DR. BEDROS HAGOPIAN TO APPEAR SECOND TIME

Dr. Bedros Hagopian will deliver the second lecture of his series on "The Philosophy of Mysticism" Thursday evening in Social Science Building, room 321, 8:00 p. m. at the University. Dr. Hagopian's first lecture was well received. Last week's audience filled to overflowing the lecture room provided, and those who were so unfortunate as to arrive late had to stand. The public as well as University people are invited to attend.

SHAKESPEARE OUSTED; BIBLE IS FAVORITE

BERKLEY, Calif.—William Shakespeare, for several centuries noted for his choice English, will be replaced by the Bible in the usual class in Shakespearean literature at the University of California. William was buried by a vote of 95 to 51 by the upper classmen in favor of the Bible as essential to a knowledge of English literature. As a consequence, Professor Charles Mills Galley, head of the English department of the university will lecture on the Bible next semester.

Selection of the Bible as a textbook in literature rather than the works of Shakespeare was decided upon by the class after Professor Gayley advised them to consider seriously the relative merits of the two subjects.

STATE HISTORIANS CLOSE CONVENTION

(Continued from Page One)

Robert G. Simmons of Scottsbluff, Nebraska Department Commander of the American Legion told of the beginning and growth of the Legion and the ideals for which it is striving to further. There are 288 posts and 21,000 members in Nebraska. In closing he expressed a feeling of regret that so many wounded world war veterans are apparently neglected or thought of by the majority of the public and hence are not given the consideration that is meant to be theirs.

Moses P. O'Brien of Omaha presented the society a copy of Volume I,

Number 1, of the Rocky Mountain News. This was printed on April 23, 1859, at Cherry Creek, Kansas Territory, near the present site of Denver. Kansas Territory then covered most of Colorado. The paper, which was given to Mr. O'Brien by his mother, contained the names and advertisements of many Omaha and Council Bluffs business houses.

Lieurance's Music.
Thurlow Lieurance, Lincoln's nationally known music composer, as a pianist, with George B. Tack, as a fiddler, favored the society with a selection by Mr. Lieurance in which the Indian melody was a feature. In the selection Mr. Tack played a primitive Indian flute from the museum.

Former Governor Keith Neville was to have spoken on "The Nebraska State Government in the World War" but was unable to be present. Eugene Fontenelle, son of Mrs. Henry Fontenelle, was to have greeted the society for the Omaha and Pawnee tribes but could not be at the meeting.

A business meeting was held for the election of officers Wednesday forenoon and a reception in the society's rooms in the basement of the Library building was given Wednesday afternoon. The last session program was given last evening in the Art Hall.
