BEFORE OMAHA CLUB

Head of Philosophy Department Gives Address Under Auspices of School Forum Today.

Dr. H. B. Alexander of the philos ophy department will be presented by the Omaha School Forum in the first of a series of lectures today in the Council Chamber of the City Hall. Each lecture will be given at 4 p. m. and repeated at 8 p. m. The genera subject of fifteen of these lectures will be "American Ideals."

Dr. Alexander, who is a native of Nebraska, is well qualified to present this course on "American Ideals," which represents work given at the University for a number of years and that given at Columbia and Colorado Universities in summer sessions. The first lecture is on "Human Nature" and "Americanism" is the subject of the last one.

The Omaha World-Herald of Sun day, January 9, said the following in regard to Dr. Alexander:

Begins as Printer.

Dr. Alexander began life as a printer, serving full apprenticeship at his trade. He entered the Universiay of Nebraska with the expectation of becoming a journalism but through the influence of Harry Kirk Wolfe, source of revenue of the state and founder of the department of philosophy, he turned to work in that field and followed it until he received his doctorate at Columbia. He devoted the following seven years to literar, and editorial work, serving as editor on the New International encyclopaedia and for five years was on the staff of the New International dictionary. In 1908 he was appointed pro-

NEBRASKA BEATS GRINNELL TEAM

Win Friday's Game 31 to 10 and Saturday's 28 to 15.

FASTEST GAME SATURDAY.

Onlookers Dance After Games-Luch ring's Program Meets With School's Approval.

Nebraska got a flying start in its series of court games when the Husker basket tossers defeated the Grinnell Pioneers Friday evening by thecore of 31 to 10 and Saturday night to the tune of 28 to 15.

There were approximately 1,500 basketball fans on hand for the open ing of the Husker's new home at the Coilseum. Governor McKelvie tossed up the first ball when the whistle

Following the two contests the mammoth floor was waxed and the floor was soon filled with dancers. Every one enjoyed the new program Director Leuhring has instituted for the basketball games.

Faster Game Saturday.

The first game was slow compared with the contest on Saturday night. Both quintets displayed poor basket ball on Friday night but Saturday night the Red and Black five staged a come back and held Coach Schissler's ponies to a lower score than was expected. The Huskers were not up to their standard form in putting the ball through the hoop during either game. The Nebraska team had a great many more shots than the Grinnell men. but were unable to locate the hoop.

The "ponies" started the first game and played rings around the Grinnell team, but could annex only 18 points during the first half. The Grinnell quintet registered 6 points during the first period of the game.

The Grinnell coach made a number of substitutions at the begining of the second half but nothing could stop the Hukers and with five minutes to play the count was 31 to 10 in Nebraska's favor. At this time Coach Schissler substituted the heavy weight aggregation but the big team could not make a point during their period of work. The larger team had a good number of shots but were unable to put the ball through the basket.

Following is a detailed account of Friday night's game.
