## FOOTBALL FEAST FRIDAY EVENING

Traditional Cornhusker Banquet Stated for Red Room of City Y. M. C. A.

### Tickets Are One Dollar

R. A. Van Orsdel, Omaha Attorney, is Toastmaster—Athletic Heads to Speak.

The men's Cornhusker Banquet which was postponed from Friday evening, December 3, has been indefinitely set for the evening of Friday, December 10, in the red room of the city Y. M. C. A. It was decided to hold the banquet in the Lincoln hotel if the feast had not been postponed, but the rooms in that building were not available for use this Friday.

New tickets, which will sell for one dollar each, will be put on sale today. It is urged that all organizations which wish to sell paste-boards get them at the Student Activities office at once because they will be on sale only a limited time. Individual tickets may also be procured at the Student Activities office today and until the supply on hand is exhausted. Only three hundred tickets have been validated for the affair, including those already printed for the previous date. This means that a bare hundred and fifty additional tickets will be printed.

### Can Use Other Tickets.

All those persons who have already purchased tickets for \$1.75 will be able to use them Friday night. Seventy-five cents will be refunded to them at the door on these tickets.

"If you do not buy your ticket today for the big feast you will not be able to get one, for they are going fast," said a member of the Innocents Society Monday night. "Because the Cornhusker Banquet is an established tradition at Nebraska every student who can, should attend."

### Van Orsdel Toastmaster.

A special program including music, cabaret acts and speeches, has been ordered. Ralph A. Van Orsdel, '06, of Omaha, has been asked to act as toastmaster. Toasts will be called for from the athletic heads at the University, including Director Luehring, Coaches Schulte and Schissler, Captain Day and Captain-elect Swanson. "The banquet should be truly a feast to commemorate the work of Cornhusker grid heroes on the battlefield," said a professor yesterday. "No rowdiness will be tolerated this year. It defeats the purpose of the event, and tears down the scaffolding upon which the tradition is built."

Fraternity houses are asked to dispense with dinner at the various chapter houses Friday evening.

## Six Schools Enter Debating League

The Nebraska High School Debating League, which admitted six more schools last week, has a total membership of eighty-three in its eleven districts, four of which have been permitted by the executive committee to pass the constitutional limit of eight. The question to be debated this year is on the restriction of immigration.

The largest district, the east-central, has ten members. Its director is Principal Chas. W. Taylor of the Teachers' College High School. The schools admitted last week are:

Cambridge—Supt. John V. McCommons, Principal Mabel Correll.  
Chadron—Supt. T. R. Crawford, Principal Nellie Morrissey.  
Edgar—C. S. Gilbert, Principal L. B. Gifford.

Humboldt—Russell H. Yankie, Principal Vern M. West.  
Pawnee City—C. R. Bigelow, Principal Tillie M. Wright.

Ponca—Conrad Jacobson, Principal Lavinta Thompson.

The complete first-series program (pairing, sides, places and dates) will be determined by December 11—a month or more earlier than usual—announces the president, Prof. M. M. Fogg, in bulletins to the district directors and to the members.

The pairing for the first-series contests is being done on the basis of convenience and of relative size—presumed strength. Director J. M. Armstrong, Wayne (northeastern district) and Director C. S. Hartzel, Mason City (west-central district) have completed the pairing for both the first-series and the second-honor series, which is for those who lose in the first series.

## Briggs Will Address Engineering Group

Mr. F. A. Briggs, superintendent of the Cushman Motor Works will address the members of the American Society of Mechanical Engineers at the meeting Wednesday night at 7:30. He will talk on the subject of "Production." H. N. Smith, senior mechanical engineer, will discuss the grain shocker, now being manufactured by the Ward Motor company. The meeting will be held in room 204, of the Mechanical Engineering building.

## CORNHUSKER PARTY SLATED FOR FRIDAY

Annual Girls' Frolic in Armory Gymnasium—Many Stunts Prepared.

Preparations for the annual girls' Cornhusker party, to be held this Friday evening, are well under way, according to Miss Mary Brownell, president of the W. S. G. A., which has charge of the plans. The party, which was to have been held last Friday night, was postponed a week in order that it could be held the same night as the boys' Cornhusker banquet which was necessarily postponed on account of the absence of Director Luehring and Coach Schissler from the city. Friday is to be a closed night for parties not scheduled before the postponement was made.

The party will be held in the Armory as in former years, but instead of being in the chapel, the gymnasium will be the scene of the girls' affair.

### To Be Costume Affair.

The party is a costume affair, and much enthusiasm is being shown among the girls in the preparations of their costumes and many clever ideas have been developed. Many new features for entertainment and decorations are being planned, in the hopes of making this year's affair surpass those of former years.

