

HUSKER QUINTET CANDIDATES BUSY

Cage Crew Stage Stiff Practice in Preparation for Heavy Schedule.

Competition Is Keen

Fifty Men Answer Call for Freshman Squad of Tossers Wednesday.

HUSKERS MAY PLAY HARVARD.

The Cornhuskers may meet Harvard in football next fall. Applications for games at the Harvard Stadium have been received from many institutions. Nebraska, Syracuse, Indiana, Kansas and Missouri are mentioned as teams which may go to Cambridge, although not all these schools have requested games.

Next year's schedule for the Harvard Varsity departs considerably from the season just closed. It will again consist of nine games, however. The six games preliminary to the contests with Yale and Princeton will be shaken up considerably, with a view of bringing new ideas and methods of play into action against the team that is representative of Harvard.

The candidates for the Husker cage quintet took a stiff workout last evening in the Armory. Coach Schissler is working hard to have the squad in condition for the games that are to be played away from home during the Christmas vacation.

All of last year's veterans who are in school have reported for duty and the men from last season's Frosh squad are on hand to make the competition for places on the Varsity as keen as could be desired.

The prospects for a winning team are bright to a certain extent but not as bright as were the prospects at this time last year. Coach Schissler has his "pony" team practically intact but will have to develop a number of boys to fill the shoes of Schellenberg, Russell, Pickett and Hussey.

The Husker "ponies" as they are familiarly known, work well against a light team but when a big, heavy team is encountered the lighter men are handicapped so much that it is almost impossible for them to defeat their larger opponent.

To Meet Leading Quintets. This season will see Nebraska play some of the fastest cage fives in the United States. The trip during Christmas vacation will be a real test of the ability of the wearers of the Scarlet and Cream as cage artists.

The plans for the trip will be announced later. Arrangements for the appearance of one of the eastern championship basketball fives at the University are now under way. Coach Schissler will not give any definite information regarding this contest until all of the plans are completed but it is expected that it will be in the nature of a post-season contest.

Freshman Basketball. The Freshmen basketball candidates for 1920 were called together yesterday afternoon in the Armory. Fifty men answered the call and a large amount of enthusiasm was displayed by every one present. The Frosh will be under the direction of John Pickett this season. Pickett is a Nebraska product and should prove to be an able director for the Freshmen.

Coach Schissler of the Varsity gave the Freshmen a good talk on the principles involved in the game of basketball and what every man on the squad should do to make the team a better combination. He explained that next year's Varsity will be without the services of a large number of this year's team and that the team that represents Nebraska next year will depend largely upon this year's Freshmen.

LARGE CROWD EXPECTED AT SOPHOMORE MIXER

Big plans are under way for the Sophomore mixer. Richard Reese, general chairman for the party, reports that all committees are working hard. Arrangements are being made to entertain about 500 of the 1923 class at the Armory Saturday night of this week at 8:30. An admission of forty cents will be charged, which will include checking facilities and refreshments. The main entertainment of the evening will be dancing, the music for which is to be furnished by Watson's six-piece orchestra.

The following committees are forwarding the plans for the mixer: Entertainment, James Proebsting, chairman; Stanley Ingalls, Dorothy Lyons; refreshments, Chancey Kinsey, chairman, Catherine Beacom, Phoebe Whitman; music, Charles Wiles, chairman, Nell Bates, Muriel Allen.

This is the first all-Sophomore event of the year.

CORNHUSKER BANQUET HAS BEEN POSTPONED

Girls' Party Also Transferred To Date Later This Month.

Postponement of the Annual Cornhusker Banquet and the Girls' Cornhusker Party from this Friday until Friday evening, December 10, has been necessary, according to announcements made Wednesday by University authorities. Because of the inability of Director Luehring of the University Athletic Department and Coach Schissler to be present this Friday evening, December 3, the men's feast was decided upon for the later date. According to tradition, the girls' Cornhusker Party comes upon the same night as the Cornhusker Banquet and this affair, also, will be held December 10.

Dean Amanda Eppner said yesterday that Friday, December 10, will be declared a closed night for parties not already scheduled. The banquet will be held at the Lincoln Hotel as previously planned, and the Armory will be the scene of the co-ed's revelry. Tickets which have been purchased already for the men's feast will be good for the later date, it was announced.

This will place the two events just a week before the Christmas recess. Elaborate preparations had been made for both events. The menu and toast list for the Cornhusker feast were ready to be announced, but they will be withheld until next week. Many new features had been planned for the girls' party, according to Mary Brownell, president of the W. S. G. A. It will be held in the gymnasium of the Armory instead of the Chapel which was used in other years. Ten girls' organizations will present skits.

TWO LAW CLUBS HAVE INTERESTING PROGRAM

Organizations Attract Good Crowd of Students Tuesday Evening.

The Blackstone and Hastings Law Clubs held their weekly discussions in the Law College Tuesday evening at 7:30. Each gathering of first-year barristers is characterized by "pep."

