LINCOLN, NEBRASKA, MONDAY, OCTOBER 25, 1920.

PRICE FIVE CENTS.

SPECIAL CARS TO NEW YORK

Necessary 125 Fares Not Obtained—Committee Hopes Two Carloads Will Take Trip.

Leave Friday Afternoon

Team Leaves Over Burlington Route—Stop-Overs Planned at Chicago and Niagara Falls.

There is every indication that there will not be a special train to New York and Pennsylvania this Friday when the Husker football team leaves for the East. Although many of the students had visions of leaving with the squad, it is evident from the number actually planning to go, that the necessary 125 fares will not be reached.

It is still hoped by the committee that at least two special cars will go on the trip. The football squad will include about thirty men, and will leave Friday afternoon at 4:30. If the special train is to be chartered, the railroad authorities must know today.

If special cars will be chartered, they will go by the way of the Burlington railroad. Sleeping car reservations will be made on the special coaches. The fare, which includes the Pullman charges, will be \$170 for the round trip. Remittances should be sent to Guy Reed as soon as possible. Mr. Reed is acting as chairman of the committee.

Five-Day Stop in New York.

The itinerary includes a five-day stay in New York City, with stop-overs at Niagara Falls, Chicago and at State College, Pa. In Chicago, on Saturday the team members will have a light workout and in the afternoon will see the game between two of the leading teams in the Big Ten conference. Sunday will be spent in Niagara Falls. After the stay in New York, the team will go to State College, Pa., where Penn State is located. They will leave that night after the game and expect to arrive in Lincoln on Monday, November 8.

The Proposed Itinerary.

Friday, October 29—Depart from Lincoln at 4:30 p. m., via Burlington railroad.

Saturday, October 30—Stop in Chicago for practice workout by the team. During the afternoon, the team

(Continued on Page Four)

HOME ECONOMICS PARTY A SUCCESSFUL AFFAIR

Sixty Co-eds Enjoy Dancing and Program Friday in Ellen Smith Hall.

The Home Economics Club and Omicron Nu were hostesses at Ellen Smith Hall Friday afternoon to all the girls in the Home Economics Department. About sixty co-eds were present to enjoy the visiting, the dancing, the solo by Susie Riches, accompanied on the piano by Hilda Grunwald, and the reading given by Alberta Shires. The guests included six members of the faculty: Misses Stewart, Fuller, Livingston, Rutherford, Shannon and Mrs. Rice. Gladys Pheasant was chairman of the entertainment committee, and Ella Fortna had charge of the refreshments.

While the co-eds from the Farm campus were together, Hattie Hopper, president of the Home Economics Club, presided at a short business meeting. Helen Hunt was the Sophomore chosen to fill the office of treasurer to fill the vacancy caused by the resignation of Artis Taylor, no longer a member of the Home Economics Club. Eleanor Mapes was elected from the Freshmen girls as club secretary. In connection with the membership campaign, which is in charge of Mary Herzog, an invitation was extended to all Home Economics girls to join the Home Economics Club. The meetings of the society will be held at Ellen Smith Hall the second Tuesday evening of each month. Margaret Cowden, president of Omicron Nu, gave a short talk on the new requirements of the honorary sorority. She stated that in the future Omicron Nu was to be placed on a scholarship basis and that this year's Seniors must have an average of 87 1/2 per cent and Juniors and underclassmen 90 per cent in order to be eligible for membership.

Y. W. C. A. Launches Membership Drive

The Y. W. C. A. is this week launching a membership drive under the chairmanship of Faye Curry, '21. One hundred girls whose names will be announced later, will aid Miss Curry in this campaign.

These girls are to meet together this evening at 5 o'clock at Ellen Smith Hall to receive instructions and to decide on the details of the campaign. It is planned to reach every girl of the University either through talks at the dormitories and sorority houses or by personal interviews. There is to be no fee for membership this year as there has been in the previous membership drives, but each member in joining pledges herself to be a true believer in the Christian religion.

CAMP FIRE GROUPS TO BE ORGANIZED BY GIRLS

Two Sections to Be Formed—One for Training Work and Other of Social Nature.

Camp Fire groups will be organized in the University this year for the purpose of giving girls an opportunity to train for guardians work and to bring together Camp Fire girls from different parts of the state. A meeting was held Wednesday to discuss plans for organization and to interest girls in the work. Ruth McKenney, a former member of the University Wolohi Camp Fire, was in charge of the meeting.

