VOL. XX. NO. 28.

LINCOLN, NEBRASKA, FRIDAY, OCTOBER 22, 1920.

PRICE FIVE CENTS.

## BIG PRIZES IN TICKET CONTEST

University Players to Offer Five One Hundred Dollar Lamps and Cash Sum to Sororities.

### Six Plays Scheduled

Manager Wood to Explain Terms of Race to Contestants—Wednesday Day of Starting.

Five one hundred dollar floor lamps and a cash prize of \$250 will be awarded to the five or six sororities that win in a contest to begin next Wednesday to sell season tickets for the University Players, announced C. W. Wood, business manager of the University Players. Mr. Wood expects to visit each sorority house to explain the terms of the contest and ask the sorority to register for the contest; only those that register will be allowed to compete for the prizes.

The five sororities that are the first to sell one hundred tickets each will receive the floor lamps. The sorority that has sold the largest number of tickets when a total of eighteen hundred is sold will be awarded \$250.

Floor lamps with mahogany or velour-covered stands and silk shades with gold trimmings have been selected. Five floor lamps—all different. Those who have seen them say that they will be handsome ornaments in the living rooms of the five lucky sororities. They will be on display in the window of a Lincoln furniture store during the contest.

The season tickets to be sold are for the six plays that the University Players are preparing to give in the Temple Theater this year. The University Players is the name of a course in the Dramatic Department, and the plays will be directed by Miss H. Alice Howell, associate professor of dramatic art.

The price of a season ticket will be three dollars. Single admission to each play will be seventy-five cents. Thus a person can attend six plays for what it would cost to attend four plays by single admission. In other words, the person buying a season ticket will save one half the price of the ticket.

Each play will be given three successive evenings, Thursday, Friday and Saturday. Six hundred reservations can be made for each performance making a total of eighteen hundred reserved seats which are to be sold.

In less than five days the contest will begin. It is to start early Wednesday morning. When the required number of tickets has been sold five sororities will become the owners of the five silk-shaded floor lamps and

## UNIVERSITY PLACE BEATS COLLEGE OF AGRICULTURE

Young Methodists Register 350 Victory Over State Farm Eleven Thursday Afternoon.

University Place High School defeated the University Aggie football team, 35-0, Thursday afternoon in a one-sided contest staged on the University Place gridiron. It was the first game of the season for the Nebraska Farmers and the heavy Aggie eleven was outplayed by the fast and clever suburbanite combination.

The game was fought in Aggie territory, the only place the Agriculturalists seemed to gain was through the Methodist line and towards the end of the game this avenue of yardage was closed up when the suburban team began breaking up the Aggie defense.

The Methodists scored on the first play of the game. Fairley kicked off (Continue on Page Four)

## NEW FRESHMAN LAW CLUBS ARE ORGANIZED

First-Year Legal Students Divided into Four Groups—Professor Foster in Charge.

Organization of the four new Freshman law clubs is well under way, and the average membership of each club, including the upperclassmen who have affiliated with them, will reach thirty, according to Prof. George N. Foster, chairman of the Faculty Law Club committee. The clubs will meet soon to complete organization. The first club will meet November 2 at 7:30 p. m., the second club November 2, at 8:30 p. m., the third club November 3, at 7:30 p. m., and the fourth club November 3, at 8:30 p. m., all in room 201, Law building. Officers will be elected and constitutions and by-laws will be adopted. The clubs will be officially named at this time.

If there are mistakes in the list of club memberships which are printed below, Professor Foster asks that they should be reported at once. Members may be added to these lists up to Tuesday night, November 2. These names will be placed on the charter membership rolls.

Membership. The following men are members of the four new clubs up until October 20:

First Club—Gardner, Stryker, Stanton, Smith, Newman, Alleman, Turner, Maupin, Anderson, Aitkins, Samuelson, Genoways, Liby, Solomon, Wilson, Hager, Sidner, Joiner, Fraeick, Mullen, Weightman, Richards, Kinsey, White, Hartley, McBride, Mooberry, Westover, Love, Brown, R. O. Johnson, R. A. Johnson, Rogers, Roberts, Cypreansen, Butler, Cartney.