The program will be made up of stunts, to be given by ten girls' organizations. The number was limited to ten, so that the program would not take up the entire evening. Only the first ten applicants were given places on the program, though several organizations applied after the places had been filled. The names of the stunts to be given have been announced, and if the acts can be judged by the names, a clever entertainment is promised. The organizations and the stunts they will give are as follows:

**Organizations and Stunts.**  
Delta Gamma, "The Sniggies Family"; Alpha Chi Omega, "O What You May Call It" in five acts; Pi Beta Phi, "Sidelights"; Chi Omega, "Hamlet, a la Burlesque"; Kappa Kappa Gamma, "Back from the Front"; Delta Zeta, "Gypsy Revel"; Alpha Phi, "Ticking the Ivories"; Alpha Omicron Pi, "Rosaland"; Kappa Alpha Theta, "The Bill Board"; and the 1232 R Freshman girls' dormitory, "The Bloody Key."

## ORCHESTRA TO HAVE SOCIAL GATHERINGS

Plan Half Hour of Fun and Eats Before Each Monthly Rehearsal.

The members of the University orchestra will have a social half hour before rehearsal the first Tuesday of each month, according to a decision made at the last rehearsal.

This plan is an outgrowth of a wiener roast in November which almost every member of the orchestra attended. This month's social time will be a supper in the Art Gallery at 6 o'clock this evening.

### Has Grown Rapidly.

The orchestra was organized two years ago and is growing rapidly. It now numbers twenty-six pieces. It will continue to furnish a fourteen-piece orchestra for all the University plays, and later in the year will present a program at convocation. The best orchestral classics are studied at the regular rehearsals.

The officers are: Prof. Wm. T. Quick, director; James C. Wilson, president; Cecil Mathews, secretary-treasurer. Professor Quick has been director since the organization of the orchestra.

A change in the system of scoring in wrestling events at Western Inter-collegiate meets was also made. ## ALUMNI CONTRIBUTE TO WOLFE MEMORIAL

Expression of Gratitude Shown Late University Teacher of Philosophy—Palladians Sponsor Drive.

As an expression of their gratitude to the late Dr. Wolfe, head of the Department of Philosophy of this University, many people are contributing to the Dr. Harry L. Wolfe memorial fund. In 1919 the Palladian literary society launched this movement to foster scholarship and set the goal at \$10,000 to be raised by the spring of 1921, their semi-century anniversary. The Palladian Society, of which Dr. Wolfe was a member, pledged to give one-third of the amount themselves and they have already raised over one-half of their pledge. Some of the recent subscriptions sent in are mentioned here:

Fred M. Hunter, '05, a Phi Beta Kappa and formerly a prominent football man, recently wrote to the alumni headquarters enclosing his subscription to the Dr. Wolfe memorial fund. He said of Dr. Wolfe, "He certainly made a great contribution to the University of Nebraska and to education locally and nationally. I gratefully acknowledge my professional and personal debt to him and to his worthy life." Mrs. Hunter (Emma Schrieber, '06), joined her husband in grateful acknowledgement of her acquaintance with and obligation to Dr. Wolfe. Mr. Hunter this last summer was elected to the presidency of the National Education Association at the annual at Salt Lake City. F. M. Hunter is superintendent of public schools at Oakland, California, to which place he moved from the superintendency of the schools of this city.

### Schoolmasters Endorse Move.

The Nebraska Schoolmasters Club, George Martin, president, and H. E. Bradford, secretary, by unanimous vote, has heartily endorsed the movement to raise the Dr. Wolfe memorial fund and has pledged \$100. Five of the club's members, Prof. H. B. Alexander, Chancellor Avery, Prof. H. W. Caldwell, Prof. G. E. Howard and George L. owne, president of the University Publishing Co., have each pledged \$100.

Mrs. George Abel (Hazel Hempel, '08) of Lincoln has given \$200 in honor of her two little children, as an acknowledgement of the gratitude which she feels toward Dr. Wolfe. For seven years Mrs. Abel was the principal of high schools. George Abel was graduated from the University with the class of '06.

### Those in Charge.

The treasurers to whom donations may be sent are Palladian subscriptions to H. W. Caldwell and all others to O. J. Fee.

## Sophomore Girls To Feed Children

The Sophomore girls are planning a basket for some poor children. This basket, while coming from the class as a whole, is under the auspices of the Xi Deltas. The girls that live in town are urged to look up some old clothes and toys and the other girls are asked to drop small change in a box in Ellen Smith Hall. The Xi Deltas will personally see that the gifts are given to people who will appreciate them.

## SCHOLARSHIPS GIVEN TO EX-SERVICE MEN

Fifty-two Disabled Soldiers Benefited by Y. M. C. A. Fund—More Will Be Helped in January.

Fifty-two scholarships, totaling \$4,335 have been granted during the past year to University of Nebraska men who served in the World War. The scholarships are granted upon application, by the Y. M. C. A., from a national fund which is taken from the money subscribed in the United War Work campaign.