The active members feel that the time spent in these discussions is spent to their advantage and each club has a large representation present at every meeting. The clubs that met Tuesday report as follows:

The Blackstone Club held a trial case on contracts. The case was ably argued by Miss Bouel and Mr. Lewis for the plaintiff, and Mr. Nuss and Mr. Van Kirk for the defendant. Mr. Pollock presided as chief justice. Mr. Byers and Mr. Brinkman acted as associate justices. A unanimous decision was rendered in favor of the defendant.

The Hastings Club was forced to abandon the schedule program because their faculty advisor, Professor Robbins, was unable to attend. The evening was largely spent discussing business transactions. Six members were selected by the chairman to argue a trial case on contracts for the next regular meeting.

Clarence Swanson Will Captain 1921 Nebraska Football Team

CLARENCE SWANSON, '21. Football Captain-Elect for 1921.

Clarence Swanson, '21, was elected captain of next year's Husker football team at a meeting of the twenty-two "N" men held Wednesday afternoon at the Townsend studio. The selection of "Swannie" as leader of the 19' Varsity meets with the hearty approval of all students who have followed the Nebraska gridiron team this year and especially of those who know Swan-

son and have watched his work throughout his football career. "With Swanson as captain, the 1921 team should be a world-beater," is the opinion of members of the Varsity.

Three years of Husker football, including a year on the S. A. T. C. aggregation have well fitted the new captain to guide the footsteps of the next year's team. During all three years of his football career at Nebraska, Swanson has held down the position of left end. He has attained such great success at this position that he is rated along with Rhodes, Beck and Chamberlain, as one of the greatest ends which every player on a Husker gridiron team. His wonderful ability to receive forward passes in critical moments has brought more than one victory to the Scarlet and the Cream. In addition, "Swannie" plays an excellent defensive game and is always under punts to down his man. He is a greater fighter.

Comes from Wakefield.

Nebraska's new football captain comes from Wakefield, where he played on the high school team for three years. During his last year there he was elected captain, and starred at the wing position. Besides being on the gridiron team, Swanson was a member of the Husker baseball team the past spring.

"This is the biggest honor of my life," he said after receiving the announcement of the result of the vote.

The activities of the new captain are not confined to athletics by any means. "Swannie" is a member of the Innocents Society and was a member of the Vikings last year. He is a member of Sigma Alpha Epsilon.

WRESTLING SCHEDULE ATTRACTIVE THIS YEAR

Husker Mat Artists to Travel in Fast Company this Winter.

Wrestling meets with Ames and Oklahoma A. & M., in addition to a trip to participate in the big gymnastic and wrestling meet at the University of Indiana along in the spring, top the wrestling schedule which is being prepared for this year's team by Director Luehring. There will be a meeting of all men interested in wrestling tonight at 5 o'clock in the chapel of the Armory. "I hope to see 150 men out at the meeting to insure a winning wrestling team this year," said Mr. Luehring. The schedule which has been lined up to date is as follows:

Ames at Ames.
Oklahoma A. & M. at Lincoln.
Western Intercollegiate Gymnastic and Wrestling meet at the University of Indiana.

REGENTS FAIL TO DECIDE ON UNIVERSITY BUDGET

Final Decision Deferred Until Meeting to Be Held Friday.

Final decisions concerning the new University budget which will be submitted to Governor McKelvie were deferred until a meeting of the Board of Regents Friday, December 3, after an all-day session of that body held Wednesday.

Budget recommendations were not given out yesterday, but they are expected to raise the salary schedule to a standard equal to that of other rival institutions, said Chancellor Avery. The Chancellor did not wish to make public the per cent of the increase of salaries or the number of improvements which will result from the new budget until Regent Miller and himself had had further conference with the Governor and State Secretary of Finance.

Prof. A. A. Reed was appointed.

NEWS OF THE DAY

Senate Opposes Pact with Japan. WASHINGTON, Dec. 2.—Many of the foreign relations committee in the senate, who have been watching developments here and in Tokio, are ready to oppose any treaty the state department works out with Japan, mainly because immigration and the rights of Japanese in this country are not proper subjects for a treaty.

Guerrilla Warfare in West Virginia. WILLIAMSON, W. Va., Dec. 2.—Twenty-three have been killed and five wounded in the contest going on in Mingo county between the coal mine operators and the miners. Five hundred men of the Nineteenth Infantry, under Colonel Hall, were called out at the request of Governor Cornwell. They patrol the mining territories with fixed bayonets.

Wilson's Message Almost Completed. WASHINGTON, Dec. 2.—President Wilson has nearly completed his forthcoming message to Congress—in all probability the last lengthy communication he will make of that body. He has pecked it out on his dilapidated typewriter and will send it to the printer shortly. He has been advised against delivering it in person but his condition is very much improved.

Survivors Describe Pirrie Wreck. PORTLAND, Ore., Dec. 2.—The steel schooner barge W. J. Pirrie went down in the teeth of a seventy-mile southeast gale five hours after she had been set adrift by the steamer Santa Rita in Friday night's storm off the Washington coast. Eight bodies have been found on the beach, but the fate of the rest of the twenty-one on board is still unknown. The two survivors gained shore by clinging to pieces of lumber.