Second Club—Austin, C. E. Clark, Powell, Stockan, Slater, Beck, Williams, Miss Buol, Miss Huffington, Mason, Patty, Requartie, Ross, Nye, Van Kirk, Nuss, Babcock, Coombs, Ellis, Durisch, Sukovaty, Steinkraus, Kensinger, Shumway, Baldrige, Chaney, Lewis, Mayo.

Third Club—Baker, Matusac, Jacobson, Noel, Bickford, Dawson, Green, Fogelson, Allen, Lewis, Addison, Brown, Lind, Geisecker, McDonald, Parker, Bacon, Nedrow, Rada, Van Pelt, Drake, Finkelstein, Rose, Woodie.

Fourth Club—Wenke, G. Gardner, Moore, Mackey, McFarland, Rodwell, Peck, Northrup, Newell, Pickett, C. M. Adams, O'Connell, Westermarck, Shumway (Fr.), Snell, Doty, Quigley, Jones, Jackson, Preston, Beck, Eastman, Hammond, Oliver, J. D. Adams, Pickwell, Boyd, Peters, Keichel.

Purpose of Clubs. The purpose of these clubs is to foster closer fellowship between students in the Freshman law class, to further the study of technical legal problems and to help students in looking up references. Legal discussion and debate will be promoted. Points of law will be briefed and the students' efficiency in finding the issue of law will be increased. "Readiness in argument at the counsel table is well worth the student's time," said Prof. George N. Foster. The membership in the clubs is entirely voluntary. Faculty members of the Law School will act as advisers as well as members of the upper law classes. The clubs will be under the direction of the students themselves without any intervention of the faculty.

## W. A. A. Girls Do Big Business Supplying Rooters With Apples

"Apples! Peanuts! Candy!" Co-ed sellers with loaded baskets on their arms are at every football game on the athletic field, varsity or high school, vending their wares to an eager crowd of buyers. 1600 apples were consumed by the rooters at the Notre Dame game last Saturday. At other games the average has been about 800. When mouths are parched and voices weakening the rooters call for apples. But that is not all. Between 200 and 300 sacks of peanuts pass into the hands of the hungry "husker" rooters at each game and it is a fact that the bleacherites eat about 700 bars of candy as well.

A mathematically inclined person might be able to figure out just how much money is taken in with everything ten cents each. Even the others must realize that the sum cleared is not small. The question then arises, where does the money go? The Woman's Athletic Association holds the concession. Originally the W. A. A. girls started to sell at the games to earn money for the Red Cross. During the war a part of the money went to support French orphans. Last year

the organization showed its loyalty by pledging \$500 to the Memorial fund. A part of the money goes to pay W. A. A. expenses. The "N" sweaters which the proud co-ed athletes wear are bought with the dimes taken in at the games; also delegates are sent to the national W. A. A. convention.

It is big business, this holding the selling concession for football games. And it is work for the girls, too. One would think the girls are practicing up for the baseball season to see them sling the apples. It is rather exasperating when the apple aimed at the man on the top row of the law section goes over the fence or you hit another girl's hat instead of her hands. Another trial of the seller is to have some inconsiderate person want a Hershey bar just when the team is making the final play for the goal and while you satisfy the customers others beseech you to please remove yourself as you are obstructing the view. But there is some recompense in the knowledge that you are working for a good cause and honestly having a good time.

## QUARTERLY REPORTS WILL BE ISSUED

Executive Dean's Office Busy Compiling Scholarship Data for First Period.

Assistants in Dean C. C. Engberg's office are working "over-time" this week compiling the results of the first quarter-semester's work. Heretofore reports of students' scholastic standing in their various classes were sent out by instructors only at mid-semester and again at the end of the term. This year reports will be sent to the Dean's office four times a semester, the first period of which ended Friday, October 15.

