### GENERAL WOOD LEADS PARADE

Classes Dismissed at Noon—Colonel Paul Acts as Marshal of the Day.

#### Co-eds Will March

R. O. T. C. and Band Will Have Entire Section—University Section Forms at 1:30.

General Leonard E. Wood, who is in Lincoln today, will lead the huge parade which is being staged to commemorate the second anniversary of the signing of the armistice. All classes will be dismissed at 12 o'clock. The parade, which is under the auspices of the American Legion, will include ex-service men of the World War, and veterans of the Civil War, Spanish-American conflict, and of foreign battles. Colonel Paul will act as marshal of the day.

The University R. O. T. C. regiment and the band will have an entire section reserved for them. Other University organizations, including the ex-marines, ex-soldiers and sailors and former members of the air service, will be represented. Two co-eds from each sorority will carry the University service flag.

The University section will form at 1:30 p. m. on R street east of Twelfth street. About four hundred ex-service men from the University have expressed willingness to march. They will not don their uniforms and will march with no distinction as to rank. The R. O. T. C. regiment will parade in uniform and will carry newly issued rifles.

Cadets May March with Companies. Any men in the regiment who have previously been connected with any branch of the service, will be excused from their companies in order to march with the ex-service men. Incapacitated veterans will ride in cars, according to plans announced by the committee from the American Legion.

General Leonard Wood and Colonel Paul, marshal of the day, will lead the parade. The marshal will be followed by his aides and members of the Lincoln police force. The plans announced by the committee provide that the high school band, members of the G. A. R., the Spanish-American War veterans, the American Legion band, and those bearing the Gold Star Service Flag, will follow. Immediately behind these units will come the wounded soldiers, members of the 134th and 355th Infantry, the Lincoln Post of the Legion and the Wesleyan band. Others who will follow are, ex-marines, ex-sailors, members of the Rainbow and the 88th Infantry, colored troops, Nebraska State band, medical corps and dentists who served during the war, nurses, Red Cross workers, canteen workers and the Cotner band.

The University committee which has been working on the plans for the parade is made up of Dean Buck, Ralph H. Wilson and Carl H. Peterson.

#### FACULTY SERVICE MEN.

All members of the faculty who were in the military service of the United States during the recent war or Spanish-American War or Civil War are asked to participate in the Armistice Day parade. They will meet in the Armory at 1:30 Thursday afternoon, November 11.

P. M. BUCK, Jr.

#### Faculty and Students:

I wish to endorse most heartily the request of the local committee that all University men, faculty and students, who have served in the army or navy or marine corps are urged to participate in the parade on Armistice Day at 2 p. m. All who are entitled to march in the procession should consider it a privilege and an honor to do so.

S. AVERY, Chancellor.

#### VARSITY BREAKS FROSH LINE ALMOST AT WILL

Team Uses Aerial Attack Successfully Against Freshmen in Yesterday's Workout.

Coach Schulte put his men through a stiff scrimmage with the Freshmen yesterday. The Varsity showed fight and tore through the husky Yearlings almost at will. The Varsity used the aerial attack several times and completed nearly every attempted pass. The morale of the squad is as high as it has been any time during the whole season and Coach Schulte looks for his proteges to play the same style of football this year that they have played in the previous Kansas-Nebraska games. Kansas is a traditional enemy of Nebraska and if they defeat the Huskers they will consider their season a success.

Coach Schulte has not yet announced the list of men who will make the trip, but the list will be posted tomorrow at noon. Twenty-five Freshmen from Coach Schissler's squad will also be taken. The Freshman squad has shown remarkable spirit this year in battling the Varsity every evening and are surely deserving of the trip.

The following clipping was sent to the Nebraska State Journal by a Jayhawker paper:

LAWRENCE, Kas., Nov. 10.—Kansas is preparing to wipe away the bitterness of losing the valley championship honors to Oklahoma last Saturday by defeating her old-time rival, Nebraska, in the annual Kansas homecoming game at Lawrence next Saturday, November 13. The game will have no bearing on the valley championship, as Nebraska will not re-enter the midwest athletic conference until the present football season is over. This is Nebraska's only valley game this year.