The scholarships are given upon a basis of need and also upon creditable school work. The applicant must have an honorable discharge from the service and must not be receiving aid from the government through the Vocational Bureau. The applications of the University men are passed upon by a local committee, which is representative of the community and has at least one ex-service man. Don Heffley is the University of Nebraska representative, and although he is not on the local committee, applications should be presented to him. F. O. Kelly is the Lincoln secretary and Col. E. Elliott is the state supervisor.

### This Year's Money Exhausted.

The money available for the present calendar year has been exhausted but the money for next year will be available after the holidays. Twenty-five hundred dollars has so far been appropriated for the University here for the period from January to July. There is a possibility that this may be increased if there is a demand for more scholarships. The money is apportioned by the State Educational Service of the National War Work Council.

In October of 1919, the National War Work Council appropriated the sum of \$3,200,000 to be used in granting free scholarships to ex-service men. The fund was allotted among the states on a basis of population. In each state, the fund was divided into two parts, from one-sixth to one-fourth being allotted to collegiate scholarships and the balance to scholarships for courses below college grade. This division is known as the section of general scholarships.

## "Within the Law" Is Next Play

The University Players wish to announce "Within the Law" as their next production instead of "Bought and Paid For" as was formerly scheduled. It has always been the aim of the Players to give good clean entertainments and avoid problem and sex plays. After careful consideration of "Bought and Paid For," they have decided it to be a play of this nature, and feel justified in withdrawing it from their program.

"Within the Law" is a wonderful, gripping play of life today. It is strong in its dramatic intensity, true in its mirroring of human nature, bristling with thrills, suspense and surprises and made the phenomenal run of more than two years at the Elitage Theater in New York City, which proves its merits fully. The University Players will play "Within the Law" at the Temple theater, December 16, 17 and 18.

## SHAKE-UPS IN BASKET SQUAD

Captain "Skipper" Bailey is Out of Practice for at Least a Week With Injured Eye.

### Cotner Likely Foe

Bekins, Regular Center, Has Left School Until After Holidays—Other Players Are Out.

Coach Schissler's phenomenal basket-tossers, who have proceeded thus far in the season without a setback, received several severe jolts yesterday. Captain "Skipper" Bailey is out on account of an infection in his eye. He will probably be unable to practice the entire week. Bekins, the Husker center, has left school and will not return until after the Christmas holidays. To complete the list, two other of Coach Schissler's dependable basket tossers have been forced to leave the squad. It will require a great deal of practice to whip the depleted ranks of the Huskers into fighting formation for their battle with Illinois. Coach Schissler drilled his proteges last evening in signal practice and basket-shooting. There will be a secret scrimmage this afternoon.

### To Play Cotner.

Arrangements are being made for one or two practice games with Cotner College before the Husker's eastern trip. It is essential that the squad be given one or two chances to work together before their initial engagement with the Illini. No admission will be charged to these games.

### Kansas Aggies Here.

During his trip into Kansas, Director Luehring scheduled two games with the Kansas Aggies on the Husker floor, the 25th and 26th of February. This completes the list of games that the Huskers will play in the Missouri Valley Conference this year.

### Expect Championship Team.

The Husker quintet has all the chance in the world to annex the Missouri Valley championship during the coming season. Nebraska is now fully reinstated in the Conference and Coach Schissler's five is scheduled to clash with enough Valley teams to put Nebraska in the running for the honors. The Scarlet and Cream has not held a Valley basketball championship for a number of years and Husker followers are anxious to see the Valley banner wave on the Cornhusker campus.

Just how the Huskers line up with Big Ten basketball will also be readily seen this season. Games are slated with some of the strongest fives in the Western Conference which will afford an excellent comparison of the brand of ball played in the two conferences.

## Former Huskers Are Stars in Oklahoma

Former Nebraska athletes were in the limelight during the recent grid-iron campaign in Oklahoma. Henry Kendall College at Tulsa was the top-liner in the state conference race. The Henry Kendall team was coached by a former University of Nebraska halfback, Francis Schmidt, who wore Cornhusker moleskins during the coaching regime of "King" Cole, has been head coach at Henry Kendall during its three all-victorious years.

Other ex-Nebraskans, associated with the Kendall at the Tulsa school, were Harold McMahon, ex-Cornhusker halfback and end, and Harry Brian, former football and basketball captain at Lincoln High School, and son of Lawson G. Brian, ex-state treasurer of Nebraska and resident of Lincoln.

McMahon was regular quarterback at Kendall during the early stages of the 1920 season. In the game between Kendall and Oklahoma A. & M. College, McMahon reeled off three touchdowns when running around end from punt formation. Brian, however, was a regular halfback in every Kendall game of the season. In selecting the all-state team, the newspaper writers of Oklahoma awarded Brian a place on the first all-star team.

**ORGANIZATION PRESIDENTS**  
Presidents of all campus organizations are asked to meet for an important meeting in Ellen Smith Hall at 7 o'clock this evening.
