

University Aggies To Meet Tecumseh Friday

The University Aggies will meet Tecumseh high Friday of this week. This is the second game of the season for the Farmers and Coach Proctor and his squad of huskies have been putting in some hard licks preparatory to the game.

The showing made against University Place last Friday was a creditable one. The Aggies showed both speed and weight. The only thing that was lacking was experience and several more games will give this asset to the Ag team.

Intelligence Tests For Educational Group

The army intelligence tests were given to all University students registered in Teachers' College and to the students in the Teachers' College high school this week by Dean Fordyce.

This is the first time these tests have been given by this department. The results will be used as a basis for checking up the work of students in the Teachers' College. About 400 took the tests.

HIGH SCHOOLS RACE FOR LAURELS IN FOOTBALL

(Continued From Page One) had following the game with the University Farm Aggies, which is booked for this week.

South Omaha removed Norfolk from the race Friday, when the Packers walloped the Norfolk eleven by a 13 to 9 score.

Lincoln Prospects Pick Up. Lincoln stock took a turn upward Friday when the Red and Black defeat has instilled confidence in the Lincoln camp and should the Red and Black trim Beatrice by a fair margin, Lincoln may be returned to the position of a championship contender. This stand would be strengthened should Lincoln defeat University Place if a second game between the two schools can be arranged.

North Platte disposed of any aspirations Creighton high of Omaha may have maintained when Keith Neville's bunch trimmed the Omaha team, 33 to 6, in a game played at North Platte.

Farm Aggies May Bear Watching. The University Aggies got off to a poor start Thursday afternoon when University Place handed the Aggies a decisive trimming. The Farmers, however, have the material for a strong team and may cause opponents considerable worry before the curtain rings down on the present season.

Bayard is slated to meet Sterling, Colo., this week in a game in the mountain state. The Omaha Central-Beatrice game will be watched with interest.

- This Week's Important Games.**
- Lincoln at Superior.
 - Omaha Central at Beatrice.
 - Mason City at Ravenna.
 - Curtis Aggies at McCook.
 - Fairbury at Crete.
 - West Point at Stanton.
 - Clay Center at Friend.
 - University Place at Fremont.
 - Ablion at Fullerton.
 - Auburn at Falls City.
 - York at Norfolk.
 - DeWitt at Exeter.
 - Grand Island at Hastings.
 - Sutton at Geneva.
 - Blue Hill at Edgar.
 - Randolph at Wkefield.
 - North Platte at Kearney.
 - Gothenburg at Scottsbluff.
 - Adams vs. Beatrice Reserves at Beatrice.
 - Steele City at Barneston.
 - Bayard at Sterling, Colo.
 - Bethany at Cathedral High, Lincoln.
 - Wahoo at Ashland.
 - David City at Central City.
 - Spearfish Normal at Chadron Normal.
 - Wilber at Seward.
 - Beaver City at Red Cloud.

CONTEST RULES ANNOUNCED

(Continued from Page One) Eighteen hundred season tickets is the goal set by the Players in this contest. When that number of tickets has been sold, prizes of \$250, \$150 and \$100 will be given to the sororities that have turned in the most money. The sale of tickets will begin at 9 o'clock Wednesday morning.

First Play of Season.
"The Successful Calamity," the first production of the season will be presented by the University Players November 18, 19 and 20. This play was William Gillette's biggest success in 1915, and played over 250 nights. The plays will be directed by Prof. H. Alice Howell of the University Dramatic department.

Each play will be given three successive evenings: Thursday, Friday and Saturday. Six hundred reserved seats can be made for each performance. This is the first time that the University Players have offered season tickets for sale at the University.

SPRINGFIELD REPUBLICAN DISCUSSES CONVENTION

EASTERN DAILY PRINTS SPEECH OF NEBRASKA CHANCELLOR.

Prominent Men on Program of Land Grant College Representation.

The Daily Nebraskan has received a clipping from the Springfield (Mass.) Union of Wednesday, October 20, which prints in detail the address given by Chancellor Samuel Avery before the thirty-fourth annual convention of land grant colleges which opened a three days' session at the Hotel Kimball in that city Tuesday night. The Chancellor's speech was reproduced in the Nebraskan for Monday, October 25.

The Springfield Union continued in part in regard to the sessions:

"Dean W. W. Charters of the Carnegie Institute of Technology, Pittsburg, also spoke, pointing out that it would be better to secure practical training in a subject and then apply whatever was helpful from the fundamental subjects.

"United States Secretary of Agriculture E. T. Meredith will be the principal speaker at the session Wednesday at 8 o'clock. There will also be an address by Dr. Alonzo E. Taylor of the University of Philadelphia.