The first practice after the return from Oklahoma was a hard scrimmage against Coach Adrian Lindsey's Freshman squad on a muddy field Monday evening. The team is in fairly good condition, none of the men being seriously injured in the conflict with the Sooners. Fraker, 230-pound guard, Davison, tackle, Simon and Spurgeon, fullbacks, are still on the hospital list from their injuries in the Kansas-Aggie game ten days ago.

Kansas fans won't be surprised to see a "sea of mud" battle Saturday, judging from the weather the first of the week, and the tactics being used by Coaches Laslett and Allen. The aerial attack stressed early in the season fell down badly against the Sooners, and seems to have been forgotten this week. Line bucks, fake formations, end runs—in short, "straight football" seems to be stressed by the coaches, together with perfecting of defenses against the expected hole-plunging smashes of the Husker forwards. Kansas is trying desperately to develop a kicker who can run with the ball. Bunn got away well with his punts Saturday, but was downed for losses repeatedly when he tried to run with the ball.

#### GADETS PLAY FOR ARMISTICE PARADE

Company D of Agricultural College Has Honor of Being Color Company.

The University Cadet regiment will form on Twelfth street in front of the Armory and Nebraska Hall at 1:30 p. m. today for the big Armistice parade. The companies will form in alphabetical order with Company A at the south end. The Cadet band will form at Thirteenth and R streets on R. Colonel G. W. Moses is very enthusiastic about the event in which the regiment will first appear in parade. Lieutenant Colonel Burks Harley will be in command.

Company D of the College of Agriculture has been designated as the color company. This is due to the fact that his company has the least number of demerits. The color guard from the company is as follows: A. B. Daniels, national colors; S. H. Battles, school colors; E. J. Kotle and G. F. Sprague, guard.

No overcoats are to be worn by cadets. They are advised to dress warmly otherwise and wear gloves. Cadet officers may wear either the R. O. T. C. uniform or the service uniform with red chevron, if they have been in service during the war. These officers will not be excused from the Cadet regiment to join the other part of the parade because they will be needed in their places.

Company D will leave the Farm campus at 1 p. m. in a special car. At the close of the parade the entire regiment will march back to the city campus and from there Company D will march to Tenth and S streets at which place a special car will be on the siding.

#### Ag Club Dance.

The Ag Club will give a dance in the ballroom of the Lincoln hotel Friday night, November 12. Members of the club say that it will be one of the "peppy" parties of the year and with "Polly" Butler's orchestra furnishing the music and novel refreshments, the dancers will have a real time.

Tickets may be gotten from the committee in charge, Stanley Hall, chairman; Mike Meyers and Ken Fradenburg, or from members of the organization.

#### LAW-ENGINEER CLASH IS HOLIDAY FEATURE

Teams Meet on Athletic Field—Play Begins After Armistice Day Parade.

The first decisive inter-college clash—between the Laws and the Engineers—will be staged at 2:15 o'clock this afternoon on the Athletic field. The game was scheduled for Saturday, November 6, but because of rainy weather and a field submerged in water, the contest was postponed until today. The game will begin immediately after the Armistice Day parade.

The members of the Law College will meet before the game for a short pep meeting in Law 101. They will form in line and march in a body to the field where a section will be reserved for them. All Law students who do not take part in the struggle are asked to wear their colored fezzes. A section in the stands will also be reserved for members of the Engineering College.

#### Lineups Unchanged.

The lineups as announced last week will remain practically unchanged for the clash, but it is announced that every man who has practiced will be put into the game at some time or other. The lineups follow:

Laws	Pos.	Engineers
Smith	re	Horst
Elliott	rt	Gass
Woodie	rg	Nelson
Chas. Reed	c	Kruch
Elmen	lg	Peckham
Halbersleben	lt	Bohner
Harry Reed	le	Bowman
Fogelson	qb	Robert Hall
Preston	rh	Paul
McCarthy	lh	Brown
Pickett	fb	Lathrop

Both teams have been practicing regularly and according to reports from the rival camps both squads are in good condition. The game promises to be closely contested. Scrimmage practice has been held on different occasions and each team has played a number of good plays. Coach Baldridge has placed the pep and has issued final instructions to the Law College. "Lum" Doyle is acting as coach for the Engineers.

#### General Wood Speaks Today at Convocation

General Leonard E. Wood will speak to University students at a special convocation at 11 o'clock this morning in the Temple theater, according to last minute arrangements which were made known last evening by Prof. Paul H. Grumann of the Fine Arts School. General Wood was especially invited to be the guest of the city of Lincoln for Armistice Day. He will lead the mammoth parade which will mark the afternoon's celebration.