A number of additional reports were not sent to the Dean until this week. This has delayed the office force in completing the card files. Nearly all grades were copied, however, by Wednesday night. Notices are being sent out to delinquent students this week.

Reports for the first quarter-semester indicate that although a number of "incompletes," "conditions" and failures were turned in, students are studying with more determination than at this time last year.

These quarterly reports will aid fraternity scholarship committees in keeping the grades of the members of the various organizations above par.

## PAUL DOBSON NOW GRID STAR ON COAST

Former Husker Captain Playing With Olympic Club of San Francisco—Wins Game From Stanford.

Many former Cornhusker stars are playing prominent roles on professional and club football teams this year. Paul Dobson, '20, is playing fullback on the Olympic club team of San Francisco. There are very few Husker followers who have not heard of Dobson at some time or other. Dobson was a member of the Husker squad in '16, '17, '18 and '19. "Dobie" played Varsity football in '16 and '17 but was called to the navy in the fall of '18 before the season had fairly started. He was a member of the famous Great Lakes team in '18 that beat every thing in the country. He returned to Nebraska in time for the Notre Dame game on Thanksgiving day and it was due to his punting ability that kept the Catholics from scoring on Nebraska. The final outcome of the game was 0 to 0.

In '19 Dobson was captain of the team and one of the mainstays in the backfield. He was one of Nebraska's greatest punters and was a sure drop kicker. It will be remembered that Dobson made the drop kick in three inches of snow last Thanksgiving day that won the Syracuse game.

## R. O. T. C. TO RECEIVE UNIFORMS NEXT WEEK

Army Paraphernalia Will Be Given Out to Senior Unit Beginning Monday.

Uniforms will be issued to the members of the Senior Unit of the R. O. T. C. commencing Monday, October 25. The articles of uniform issued will be the property of the United States. They are to be kept in the best possible condition, and returned when called for in good condition, except for fair wear and tear. Students will be required to pay for any articles lost and they are punishable under federal law for misappropriation of the uniform. Delay in returning articles of uniform will result in serious inconvenience to the Military Department. The following simple rules, if followed, will enable R. O. T. C. men to at all times appear in uniform to the credit of themselves, the University, and the army. Always have the coat hooked and buttoned throughout; never appear without all the ornaments which are supposed to be worn; wear the cap straight; brush the uniform before it (Continue on Page Four)

## HUSKERS READY FOR SOUTH DAKOTA

Schulte Gives Nebraskans Another Stiff Workout in Preparation for Invading Coyotes.

### Use Straight Football

Scarlet and Cream Mentor Hopes to Win By Large Score—To Use Entire Squad if Possible.

The Huskers were given another stiff workout last night in preparation for the South Dakota Coyotes and are in pretty fair shape for the game tomorrow. Coach Schulte is figuring on a hard battle and is drilling his men accordingly.

The exact lineup for tomorrow's game can not be determined as yet but it will probably be the same as that which faced Notre Dame with a few exceptions. Coach Schulte has been giving all the backfield men a chance this week to work on the Varsity and will probably use a number of the second string men. A great deal of time was spent in signal practice last night and the Huskers are showing a remarkable improvement in getting off their plays faster.

South Dakota is not confident of winning the game tomorrow but plan to give the Huskers a real battle and put up a fight that will make Nebraska set up and take notice. The South Dakota delegation will arrive in Lincoln early this evening and will be quartered at the Lincoln Hotel. They will probably take a light workout Saturday morning on University field or at the State Farm.

### Schulte Wants Big Score.

Coach Schulte is in hopes that Nebraska will win the game by a large enough margin tomorrow so that he may use more of the men on the squad. The New York trip comes next week and Nebraska has two hard games within a week. This is going to necessitate the using of more men than usually take part in two games. It is doubtful whether Nebraska will open up tomorrow if the Huskers can win by straight football. Coach Schulte has some "pet" plays he is saving for the New York trip and will not use them unless it is absolutely necessary.