"At a meeting of the executive committee and Federal representatives yesterday afternoon administrative relations between land grant colleges and the Federal government as to a more efficient use of Federal funds by the colleges were discussed, as was the visit which the delegates will make to M. A. C., Amherst, and Massachusetts Institute of Technology in Boston on Friday.

"Delegates and guests of the association will attend a farm festival and beefsteak barbecue at Eastern States grounds Thursday night at 6 o'clock. The speakers will be Dr. A. E. Winship, editor Journal of Education; Dr. A. W. Gilbert, state commissioner of agriculture; Edward W. Hazen, chairman of executive committee of Eastern States League, and John C. Simpson, manager of Eastern States Exposition."

Lincoln Association To Hold Open House Soon

Open house is to be held at the Lincoln Y. M. C. A. on November 3, for all members and their guests. All activities will be open for the visitors. The election returns will be announced at various times during the evening.

The shop committees of the industrial department are working on the "Americanization" project, which was started a few weeks ago. The opinion of the committee is that the start of the project should be made during the election since the greatest part of the interest may be aroused in choosing leaders for the government.

The Y. M. C. A. Volley ball team picked from the business men's classes will leave Tuesday for Fremont, where it will meet the Y. M. C. A. team of Fremont. The team is made up as follows: Homer Hawthorne, E. V. Giesler, William Abbott, Dr. R. W. Reynolds, Fred Hardy, E. L. Farmer and W. J. Kirkbride.

Ten Thousand People Witnessed Big Game

Ten thousand persons witnessed the Notre Dame football game on Nebraska field, a total attendance which broke all records for the past four or five years. The advance sale of tickets exceeded the total sale for any game in recent years. The last of the reserved seats were sold by 11 o'clock on Friday preceding the clash, and four hundred general admissions were sold before 1 o'clock that day. With the exception of twenty-five hundred students, the spectators were alumni, former faculty members and visitors.

A feature of the game was the delegation of several hundred rooters from Omaha and South Omaha, who paraded the field before the game, headed by their own band.

Arthur Wray to Appear At Convocation Today

Arthur C. Wray, independent candidate for governor, will speak in the Temple theater at 11 o'clock today. Prof. Paul H. Grummann, who is in charge of convocations, has opened the theater to all prominent political speakers. Senator Beveridge of Indiana, who is speaking in the Republican campaign, is the only person to take advantage of Professor Grummann's invitation up to the present time, and his speech was not political in nature.

COLLEGE WORLD

MOAKLEY RECEIVES PURSE

More than 200 of Ithaca's most prominent citizens headed by Mayor Stewart gathered at the Ithaca Hotel last Thursday to accord due honor to "Jack" Moakley, dean of track coaches, and to express their appreciation of his efforts as an Olympic trainer. As material evidence of this appreciation was Moakley presented with a purse of \$575 which had been contributed by Ithacans and University men.

COLLEGES CO-OPERATE WITH COLUMBIA

Rutgers and the New Jersey State College of Agriculture have joined with Columbia in an agricultural program which is new in academic history. The program is to contribute to an agricultural course that which they are best equipped to give, and thus give the student the advantage of the resources of the three institutions.

READ AND SMOKE

All subscribers to the BROWN HERALD have a chance of getting a ten package carton of Fatimas every time the Brown Journal goes to press. The management is running a kind of diminutive Louisiana lottery, and evidently hopes to work up a subscription list by appealing to the w. k. lure of Democ Nic. We anxiously await further developments of this "read and smoke" plan.

SOCCER FOR AMHERST

Reconsidering its unfavorable decision of last year, the Student Council of Amherst College has recommended the formation of a soccer team. The approval of this body is the final step in a long and bitter struggle for a soccer team at Amherst, waged unceasingly for the past year by those students interested in this branch of sport. The team however, is to furnish its own uniforms and pay its own expenses.

IOWA HAS "HELLO" DAY

The University of Iowa, realizing the necessity for closer co-operation between the various schools on the campus, has instituted a new practice, which it is hoped will develop into a tradition. "Hello Day," the name of the infant tradition, is self-explanatory in nature. The process of getting acquainted is facilitated by the use of vari-colored tags each tag representing a school, worn by the students; the tags will serve to school to each other and to the other schools on the campus.

—Exchange.

Mrs. Hazel McCartney Esden, '16, and her husband in a regiment at Fort George Wright, W. Va., report thrilling experiences while Mr. Esden has been on strike duty with troops in the northwest. Captain R. W. Nix, an assistant military instructor in this University, had been, until recently, an officer of Mr. Esden's regiment, which is the Twenty-first.

Announcement!