Two groups will be formed if enough girls signify their interest. One will be a Guardian's training class which will meet once a week. There is a demand among University girls for such a class because often when they go home or to teach school they are called on to lead Camp Fire groups of younger girls. The work will be similar to that of the past three years when Mrs. F. F. Teal led a class, organized under the name of the Wolohi Camp Fire. The Camp Fire was regarded as a model group. As well as learning how to carry on the work the girls did practical Camp Fire work and held ceremonial meetings at which ranks were awarded.

The second group will be more of a social group. There are a large number of girls in the University who have at one time been actively associated with the Wolohi Camp Fire or who have been Camp Fire guardians in their home towns. For these girls who can not enter the guardian's training class the social organization is planned which will meet less frequently but will keep the girls in touch with Camp Fire.

Any girl in the University, whether or not she has had any Camp Fire experience, is invited to join one of the groups. A meeting will be held Monday afternoon at 4 o'clock to perfect plans of organization. Those who can not attend this meeting but who wish to take up the work are asked to give their names and addresses to Ruth McKenney. The year's program and group leaders will be announced later.

New Study Room for All Language Students

The new room recently opened up as a library and study room for modern language and English students should be used by all such students who can. It is located in the old Legislative Reference Bureau room on the third floor of University Hall, number 306.

This study room and library was opened with the idea in mind to relieve the congested condition of the main library and also to furnish a light, airy, comfortable room for students in the English and language departments.

The room is equipped with good chairs and tables; it has the reference library for modern and classical languages, several new dictionaries and lexicons and English reference books. Two private rooms for graduate students of language are provided. The classical reference library being there furnishes a welcome for the students of classical languages as well. The light and air are good and help to make a pleasant study room. Mrs. Nellie B. Pickup is the library assistant in charge and will be glad to be of service to the students. The hours are from 9 to 12 and 1 to 5 daily except Saturday when they are from 9 to 12 only.

SORORITIES HEAR OF PRIZE CONTEST

C. W. Woods, Business Manager of University Players, Tells of \$1,000 for Winners.

Fourteen sororities sent representatives to the meeting at the Temple Saturday morning, when C. W. Woods, business manager of the University Players, presented to the co-eds the offer which the Players are making to the sororities for the sale of season play tickets. One thousand dollars is to be given away in prizes, in the form of five floor lamps to be awarded to the first five selling one hundred tickets. The goal of selling eighteen hundred season tickets has been set by the University Players and when that number of tickets has been disposed of the prizes of \$250, \$150 and \$100 will be awarded to the three sororities which have turned in the most money.

The girls were all enthusiastic over the liberal offer made to them and it is expected that there will be a great deal of rivalry among the contestants when the sale of tickets begins at 9 o'clock Wednesday morning. The first play of the season, "The Successful Calamity," will be given November 28, 19 and 20. This play was William Gillette's biggest success in 1915 and played 250 nights. The University Players have never before offered season tickets to University students.

KINDERGARTEN CLUB ELECTS PRESIDENT

Eleanor Talbot Heads Organization for Coming Year—Affiliated With National Society.

Eleanor Talbot, '23, was elected president of the University Kindergarten Club at a meeting which was held Wednesday at the Teachers' College. The advisory committee will consist of Fern Jackson, '24, Margaret Stidworthy, '23, and Dorothy Hammond, '22.

This club was organized in Nebraska last year as a branch of the national council of primary education. The organization was formed partly for social purposes and partly to further the work in which the members are specializing. The Nebraska club has between two and three hundred members.

The national council of primary education, with which the University club is affiliated, is a strong national organization composed of people who are especially interested in the education of little children. Miss Ella Victoria Dobbs of the Columbia University of Missouri is national president.

Nebraska has several local groups as well as a strong state organization of this order. The University club is affiliated a strong national procedure this year as was employed last—some excursions to the juvenile court, the state home for dependent children, the Orthopedic hospital and other places which care especially for young children.

"It is our idea that the girls should know child life in all its phases, and not merely the child in the classroom," Miss Clara Wilson, head of the kindergarten department, declares. "That is why we intersperse the excursion trips with the parties."

The retiring officers of the Kindergarten Club are Grace Stuff, '23, president, and Marian Yungblut, '22, with Lois Melton, '22, and Sadye Rotholz, '21, on the advisory committee.

Freshmen Girls Work Hard For Only An Hour's Credit

"What an easy way to get a credit," remarked an interested onlooker as he passed a class of Freshman co-eds learning to twirl Indian clubs. Perhaps he did not notice the pouts on their disinterested faces as they listened to the directions of the instructor.