The only Husker who has been laid up for some time on account of injuries but will probably be seen in tomorrow's contest is Hubka. Last night was Hubka's first on the field this week and Coach Schulte did not work him any whatever. Pucilek and Dana will be in the line tomorrow and help the other Nebraska forwards in breaking up the Coyotes' formations. There will be a large delegation of rooters with the South Dakota squad and Nebraska is promised some keen competition not only on the football field but from the stands also. The crowd will by no means equal that of last Saturday but are (Continue on Page Four)

## NEWS OF THE DAY

**Rail Men Join in Strike.** LONDON, Oct. 21.—British railway men will strike Sunday night in sympathy with the coal miners. They intend to make it an issue between the government and the working class, unless negotiations to end the coal strike are ended soon.

**Big Cut in Government Budget.** WASHINGTON, Oct. 21.—Uncle Sam is making a billion dollar cut in the treasury budget for next year. The 1921 estimate for government expenses is being closely paid, and the cut may even exceed the billion mark, according to government officials.

**MEXICO CITY, Mex., Oct. 20.**—The "capture" of Col. Felix Diaz was a farce as carefully staged as any

Broadway musical comedy. The main purpose of the capture was to cool the resentment of his followers because Diaz had deserted them.

**Banks Depend on Farmers.** WASHINGTON, Oct. 21.—The safety and prosperity of the banking business depends, on the safety and prosperity of the farmers. The bankers are urged to help the farmer market his products by co-operating with them.

**MacSwiney Living on Seventieth Day.** LONDON, Oct. 20.—Terrance MacSwiney is still alive on the seventieth day of his hunger strike. He was delirious most of the day, and was forcibly fed by staff physicians later in the day.

## Home Economics Girls To Be Entertained

Omicron Nu and Home Economics Club will be hostesses at a tea given from 3:30-5:30 today at Ellen Smith Hall. All girls taking work in that department are cordially invited to come. A very interesting and "pep" program will be given at o'clock. It will be particularly interesting to Freshmen. Before and after the program good music will be furnished, so dancing may be enjoyed. A large number of faculty women will be present. This occasion will afford an excellent opportunity for girls to become acquainted with the faculty.

A number of prominent people on the campus will give short talks on subjects that will interest all the girls. This is going to be a pep party, so don't miss it and be sure to come and get acquainted.

## Xi Delta Party Is Postponed a Week

Xi Delta, Sophomore honorary society, has postponed their party to October 29. It will be given from 3-6 at Ellen Smith Hall next Friday afternoon. It is for all Freshmen and Sophomore girls. All Sophomores are urged to come out and get acquainted with each other as well as the Freshmen.

## Chancellor's Office Being Renovated

The office of Chancellor Samuel Avery is being renovated, cleaned and retouched in his absence. Work was started Tuesday. The walls and ceiling are being painted. It is expected that the office will again be ready for occupancy when the executive returns from his eastern journey.

### DIRECTORY NOTICE.

The publishers of the University directory request that the presidents of those clubs and societies which have been organized since September, 1919, leave a list of their officers with the secretary of the Y. M. C. A. at the Temple building not later than Friday, October 22. This is absolutely the time limit for corrections and additions for the new directory.

October 11, 1920.

To: All Officers of Instruction: At the senate meeting last Saturday it was decided to make quarterly reports on delinquencies of the Freshmen and Sophomores as well as such other reports as might be of value in promoting better work, and higher scholarship. For instance, a student starts out as an 80% student, but has lost his grip and though still passing, is now down to say 70%. These reports should not be considered as doing away with the weekly use of the "Remarks" and "Standing" columns. The first report is due Friday of this week.

Prompt co-operation is urgently desired.

(Signed) CARL C. ENGBERG.
