

**RUTHERFORD COACH IN OREGON**

(Continued from Page One)  
some fine material, both from the holdovers and last year's Freshmen team.

"We are in bad shape at Corvallis. The material is poor and some of the old fellows have not come back. The situation looks very gloomy, but we are trying to make the best of it. And say, how it can rain out here. We haven't had a good day to work outside since the squad assembled, September 15.

**Finds Different Style.**

"Football on the Coast is a little different from what we play in the Middle West. The play there is more open, while out here it seems to tend to the plunge. I presume that is on account of the possibility of rain, which, of course, makes a pass harder to handle."

**VARSITY TRIES NEW PLAYS**

(Continued from Page One)

preparation for the battle with the Nebraska Cornhuskers this coming Saturday on Nebraska field, put their proteges through a long signal and scrimmage yesterday in an attempt to iron out some of the flaws most apparent in last Saturday's game with Dakota Wesleyan.

No new plays are to be given the Coyotes, it is asserted, but an attempt to perfect those used against Wesleyan will be made in the hopes of a possible victory against Nebraska. The South Dakota coaches have expressed their confidence in the ability of the squad to perform creditably against the Cornhuskers and a large number of students are planning to make the trip.

**Quarterback on Side Lines.**

The practice found the team intact with only minor injuries, with the exception of Quintal at quarter, who it is feared may not be able to perform this week.

The fight for positions in the line is expected to bring out some material this week which had hitherto been uncovered. It is probable that more than two complete backfields will be taken on the journey to Lincoln.

A heavy scrimmage Wednesday, with a light workout Thursday, will be the program for the remainder of the week. Especial emphasis is being laid on charging in the line, with the result that already a noted improvement in this respect is noted. The squad will leave for Lincoln Friday morning, arriving late Friday afternoon.

**RHODES MAN REACHES ENGLAND**

(Continued From Page One)

The courses at Oxford are specialized and any course is open to the scholar. The work which will cover three years may lead either to an A. B. or Ph. D. These advanced studies will correspond very closely to graduate work in American colleges.

The scholar will receive yearly the sum of approximately three hundred pounds, or about \$1,500 in American money, which will pay his necessary living expenses as well as for his incidental items. The student will attend school only about half the year, as there is a four-months' vacation in the summer, and two other recesses of six weeks each. During this time he has the opportunity to tour the continent and visit places of interest in the war-torn countries.

**Ohio 17—Purdue 0.**

COLUMBUS, O., Oct. 16.—Ohio state won its first western conference game of 1920 today, defeating Purdue university 17 to 0. The Buckeyes solved the much vaunted "Boller-makers" shift in the first period and led by a clever 15-yard pass crossed Purdue's goal two minutes before the period ended. Ohio state's other touchdown in the fourth quarter was preceded by an aerial attack.

**Princeton 34—W. & L. 0.**

PRINCETON, N. J., Oct. 16.—Princeton overwhelmed the Washington and Lee football eleven today by the score of 34 to 0. The visitors were never dangerous and Princeton scored in every period.

**Illinois 20—Iowa 3.**

URBANA, Ill., Oct. 16.—Illinois strengthened its chances for the western championship when it eliminated Iowa from the race by defeating the Hawkeyes 20 to 3. The Illinois last year's title winners used only straight football, while Iowa sprang trick formations, especially in the last two minutes, when the losers battled desperately. Illinois ripped the Iowa line at will and Hellstrom circled the ends repeatedly.

**Colorado College 20—Utah 2.**

COLORADO SPRINGS, Colo., Oct. 16.—Colorado college defeated the University of Utah football team here today by a score of 20 to 2, all of the scoring coming in the last period.

**SPORT BRIEFS**

James C. Lincoln established a new American javelin record when he hurled the spear for the remarkable toss of 197 feet 6½ inches in the recent fall track and field meet of the N. Y. A. C. at Travers Island.

With a championship football team under way Coach Rockne is turning his attention to a possible championship track team. To date Walter Sweeney, Notre Dame's distance star, has a turnout of over sixty-five on his list.

Captain Urban, leading the Boston College team last Saturday against Yale, pulled the surprise of the east. Old Eli was swamped under the disgracing score of 21-13. Slowly but surely the famous champion teams of yore are becoming past history.

"Jumbo" Stiehm justified the reputation he made at Nebraska last Saturday when his team, the long ridiculed Indiana team, humbled the mighty Gophers. Indiana's ability to shoot forward passes solved the victory for the Hoosiers. It is becoming more and more evident that the forward passing teams outclass even the mightiest of the old football machines.

Kansas again managed to win a game in last Saturday's combat with

the Drake Bulldogs. The score stood 7-3. It was the superior forward passing of Kansas that turned the trick.

After successfully defeating Minnesota, much to the surprise of the Big Ten conference, Northwestern bumped in the strong Badger team last Saturday and went down to defeat by the score of 27-7. Which all go to prove that the Wisconsin team must be a real Big Ten conference team.

Missouri charged through the inferior Ames line and pulled down her first victory of the season last Saturday by the score of 14-2.

The "Iowa Hawkeyes," Big Ten favorites for the championship, upset the dope bucket when they met defeat at the hands of the powerful and speedy Illinois team. The final count stood 20-3. This places Illinois as most likely 1920 champions with Wisconsin a close contender.

The Michigan Aggies helped themselves to their third defeat of the season last Saturday. Michigan State winning the game by the score of 35-0.

Syracuse, by the dint of a break in luck, managed to pull out the game with Pittsburg last Saturday with a tie, the score being 7-7. It was the Warnerites game up until the last few moments of the game.

Paul Dobson, one of Nebraska's ex-stars, continues to thrill the Californians with his clever and effective playing with the Olympic Club.

Grand Island, Hastings, Doane and Omaha are the contenders for the 1920 Nebraska College Conference championship. The defeat of the strong Peru eleven furnished the surprise of last week's battles. Grand Island winning the game by the score of 12-0.

South Dakota defeated the Dakota Wesleyan team last Saturday to the tune of 24-0.

Rutgers defeated Virginia Poly last Saturday, 10-7. So far this season Rutgers has not met any teams of national importance. The game with Nebraska will give the Crimson team a real inter-sectional tussle.

Penn State, the other Nebraska eastern rival, won her third game of the season in defeating North Carolina, 41-0. Bezdek has evidently turned out a first class team that is meeting with little serious opposition.

**SMART SHOES**

Practical styles for College wear, in Black or Brown Kid, and in Brown Calf. Lace boots with Military Heels. Exceptional values for \$7.50, \$8.00, \$8.50, \$9.00 and \$11.00 pair.