A few minutes earlier they were a mass of hot humanity in the small crowded locker rooms, each interested only in finding her locker, and elbowing her way into her gym clothes. One Freshman girl had no trouble in opening her locker, for it was not even locked, to her the combination is a Chinese puzzle, and she throws care and caution to the winds in her effort to be in line on time.

Now standing there in their black ill-fitting suits and white shoes, longing for the last five minutes to pass,

COMMERCIAL CLUB HOLDS INITIATION

Fifty-nine New Members Taken into Organization Friday Night.

The University Commercial Club initiated fifty-nine new members at a special meeting Friday evening in the Y. M. C. A. reading room of the Temple building. A program was given after the initiation.

The new members of the club follow: G. L. Elwell, Irvin Wheeler, C. H. Prouty, John H. Porter, J. H. Tyson, L. F. Renstrom, R. M. Musrove, David F. Simmons, Bryan Metzger, Dale Schilling, W. H. Waters, Roscoe E. Ward, E. M. Armitage, Millard H. Noragon, Dan Nettleton, J. J. Hare, Walter T. Peterson, Norman L. Cramb, D. H. Harvey, W. Harold Allen, Marvin C. Anderson, Leonard T. Waterman, Clayton Rystrom, H. A. Dale, Kenneth Davis, Byron Carse, I. S. Renie, Edwin L. Loewenstein, Nels F. Nelson, W. O. Moore, B. H. Anderson, J. W. Fricke, R. R. Hartwell, E. W. Northrop, John A. Petseys, D. R. Downing, H. W. Wyant, G. C. Garner, G. R. Grah, Theodore Skillstad, L. J. Dreamer, Harm Harms, C. C. Volz, C. A. Counce, H. R. Mann, Donald Mitchell, Stewart A. Love, Frank Matthews, T. V. Garrett, A. G. Wilson, E. R. Strand, Wilbur F. Bon, A. T. Prapocio, F. H. Engle, Dean Bickford, Harold Spencer, W. C. Ferris, R. M. Babcock, M. E. Aegerter.

OMAHA CLUB TO HOLD FIRST MEETING OF YEAR

Students from Metropolis to Gather in Social Science Auditorium Tuesday Night.

The Omaha Club will hold a meeting Tuesday night, October 26, in the Social Science Auditorium to organize their work for the year. The meeting has been called by Jesse Patty, president of the organization.

The club was organized early in the spring this year to bring about a closer relationship between active students in the University and Omaha alumni. The students were active in providing entertainment for visitors attending the High School track meet held here in the spring, and took care of the old grads who attended the commencement week festivities.

Last year there were over 200 members in the club and it is hoped that, with the large number of Freshmen entering the school from Omaha this semester, the club membership will reach 300.

The officers elected last year will retain their positions until next spring, when officers for the following year will be elected. The active officers are as follows: Jesse Patty, president; Dorothy Hipple, vice-president; Ray Stryker, secretary; and Harry Latowsky, treasurer.

Mary Baker Elected to Advisory Board

Mary Baker, '21, was elected a member of the Senior Advisory Board at the meeting of that body Thursday night. Miss Baker will fill the vacancy caused by Grace Lufkin, ex-'21, who did not return to school this fall. The newly elected member is one of the prominent Seniors on the campus. Besides being a competent Y. W. C. A. worker and one of the thirty captains on the Committee of Two Hundred, she has done much for individual girls in school.

HUSKERS SWAMP SOUTH DAKOTA BY BRILLIANT OFFENSIVE PLAY

Coach Schulte's Team Shows Fight in Saturday's Combat With Coyotes—First Half Ends With Score Nothing to Nothing Then Nebraska Turns Loose and Overwhelms Lighter Opponents.

Pucelik's Playing Feature of Game

Varsity Outplays Men from Vermillion in All Departments of the Game—Straight Football Used at Nearly All Times—Nebraska's Goal Never in Danger.

STUDENT DIRECTORY APPEARS IN WEEK

Handbook Contains Several New Features—Book Contains Complete Roster of Faculty.

The new University student directory will make its appearance on the campus early next week, although the publishers of the manual have not given out the exact date of its release. The editors in charge of the 1920-21 directory are planning to make a most complete and accurate roster of Nebraska students.

The handbook will contain information about every student in school. A complete roster of the faculty, including the addition of their campus telephones, will be one of the features of the new pamphlet. Every campus society with a list of its officers, as well as lists of professional fraternities and literary societies, will be reproduced in the book. The new cottage dormitories will be listed in the directory with a small amount of information about each student dwelling.

Complete Fraternity Information.

