WEDDING
Weir—Peterson

Mr. and Mrs. Charles Weir announce the marriage of their daughter, Elizabeth, to Mr. Homer H. Peterson of Fremont. The ceremony will be performed today at the home of the bride's parents in Grand Island. Miss Weir was formerly a student at the University where she would have been graduated with the Class of 1922. She is a member of Kappa Kappa Gamma. Mr. Peterson is traveling representative for a bankers supply company.

Notre Dame is not satisfied with Brandy, they must have Wynne, too. This "alleged" joke is really a good one to come in Bubbles.

"Too Many Millions" are at the Sun this week, but with "Hairpins" in hand, I strode to see "Lady Rose's Daughter" where the "Deadlier Sex" taught me "The Right to Love."

There are movies on the campus. A personal says that William Hart has again entered school.

Question: What would it be if a co-ed put mentholatum over her rouge?
Answer: The scarlet and the cream.

I asked for vanishing cream in the corner drug store yesterday and they gave me ice cream, because it disappears so fast.

It ought to be easier for aeroplanes to "fly" colors than for the poor mortals who have to wave them on the terra firma.

We wonder if the word "pep-fest" was coined from the ancient Sangaer-fest, where mirth and joy ruled amid yelling and cheering. But the pep of the latter fest had more kick in it than the pep of the newly originated pep-fest.

Dean C. C. Engberg will send out invitations to his first formal party of the year Friday. All students whose grades are below 60 per cent are invited to attend.

When the Art classes paint on the campus they remind passing students of a cross between a French seaside resort and an amateur Greenwich village.

Cornhuskers will certainly take pleasure in reading of the outcome of the Kansas-Washburn game October 9. When the final whistle blew the Jayhawkers stood on the long end of a 6 to 0 score. The fact that the Ichabod forwards broke thru and prevented Bunn from drop kicking the goal bears out the statement that Kansas has a light line.

ADDITIONAL PLEDGES LIST MADE PUBLIC

Twenty-two Names Released by Committee on High School Fraternities—Investigation Proceeds.

Twenty-two additional names of fraternity pledges were released yesterday afternoon by Professor R. Scott, who is acting on the committee on high school fraternities. Investigation of the pledges from Omaha and Grand Island schools is still being carried on. There are national high school fraternities in these cities whose constitutions have not been turned in, but Professor Scott hopes to have a complete list in a few days.

SOPHS ANXIOUS FOR CLASH WITH FRESHMEN

Preparations for the Olympics, Saturday morning, are well under way in the Sophomore camp. Tryouts for the wrestling and boxing events were completed at the Wednesday night trials in the Armory and fast and clever men have been selected for each position. Many of the men of the class who are exceptionally good in these lines of sports are barred from taking part in the Olympics because of their connection with the football team. The personnel of the 440-yard relay team has not yet been decided and there is still an opportunity for men to try out.

The team for the push-ball event will not be picked until the morning of the Olympics. Twenty-five men are required for the tussle and it is the plan of the committee to select these from the tallest and strongest second-year men that come to the field of battle. Whether the Sophomores win the most important feature of the scrap, the pole rush, will depend on the number of Sophomore men who come to support the class colors.

Sophs Full of Confidence.
The class scrap, though but two days distant, has failed to arouse the interest of a good many of the Sophomore men. These men seem to have the idea that the Olympics affair will be a walk-away for the second-year class because of their superiority in numbers and because of the victory in the fray of last fall.

"We have a good chance to win the Olympics this year if the men would only turn out and give us their support," said Bill Lawlor, chairman of the Sophomore Olympic committee. "The old saying regarding the 'strong back and the weak mind' will apply exactly to the free for all pole rush."

FRESHMEN TRYOUTS REVEALS MUCH MATERIAL

Freshmen tryouts in boxing and wrestling for the Olympic struggle Saturday were held last evening at the Armory. A wealth of material reported for both sports and, judging from the brawn, speed and science shown by the first-year men, the Sophomores are guaranteed strong competition. Almost the entire Freshmen football squad, together with twice as many other men, vied for the privilege of upholding the honor of the class of 1924. Although they are slightly handicapped by lack of experience, the Freshmen contestants feel confident of victory.

The tryouts for the Freshmen relay team will be held at the Athletic Field Friday afternoon, October 15. All men who wish to try out for this team are requested to report at the Armory not later than 4 o'clock.

The Freshmen have decided to meet at the Lincoln High School Auditorium Saturday morning at 8 o'clock. All contestants for the Olympics are asked to be there in plenty of time.

Decided style changes in men's fall clothes

The designing that marks this season's models embraces welcome changes—a shorter vent, a lower, less restricted waist, and a more graceful fullness to the entire coat.

There's an easy smartness about these clothes that sharply distinguishes them from the styles of the past two or three seasons and from the models being shown elsewhere this fall.

Society Brand Clothes maintain their leadership in styles and values.
