# THE DAILY NEBRASKAN

VOL. XX. NO. 85.

LINCOLN, NEBRASKA, MONDAY, FEBRUARY 14, 1921.

PRICE FIVE CENTS.

## "RAG" CAMPAIGN CLOSES TUESDAY

Seven Fraternities and Sororities Have Reached the Century Mark.

**IRON SPHINX SOLICIT**  
Prize Winners Will Be Announced Next Wednesday, Says Business Staff.

Fraternities and sororities who have subscribed 100%:  
Phi Kappa Psi.  
Alpha Sigma Phi.  
Sigma Phi Epsilon.  
Pi Kappa Phi.  
Bushnell Guild.  
Delta Gamma.  
Alpha Delta Pi.

Tuesday evening at 5 o'clock will bring the end of a whirlwind campaign for subscriptions to the "Rag." At least seven of the fraternities and sororities have earned the right to have the paper delivered to their house early each morning. Those in charge of the campaign expect that every one of the houses will be 100% by Tuesday. Indications are that almost every one will reach the coveted position by tonight.

The business staff announces that any member of the 100% organization who would rather receive his or her paper at the postoffice than at the house, will be given this opportunity. The aim is to give the best service possible, and every additional subscription has the effect of making possible a better delivery service, they point out.

**Expect Two Thousand Subscriptions.**  
The winners of the prizes will be announced Wednesday of this week and it is expected that all the names will be tabulated. The prizes are divided as follows for the three people obtaining the greatest number of subscriptions by Tuesday night: first prize, \$25; second prize, \$15; third prize, \$10. The goal of two thousand subscriptions set by the business manager as the number which should subscribe on the city and farm campuses bids fair to be approached today.

Members of Iron Sphinx voted at their last meeting to take up the Daily Nebraskan drive in the different fraternity houses and ask each group to vote on the 100% plan. In addition the Green Gobblers have been working hard on the drive and members.

## DR. H. ALEXANDER OUTLINES UNIVERSITY CAMPUS

First Greater Nebraska Luncheon Is Well Attended By Men.

Visions of a new University campus, extending over more than fifty square blocks and including not only instructional buildings but ample room for athletic facilities, were outlined by Dr. H. B. Alexander in his discussion at the first Greater Nebraska Luncheon held at the Grand Hotel Friday noon under the auspices of the Y. M. C. A. and Committee of Two Hundred.

A large number of men and faculty members attended the luncheon, which is the first of a series of Friday noon luncheons to be held for the purpose of arousing a greater and better University spirit. The first twenty minutes were given over to eating after which Dr. Alexander and Guy Reed spoke. Don Heffley reviewed the purposes of the luncheons and asked for the support of the men in the following luncheons.

**Oberlies Will Address Meeting.**  
Roy Youngman, chairman of the committee in charge, presided and introduced the speakers. He announced at the end of the program that L. C. Oberlies, chairman of the State Board

## OMAHA MEN FAVOR LOANS TO STUDENTS

Dean E. A. Burnett and Prof. H. E. Bradford attended a meeting of the School Master's Club, at the University Club, in Omaha, February 4.

While in Omaha Dean Burnett had a conference with Regent Webster and members of the Omaha Chamber of Commerce in regard to allowing loans to senior students in the College of Agriculture. Favorable action was taken upon the matter.

## BASKETBALL GIRLS PRACTICE IN EARNEST

W. A. A. Points Will Be Given To Girls Fulfilling Requirements.

Girls' basketball practice has begun in earnest. Approximately one-hundred girls have been developing skill in tossing baskets and passing the ball. Bob Henderson, basketball sport leader has issued a call for more girls.

Almost every girl has played the game some time during her school days and there is good material for the two large tournaments that are to be staged soon. Any girl who completes eight practices may play in the preliminary or Monte Carlo tourney that will be held the latter part of this month. As the name suggests the membership on teams for this contest will be by chance—drawn by captains from a hat. Fifty W. A. A. points will be given to those who play in the preliminary tournament, with twenty-five additional points to members of winning teams.

**Girls Will Receive W. A. A. Points**

Close attention will be given to the players in this first tourney as those who complete ten practices the following week will be considered according to their ability for membership on first or second class teams. All girls making a first class team will receive 100 W. A. A. points by forfeiting those made in the Monte Carlo fight. Those making second class teams will receive fifty W. A. A. points with a forfeiture of half the points made in the first tourney.

So many girls have been making the excuse that they would have come out for the fall sports, but did not know the game or that they could not at the scheduled practice times. Every girl knows something about basketball from high school experience and can get some practices in at the times listed. The practice periods are: 9:45 to 10:10, 10:45 to 11:10; 12:45 to 1:10; 1:45 to 2:10; 2:45 to 3:10; on Monday, Wednesday and Friday. Tuesdays and Thursdays the hours are: 9:00, 10:00, 11:45 to 12:10, 1:00, 2:00, 3:00. If any girl is interested, but cannot play at any of these times scheduled, see the sport leader at once.

This is the time for the new girl to show her class spirit and to begin working for points toward the "U" sweater that is awarded every girl who earns 1,000 W. A. A. points.

## TRACTOR TESTING SUMMARIZED AND EXPLAINED

At the Agricultural Engineering meeting at the Alpha Gamma Rho house Thursday evening Prof. Fred R. Nohavec gave a talk on the results of work carried on at the tractor laboratory at the University farm. He summarized the work carried on during the past season and interpreted the law under which the department operates.

The next meeting of the society will be held the first Thursday of next month at Agricultural Engineering Hall, University Farm.

Closed night.

All-University party, Coliseum.

Acacia banquet, University Temple.

