NEBRASKAN DRIVE OFF TO BIG START

"Rag" Plans Program Attractive To Organizations Who Are on Subscription List.

VALUABLE PRIZES OFFERED

Paper To Be Delivered at Door of 100 Percent Organizations Each Morning.

OVER THE TOP.

The following fraternities have subscribed 100 per cent to the Daily Nebraskan:
Alpha Sigma Phi.
Phi Kappa Psi.
Sigma Phi Epsilon.

With the announcement that every 100 per cent organization will have the Daily Nebraskan delivered at its door before 7 o'clock every morning and that fifty dollars in cash will be given in prizes, the subscription campaign for the second semester for the "Rag" gained a flying start Monday morning.

The business staff has guaranteed the service given by the largest eastern college newspapers, and announces that every fraternity, sorority, rooming house or dormitory which subscribes 100 percent will have the paper delivered at the house each morning so that the news of the day may be read before reaching the campus. This notable improvement in the development of the "Rag" service is arousing a great deal of favorable comment among the students.

Not only is the service at the different houses improved, but the congestion at the post office each morning will be relieved. There will be less chance of mistaking subscribers. The plans as announced by Glen Gardner, business manager, also include the following cash prizes for the persons selling the most subscriptions regardless of where the subscriptions are taken:

First prize \$25.00
Second prize \$15.00
Third prize \$10.00

Goblins At Work.

The Green Goblins will sell subscriptions, which remain at the same price of \$1.25 for the whole semester, at the different fraternity houses. Members of Mystic Fish, will take charge of the drive in the sorority houses as well as selling subscriptions on the campus. Not only will they have a chance to take a share of the prizes but they work to have their individual group be placed on the honor roll of 100 per cent organizations which will be printed in the "rag" this week.

A semester of school this fall has shown a great many of the students the importance of the "Rag" in every day life. For this reason it is expected that the full 2,000 subscriptions which the business managers are working for, will be enrolled. The subscriptions should all be on the books by Saturday evening when the race closes.

The new policy of distributing the papers is in line with the platform for the second semester which names as

MISS PFEIFFER HOSTESS TO SMALL COMPANY

A small company of women of the faculty, mostly those living in the vicinity of the capitol building, has met occasionally in an informal manner since last spring. They were entertained Sunday evening at the apartment of Miss Laura Pfeiffer. After a luncheon at the Lantern room of the Delavan, they listened to the reading of an unpublished article for a leading eastern magazine.

Afterward Miss Lida Earhart talked informally of Columbia and the women connected with its faculty. Some of Miss Pfeiffer's interesting war relics were examined. Twelve were present.

BUSINESS STAFF FOR NEBRASKAN SELECTED

Glen Gardner Appointed Manager for this Semester—James Fiddock is Assistant.

The Student Publication Board of the University met Saturday and made the final appointments for the business staff of the Daily Nebraskan for the coming semester. Glen Gardner was appointed business manager of the paper with James Fiddock as assistant business manager. Knox Burnett was elected to fill the position of circulation manager.

In Glen Gardner the Nebraskan has a business manager who is well qualified for his position. Gardner served as business manager for the Daily Nebraskan for two semesters during 1918-19. He is also quite prominent in school activities being an Iron Sphinx and Viking. He is a member of Phi Delta Phi, professional law fraternity, and also a member of Sigma Phi Epsilon. James Fiddock, who was elected to fill the office of assistant business manager has had considerable experience in the news paper game. Fiddock was an assistant on the business staff last year and served in the capacity of circulation manager the first semester of this year. He is also a member of Sigma Alpha Epsilon. Knox Burnett.

REGISTRATION FIGURES SHOW SLIGHT INCREASE

Work of Enrolling Students Orderly Procedure During Week of Examinations.

Registration began last Wednesday so quietly it was hard to realize that the time of bustle and run was here. Time cards were issued to every one and duplicate programs were given freshmen. These things, and the fact that many were taking examinations helped to scatter the students over the four days. There was little of the congestion shown at former registrations, and the system was adequate to handle the students at all times. Figures available up to Saturday night show an increase of one hundred and fifty over a year ago. This means a slight decrease compared with the first four days of registration last fall. Complete registration figures will not be available for several days.

Aside from the installation of the card system for limited classes, the registration system is the same as it was last fall. This card system prevents the confusion in assigning students and also prevents the changing from one class to another without permission.

A fee of \$3.00 is being extracted from all delinquents who failed to pay fees before Saturday night and from those registering this week.

