## PROF. KIRSHMAN WRITES ARTICLES FOR TRADE PAPER

Discusses Taxable Securities and Excessive Taxation in His Latest Article.

Dr. J. E. Kirshman, associate professor in the University College of Business Administration, is a regular contributor to the Kansas City Financial and Grain Reporter. This paper is the only daily west of Chicago that attempts to tell market information. It is read by about five thousand bankers in this territory around Kansas City.

"The Case of Taxable Securities" is the subject of Dr. Kirshman's latest contribution and deals with a subject of current interest. He discusses the excessive taxation of securities in this state. Security holders are taxed twice, once when income is collected from the taxable property of the corporation and again when the securities are assessed at par value, even though they may be worth very much less than par. Thus the investor pays twice, and corporations are finding it hard to sell worth-while securities because of these facts. The state, too, is losing taxes because security holders do not include them on their returns. (Continued on Page Four)

## GEOLOGISTS MEET AT TOWNSEND'S TUESDAY

The members of Sigma Gamma Epsilon will meet at Townsend's studio to have their pictures taken for the Cornhusker. The appointment has been made for Tuesday at 12:15, and everyone is especially urged to be present. Because the honorary geological fraternity, has contracted for two pages of the annual, it is up to each member to help fill them and make this section successful.

Thursday evening all the new members of the fraternity are to be initiated. At Townsend's Tuesday, these matters will be talked over and all further details arranged.

## REV. HILTON ACCEPTS UNI PASTOR POSITION

Represents Christian Churches of Lincoln—Co-Workers Welcome Him.

Rev. J. W. Hilton, for ten years pastor of the East Lincoln Church of this city, has accepted the position of University pastor of the Christian Churches of the state, and has already established offices at the Temple building. The new University pastor has had a great deal of experience in working among young people and is considered to be especially fitted for his new position.

Mr. Hilton was welcomed into the group of Christian workers on the campus last Tuesday by the other University pastors and representatives of the Y. M. C. A. and Y. W. C. A. A committee made up of members of the different Christian churches selected from the faculty and students has been appointed to help Mr. Hilton in assuming his new responsibilities. His new work is under the direction of a council made up of the pastors of the down town churches.

Mr. Hilton has just recently resigned from his pastorate at the East Lincoln Christian Church. The Church adopted resolutions expressing deepest appreciation of the services rendered by Dr. Hilton and contained the following tribute:

"As a friend and pastor, Mr. Hilton is held in highest esteem by every member of the congregation and as a citizen and Christian gentleman has exerted a wide influence throughout the city and state."

Twenty-five Years' Experience. It was in 1895, just twenty-five years ago, that Mr. Hilton, then a student in Cotner college, was called to serve the congregation. The church was small then, but the energy and devotion of the young student minister brought new life and courage under (Continued on Page Four)

## INTRA-MURAL BASKETBALL WILL BE LARGE CONTEST

Representatives Meet Wednesday to Arrange Schedule of Games.

Plans are under way for one of the largest intramural basketball tournaments ever held at the University, to be staged next month. Head Coach Paul Schissler will have charge of the tournament. There will be a meeting held sometime Wednesday or all the representatives of the different colleges and the various classes of the University. Arrangements for a schedule of games will be made up and plans for the coming tournament discussed. The exact time and place for the meeting will be announced in tomorrow's Daily Nebraskan.

Previous to this time the different contests were held usually from 6 to 7 p. m., but now that the Armory floor is not in constant use the games will probably be played at a time when a larger representation of the student body can attend the games.

## NEBRASKA WRESTLERS WIN TWO MATCHES

Defeat Omaha and Lincoln Y. M. C. A. Teams in All Bouts But One.

Winning every match on the program, the Husker wrestlers inaugurated the 1921 season by defeating the Lincoln Y. M. C. A. in the first series of matches held under the auspices of the University. The Nebraska grapplers had no trouble in disposing of their opponents in straight falls.

The Husker mat team displayed a good knowledge of the mat game and should make a good showing in some of the larger matches that are to be held later in the season.

The Husker crew under the direction of Dr. R. G. Clapp, wrestling coach, journeyed to Omaha Friday and decisively defeated the Omaha Y. M. C. A. by the count of 40 to 7. The Huskers were successful in every match, but the 175-pound division.

Details of Bouts. Following is a detailed result of each match.

115-pound—Bengston, Nebraska, won from Skriver, Omaha, by falls.

125-pound—Power, Nebraska, won from Robinson, Omaha, by falls.

135-pound—Long, Nebraska, won from King, Omaha, by falls.

## FORER DRAMATIC CLUB STAR PLAYS AT ORPHEUM

Maurice Clark, '17, Takes Lead in Musical Comedy, "Buddies."

"It's great to get back." This is the way Maurice Clark, '17, expressed his sentiments on arriving in Lincoln Sunday afternoon. Clark, graduate of the University of Nebraska, is one of the leads in the musical comedy, "Buddies," which is playing at a local theatre Monday and Tuesday nights.

Mr. Clark while in Lincoln is staying at the Silver Lynx house, of which fraternity he is a member.

While a student at the University of Nebraska, Maurice Clark of Omaha played the leading parts in many productions of the University Players. Among the plays in which he interpreted the principal male characters were "The Melting Pot," "Ghosts," "Alias Jimmie Valentine," "Ready Money," "Jeanne D'Arc" and "Believe Me Xantippe." He brought the Uni- (Continued on page four.)

## HUSKERS MEET SOONERS TODAY

Nebraska Handicapped by Absence of Russell and Patty From Lineup.

### LOSES TO CREIGHTON

Oklahoma Defeated at Omaha by Score of 27-16—Game Today Called at 4:30.

Oklahoma invades Lincoln today for a two-game series with the Husker basketball quintet. The first game will be played this afternoon at 4:30 at the Coliseum. Coach Schissler is making no predictions on the outcome of the contests, but will be satisfied if the Cornhuskers capture both contests by a small margin. The Oklahoma aggregation were in action against the fast Creighton quintet in Omaha Saturday night and were defeated by the count of 27 to 16.

Coach Schissler scouted the game for Nebraska and reports that Oklahoma has a good team and will be a hard combination for the Nebraskans to defeat. The "Sooners" are somewhat erratic in their basket shooting, judging from the Missouri contest. The first half of the game, Missouri outclassed the Oklahomans but in the second half the Sooners came back and nearly tied the score. Oklahoma is in the cellar in the Missouri Valley Conference standing, but has lost all of the games by narrow margins.

### Huskies Handicapped.

The Huskers will be under a big handicap when they take the floor this afternoon against the Sooners because of the absence of Patty and Russell from the lineup. Patty has been playing up until the present time, but was declared ineligible for the coming contests. Patty was the star forward of last year's championship quintet and was the big point-winner for the Scarlet and Cream team. Patty had more points to his credit than any other man in the squad. Russell is only temporarily ineligible and if he is able to remove a condition, will be seen in the coming contests on the Husker schedule. Russell was also a member of last year's squad and ranked with Bekins for second in the total points for the season.
