeka team advanced the ball only eight yards, playing for the most part a defensive game. Lugged Ball for Huskers. The chief ground gainers for the Cornhuskers were Hubka, Dale, Hartley, Moore and Schoepel. During the second and third periods these three Husker backfield artist pounded the Ichabod line and circled the ends for substantial gains, resulting in the two touchdowns. The first counter came as a result of a drive down the gridiron from mid-field. On the two yard line, the Husker back who was to carry the ball missed the signal but Newman, clever Husker general, darted around the Washburn left end and planted the pigskin behind the goal. The second touchdown came as a result of Swanson's recovery of a fumbled punt by Stevens, Washburn quarterback. Dale and Moore proceeded to break through the Washburn line, Moore going over for the touchdown. Captain Day kicked both goals. Two tries for field goals by Dana, Husker end, both failed. The second was very close, however, striking the goal post and bounding back on the field.

Used Many Substitutes. The Washburn fray afforded Coach Schulte an excellent opportunity to

Enthusiasm Key Note of Law School Pep Party. The Law College football rally which was held in Law 101 Friday morning at 10:50. The general lecture period which begins at 11 o'clock was merged with the ten-minute pep meeting. Ten o'clock law classes were dismissed at 10:35 in order that every student might attend the first rally of the school year. Lawrence "Shorty" Shaw presided at the meeting which was attended by nearly 300 shouting Laws. Those present amid cheering voted unanimously to support the team and to make the Law College 100 per cent patriotic in football circles. Fred Richards lead the cheering. Many of Team Are Laws. It was brought out that because twelve of the team are members of the Law College it should support the games to a man. Monte Munn, Wade Munn, Wright, Moore, Schoepel, Wenke, Hartley, Young, Newman and Thomsen were asked to occupy the first rows of seats at the meeting. Chalmers Seymour displayed a fez worn by Law students several years ago. The cap was of red material, with identification marks on it. Those present unanimously voted to adopt a badge similar to this to wear at football games and Law College functions. Dean Seavey suggested a purple tassel for the fez. New Yells Tried Out. Three new Law College yells submitted by students Thursday were tried out at the meeting. The winning effort was not announced because so few yells were submitted. The three handed in follow:

(1) OH-h-h-h-h SAY! (Rising inflection).
LAW-aw-aw-aw School Ride 'em on a rail We keep you out of jail LAWS.
(2) L-A-Double U L-A-Double U (slow) Oh, Laws are we And Laws we'll be For school and team and Varsity.
(3) U-Laws N-Laws The guys that pass the bar— U-Laws N-Laws Hear us near and far— We're for Nebraska Hear us yell We're for Nebraska Strong as—LAWS.

The Law quartet sang the new chant with variations, and the familiar U-U-Uni of Nebraska. Judge Wilson Speaks. "Destroy all law in Nebraska and these prairies would go back unredeemed into the state they were for centuries before white men broke the soil," declared Judge H. H. Wilson to the students in the second general lecture which followed the rally.