FRESHMAN HOP AT ARMORY FRIDAY EVE

First Class Plan Big Affair For This Week For Crowd Attending Event.

The Freshman hop will be given in arm 4. The party will be the biggest event of its kind to be given by the first year class this year. All classes are eligible to come and share in the music furnished by one of the most popular six-piece orchestras and in the refreshments which will be served.

The admission has been brought down to a dollar to comply with the pre-war prices in the schedule adopted by the students before the Christmas recess. The Freshman hop had been previously scheduled for earlier but was postponed on account of the price ban. Since the armory has gained in favor with the students, it is expected that a large crowd will be attracted by the extra attractions.

MAURICE CLARK SPEAKS TO CLASS IN DEBATE

Maurice Clark, '17, who is playing at the Orpheum as lead in "Buddies," and who was a member of the Nebraska Intercollegiate Debate Seminary in 1913, spoke briefly to the members of the course in Debate (English 103) yesterday afternoon at its organization meeting. Mr. Clark paid Professor Fogg a fine tribute in saying that the course in the Debate seminar was the most valuable he took while in the University.

The English 103 class will take the place of the old Debate seminar and will have sixteen men enrolled. Debate arrangements are under way for a dual debate with Iowa and it is hoped to arrange a debate with teams from one or two other middle western universities.

HOYT WILL CAPTAIN NEBRASKA GRAPPLERS

Veteran Unanimously Elected to Head The Varsity Wrestling Team For Coming Season.

C. E. Hoyt, '21, of McCook was elected captain of the University of Nebraska wrestling team last night. The election was unanimous.

Hoyt has filled the position of acting-captain in the two meets this year. He won third place in the Western Inter-Collegiate meet last year. He is wrestling his third year on the varsity team.

In the meet with the University of Wisconsin, Ames suffered defeat in only one class. Klass of Wisconsin took two falls from Schilling, winning by use of the bar arm hold in the first bout and an arm lock hold in the second case. Dr. Clapp stated that the meet with Ames would represent one of the hardest fought matches of the season.

The next match will be with the Oklahoma Agriculture and Mechanical College February 15th. This match will be held here.

Following this is a bout scheduled with Iowa University February 25. Iowa defeated the University of Minnesota by a score of 39-3. Dr. Clapp referred at this match. These three teams, with Illinois, represent the strongest opposition that will be met this year.

NEBRASKA FIVE TRIMS SOONERS

Husker Quintet Takes Opening Game 34-20—Third Conference Win.

SECOND GAME THIS P. M.

First Half a Tight Affair But Scarlet and Cream Comes in for Strong Finish.

FINAL GAME TODAY.

The Nebraska and Oklahoma cage teams will mix again this afternoon on the Coliseum floor. The game is called for 4:30 p. m.

The Cornhusker basketball quintet carved another notch in the victory side of the score board when they defeated the Oklahoma "Sooners" yesterday afternoon at the Coliseum by the count of 34 to 20.

The Huskers were not hitting their usual stride and the outcome of the game was a little doubtful at times. Oklahoma put up a good battle, playing a fast offensive game and Coach Schissler's proteges had considerable trouble in getting near their own basket. A large number of the baskets resulted from long shots by both teams.

For the Nebraska team Captain Bailey and Bekins were the big point winners, each making three field goals while Bekins tossed ten free throws out of twelve chances. The remainder of the scores was equally divided amongst the rest of the team. Waite was the main scoring factor for the "Sooners" with three field goals and eight free throws out of ten tries.

The first half of the game was hard fought with both teams striving for the lead. Oklahoma led by a basket for the first few seconds but Nebraska soon forged ahead and maintained her lead throughout the game. The first half ended with the score 16 to 13 in favor of the Huskers.

More Pep Second Half.

After the ten minute intermission between halves both teams started the second half of the game in whirlwind fashion. The Huskers went into a good lead due to superior team play but the Oklahoma men got together and dropped the ball through the hoop for a number of counters coming within a small number of points of tying the score. Captain Bailey called a conference of the Husker athletes and Nebraska was soon a head with a safe lead. The score was 34 to 20 with the Huskers on the long end when the final whistle blew.

The Huskers meet the Oklahoma men in the final contest of the series today at the Coliseum at 4:30. Coach Schissler will probably send the same team against the "Sooners" that started the contest yesterday. Coach Bennie Owen of the Oklahoma team will make no predictions as to the outcome of today's contest but promises the Huskers a real battle.