Will Permit No Wage Increase. INDIANAPOLIS, Ind., Dec. 2.—John L. Lewis, international president of the miners' union, stated that "under no circumstances" will the United Mine Workers of America "permit any reduction in the wages of the mine workers of the country."

Irish Countess Arrested. DUBLIN, Dec. 2.—Countess Markievicz, prominent Sinn Fein leader, who was elected to parliament but who refused to take her seat, will be arraigned before a court martial tomorrow charged with sedition, it was announced by Dublin Castle. Troops occupied many of the streets today and held up and searched all pedestrians and motor cars.

SOPHOMORE GIRLS WILL BE ENTERTAINED SATURDAY

All Sophomore girls will be entertained at a party given by the Black Masque, Senior girls' honorary society, Saturday afternoon from 3 to 5 o'clock in Ellen Smith Hall. This is the second of a series of parties which Black Masque is giving this year for the girls of each class. A Black Masque party for Freshmen girls was given earlier in the year. The party will afford the Sophomore girls an opportunity to meet the members of Black Masque and to get acquainted with one another.

An elaborate program is planned. Olive Lehmer, a former president of the Black Masque and May Queen in 1917, will be a guest and will appear on the program. The other numbers will be given by Sophomore girls. Katherine Matchett will give a reading, Helen Burkett will appear in a solo dance and Georgia Sandusky will sing. Miss Lehmer's number will be a piano solo.

CORNHUSKER SALES FALLING BELOW MARK

Need For Action If Subscription List Is to Equal Number of Last Year.

CORNHUSKER SALES PRIZE

A handsome leather skin, inscribed with a monogram or coat-of-arms of the organization turning in the most subscriptions to the 1921 Cornhusker before 6 p. m. Thursday will be awarded to that organization. Announcement of the winner of this special prize will be announced Friday.

With the second day of the sales campaign for the 1921 Cornhusker over, indications are that the subscription list will not hit the mark of previous years unless some sororities that have not been working get busy and help push the sales campaign.

Several sororities have not been aiding the campaign even to the extent of subscribing 100 per cent. Such action is a poor showing for the sororities which have the ability to help in student activities and fail to do so.

In order that the book may be as big a success as the Cornhusker staff desires and plans to have it, every sorority and literary society on the campus must get busy and work. There is no reason why every member of these organizations should not take an active part in the campaign.

Kappa Kappa Gamma is heading the list for the number of subscriptions turned in to date. The Kappas are all working hard to bring in subscriptions for the book and will get the deserved recognition in the Cornhusker itself as well as all other sororities that work in the sales campaign.

Crowding the Leaders. The Union and Delian societies have cut down the lead of Kappa Kappa Gamma. The Achub sorority has jumped into the limelight with a large number of subscriptions sold and turned in already.

The Cornhusker honor roll has not increased further today altho several fraternities and two sororities have come in with 100 per cent subscriptions. It was decided by the Cornhusker management to postpone publication of any more names in the honor roll until Thursday in order to give some organizations that are having difficulty in getting hold of all of their members a chance to be mentioned in the 100 per cent list along with the others Thursday.

Alpha Omicron Pi and Kappa Kappa Gamma were announced as leading the honor roll in the Daily Nebraskan of yesterday. Kappa Sigma was the first fraternity to go on the honor roll.

Probably 250 more subscriptions were turned in to the student activities office Wednesday. It is probable that a total of 900 subscriptions have been taken in to date altho only about 500 or 600 of these have been turned in to the student activities office.

Every organization should get its subscriptions in the office by 6 p. m. (Continued on Page Three)

HOLIDAY RECESS AT EARLIER DATE

Dean C. C. Engberg Announces that Christmas Vacation Begins Saturday, December 18.

Students Are Pleased

Change Made Because of Pilgrims' Day Celebration and for Out-of-Town Students.

From Saturday, December 18, at 6 o'clock p. m., until Saturday, January 1, at 6 p. m., has been set for Christmas recess at the University instead of the later period beginning Wednesday, December 23, and closing Wednesday, January 5, according to announcements made Wednesday evening by Dean C. C. Engberg. This decision was reached at a conference of Dean Engberg, Chancellor Avery, Dean Buck and Provost Lees early yesterday, and meets with the hearty approval of both students and faculty.

Dean Engberg stated last evening that the change was made mainly because there is some probability that December 21 will be set aside as a holiday to commemorate the landing of the Pilgrims. "We do not wish to grant so many separate holidays, and because this Pilgrims' day celebration would come the Tuesday before the original holiday recess, we believed that the change made would remove the difficulty of two holidays within a few days as this would place Pilgrims' day holiday within the Christmas recess," said the Executive Dean Wednesday.

Other Reasons for Change.

Other reasons for the change are the fact that the new vacation period gives out-of-town students who live at a distance the opportunity to arrive home in plenty of time for Christmas day. Faculty members welcome the decision because when recesses begin in the middle of the week, class schedules are broken into to a great extent.