A special effort has been made on the part of the publishers to get complete information about the Greek-letter organizations at Nebraska.

In the past few years the directories have been small paper-bound books which sold at popular prices. The form of this year's book has not yet been announced but the price will be within the reach of every student, according to the editor of the pamphlet. In 1915-16 the directories were more elaborate, with heavy gold and black covers.

The booklets are published under the auspices of the University Y. M. C. A. John Burley is editor of the 1920-21 directory.

Dinner for Freshmen Girls Thursday Night

More than one hundred girls attended the Big and Little Sisters' meeting Thursday evening, when plans for helping Freshmen girls were discussed. It was decided to have a Big and Little Sisters' dinner at Ellen Smith Hall Thursday of this week at 6 o'clock. The dinner is to be given under the auspices of the Senior Advisory Board. Tickets at 50 cents each may be obtained from Miss Selbeck, the secretary to Miss Heppner, or from members of the Senior Advisory Board.

Frampton Discusses Compensation Laws

W. C. Frampton, prominent Lincoln attorney, discussed all phases of "The Workman's Compensation Act" before the students of the Law College at the fifth general lecture period Friday morning at 11 o'clock in Law 101.

W. G. Hastings, professor of Equity and History and System of Common Law, introduced the speaker.

The compensation law was thoroughly discussed in all its details. There has been a large amount of discussion concerning this act and the Law College gladly took advantage of the opportunity to understand the intricacies of the rules governing the new law.

Komensky Club

The Komensky Club meeting held Saturday in the Social Science Hall officers were elected for the year. Arnost Sukovaty, president; Sylvia Niki, vice-president; Chas. Navotny, secretary; Libuse Belahavy and Claude C. Votapka, sergeants at arms. The rest of the evening was spent informally.

Hallowe'en dance at Rosewilde, Friday, October 23. Refreshments.

Statistics of the Nebraska-South Dakota game follows:

Yards gained from line of scrimmage—Nebraska, 296; South Dakota, 88.
First downs—Nebraska, 11; South Dakota, 2.
Punts—Nebraska 11 for 388 yards, average 36 yards; South Dakota 15 for 578 yards, average 38 yards.
Penalties—Nebraska, 6 for 50 yards; South Dakota, 3 for 9 yards.
Passes completed—Nebraska, 1 for 17 yards; South Dakota, 1 for 2 yards.
Passes incomplete—Nebraska, 5; South Dakota, 3.
Passes intercepted—Duba, Nebraska, Dana, 2.

Nebraska's Cornhuskers proved their ability as football artists Saturday by taking the South Dakota aggregation into camp to the tune of 20 to 0. This makes the third shutout of the season for Nebraska.

The advantage in weight that Nebraska had over the Coyotes was one of the main factors in the victory. Coach Schulte's warriors had all the "breaks" in the game as far as luck was concerned. The Coyotes had lots of fight but could not withstand the rushes of the heavy Nebraska forwards and backs.

The first half of the game was not much better than the average high school team puts on and was very disappointing to the followers of the Huskers. Most of the first half was taken up in a punting duel between the two teams with honors about even. Nebraska seemed to be in a trance and unable to come out of it. The Huskers failed to make first downs many times in this period of the game but woke up later on. Neither team seemed capable of hanging onto the ball and fumbles were frequent on both sides.

South Dakota kicked off to Nebraska the second half and Nebraska began to display some real football ability. The Huskers were able to make first downs without much difficulty at this stage of the game.

PLAYERS PRESENT LATEST PRODUCTIONS

University Dramatists Plan Series of Plays—Proceeds Go to School Activities or Charity.

The University Players are planning a number of excellent productions this year. The organization will send a number of plays out University Week during spring vacation.

The players are chosen from students studying dramatic art and those appearing in Dramatic Club plays. Often alumni of the University appear when a particular "type" is needed.

The class of plays presented are of the best. Last year the following plays were given: "It Pays to Advertise," "The Witching Hour," "Under Cover," "Twelfth Night" and "Mrs. Bumstead-Leigh."

Three or four weeks of intensive practice must be put in before a play is ready for presentation. Before they are given in the Temple for the University, practice performances are given to "smooth up" any imperfections.

As an advertisement for the University, the Players have an advantage over any athletic activity, for the shows that are presented over the state give patrons of the school a definite idea of what is being done.

The plays presented often cost the producers as much as \$50 a night royalty. The profits made by the players are devoted to school activities or benevolences. Two thousand dollars has been pledged toward the Memorial gymnasium. Last year the entire proceeds of one performance was given to the French orphans' relief.