The subject of General Wood's talk has not been announced, because of the lateness of the hour at which he was secured to speak.

The speaker has visited this city and the University at least once each year for several years past, when he has reviewed the R. O. T. C. cadets and spoken at different convocations. All University students are urged to hear General Wood this morning.

#### RELATIONS CLUB

##### ELECTS MEMBERS

Nineteen Students Chosen—Organization Plans Series of Open Talks and Discussions.

The International Relations Club of the University of Nebraska held its first meeting of the year Tuesday night. The meeting was closed to the general public because of election of new members. J. F. Duncan was elected secretary-treasurer of the club to replace Alice Temple who was graduated from the University last year. After the election of new members a general discussion on the Irish question was led by George Darlington.

The following students of the University of Nebraska were elected to membership in the organization:

Louis Knight, Leonard Cowley, Glen McRae, M. H. Schuster, Mrs. Elva J. Kingham, Esther McCurdy, Grace E. Titus, Helen Naters, M. H. Taylor, Dorothy Wahlgren, Robert Patterson, Dorothy Pierce, Lucille Nitsche, Earl Coryell, Hattie B. Reed, Doane Kiechel, Myron Van Horn, Bernice Miller and Kenneth McCandless.

The next meeting of the club will be held November 30 and will be open to the general public. It will be in the Social Science auditorium. Dean Buck will speak on India and following this will be a general discussion of the Indian problem. The following meeting of the club will be held December 9 and will be a closed meeting. The subject for the evening will be the Monroe Doctrine. There will be a formal debate on the subject directed by the leader for the evening followed by an informal discussion.

##### Organized Last Year.

The organization was started last spring under the direction of Roy E. Cochran and the following officers were elected: Melvin Bekins, president; Samuel Brownell, vice-president; and Roy E. Cochran, sponsor. The club has an object of a scientific study of the current international relations of the world in a thoroughly non-partisan and non-propagandist spirit. They have affiliated with the Institute of International Education to study international questions.

At least once a month the club has a meeting open to the public at which time a speaker will present some subject of general interest. A closed meeting of the club is held each month which is conducted as a round table discussion on an international topic led by a member of the club. Because of the method of discussion the membership of the club is limited to sixty-six active members, who must have a desire for knowledge of international questions, capability of scholarship, credits or registration in at least twelve hours of University history and have at least sixty credit hours in the University.

##### Commercial Club Dance.

The University Commercial Club will give the first dance of the year tonight at the Chamber of Commerce. The party is being given in order to give an opportunity to new members and students in the College of Business Administration to become acquainted. Any members who have not already purchased tickets are urged by members of the committee to do so at once, as only a limited number remain.

### CROSS COUNTRY TRYOUTS HELD

Men Run Five Miles Over Belmont Course to Determine Conference Representatives.

#### Meet at Grinnell

Valley Championship to Be Decided Saturday—Nebraska Team Will Be Announced Tomorrow.

Cross-country tryouts were held last evening over the Belmont course to determine the men who are to represent Nebraska in the Missouri Valley Conference meet Saturday. The meet will be held at Grinnell instead of Des Moines as was previously announced. The team will probably leave Lincoln Friday morning or afternoon for Grinnell. Coach McMaster will pick his men from the following list:

1. C. A. Boschkora.
2. H. Kretzler.
3. C. F. Bowman.
4. A. L. Hyde.
5. J. W. Nelson.
6. W. J. Williams.
7. W. K. Anderson.
8. G. J. Haskell.
9. G. A. Kittle.
10. C. G. Weakley.
11. C. Case.
12. F. Klaywater.
13. M. M. Miles.
14. T. G. Boman.
15. L. L. Whaley.

These men were the first fifteen men to finish in yesterday's run. Owing to the fact that some of these men are Freshmen, the men who are to make the trip cannot be announced just at present. Coach McMaster will give out the list in tomorrow's Daily Nebraskan.

The meet at Grinnell is Nebraska's first big cross-country meet for this year. Coach McMaster is anxious for the Nebraska men to make a good showing. A number of other meets will be entered by Nebraska throughout the Western Conference this year. The interest shown this season in cross-country work is the best that has been displayed in the history of the school.