Faculty Club party, Ellen Smith Hall.

Y. W. C. A. tea, 3-6 p. m., Ellen Smith Hall.

## CIRCUS WILL FEATURE ALL-UNIVERSITY PARTY

The Snake Charmer, Wild Beasts, The Dog Show and the Clowns, Will Be There.

It's Saturday night of this week that Jangling Bros., big circus comes to Lincoln at the All-University party out at the Coliseum. Jangling Bros., have just combined with Darnmen and Jalleys monster collection of marvels and next Saturday night, positively the most colossal, captivating, comprehensive and clever aggregation of agonizing absurdities and artistic accessories ever gathered in one place since the time the first Cornhusker yell was given will be presented.

Wild beasts from the jungles will mingle contentedly with domesticated animals. (Note that different lambs and pigs are positively used with every performance.)

Never, never was there gathered together such freaks. "D. Lerium," the snake charmer, engaged at an enormous salary direct from "Boozeland." He has more snakes, pink elephants and blue mice (in his mind) than any other human being. "Sheeza Liah," the Turkish beauty. "Sheeza" is only sixteen years old, but has buried seven husbands. She will sell the girls her famous recipe for love, guaranteed to make your escort love you or kill him in three doses. "Lizzie," the most famous painting in the world, taken from the Nebraska University of Fine Arts. You cannot tell whether it is a painting or a real automobile until you try to crank it. Positively makes you weep. Beautiful bare-back riders will display their skill on saw horses. The two big features, especially planned, will be the Dog Show, Harold Burke, trainer, and the thrilling chariot races under the management of George Salter. Never before have two such marvelous stunts been presented to circus crowds. They're sure to meet with wild enthusiasm.

You probably never expected to see your friends in the circus business but here they are: Sam Brownell, Glenn Johnson and Paul McDill head of the funny clowns (Jangling Bros., are planning to enlarge their unusually wonderful show for the big Saturday  
(Continued on page three.)

## UNIVERSITY GIRLS APPEAR AT LYRIC THIS WEEK

The Misses Dorothy Doyle and Lois Melton, University students, are on the program of entertainment at the Lyric theatre for the week. Miss Doyle is a member of Alpha Phi and Miss Melton of Alpha Chi Omega.

They will sing "Don't You Remember the Time." They have appeared many times in University entertainments.

## NEBRASKA WRESTLERS DEFEATED BY IOWA

Reed and Long Win All Nebraska Points Through Falls.

The Nebraska wrestlers were forced to bow in defeat to the Iowa State grapplers Friday, in a dual meet. The final count was 32 to 16 with the Farmers on the long end.

Reed, in the 145 pound class, and Long, in the 155 pound division, were the only Husker wrestlers who were able to pin their men. Ames could only secure one match by this route and that came when Wallace threw Captain Hoyt of the Nebraska squad. The other matches were awarded the Aggies by decisions.

Every match was hotly contested and the Huskers put up a real battle against their more experienced opponents.

**Details of Match.**

The following is a detailed account of the different matches:

115-pound class—Dikerson of Ames won from Bengston of Nebraska by two straight decisions.

125-pound class—Loucks of Ames won from Powers of Nebraska by decision in extra periods.

135-pound class—Long of Nebraska won from Bowen of Ames by a fall in the third bout, 8 minutes, 42 seconds Double body lock.

145-pound class—Reed of Nebraska won from Brenizer of Ames by fall in third period, 3 minutes, 40 seconds.

155-pound class—Groth of Ames won from Pickwell of Nebraska in two straight decisions.

175-pound class—Barker of Ames won from Troutman of Nebraska in extra periods.

Heavyweight—Wallace of Ames won from Hoyt of Nebraska in a fall, 6 minutes, 10 seconds and a decision.

Referee—Schroeder of Iowa University.

## UNITED AG CLUB ELECTS NEW OFFICERS

Mary Herzog, '21, was elected president of the United Ag Club, at a meeting held Thursday evening. Blanche Votapka, '22, was elected vice-president; Clarence G. Olson, secretary; and Jay Hepperly, treasurer. Ralph E. Fortna, chairman of the constitutional committee, presented a new constitution which was adopted.

The United Ag Club has a membership of over one hundred and fifty men and women students of the University and it is the intention of the new officers to raise the membership to at least three hundred this semester. All men and women of the Agricultural College are eligible.

The club gives an All-Ag Mixer each semester.

## NEBRASKA GYMNASTS TO JOURNEY TO BIG MEET

The University of Nebraska plans to send a team to the Nebraska Western Intercollegiate gymnastic meet to be held at the University of Indiana next March.

F. R. Adkins, coach of the varsity team, is planning a tour to local "Y" associations of Nebraska where the Nebraska gymnasts will give an evening of exhibition work. The exhibitions are for the purpose of interesting the people in the communities visited in gymnasium work and also to furnish experience for the members of the team. The plan is to have five men make the trip.

## AMES NEXT ON BASKET SCHEDULE

Huskers Will Also Meet Grinnell on This Trip in a Two Game Series.

## SQUAD LEAVES TOMORROW

Russell and Patty Are Declared Ineligible by University Authorities.

The Cornhusker basketball squad leaves tomorrow under the direction of Coach Schissler for Ames where the Scarlet and Cream quintet will meet with the Iowa Farmers in a two game series.

The Aggies have a good team this year and Coach Schissler is expecting a real battle when the two teams meet. From Ames the Husker squad will journey to Grinnell where they will meet the Congregationalists in a two game series.

Nebraska defeated the Grinnell men in two games played on the local floor earlier in the season. Both contests were won by a big margin. The Huskers also defeated the Oklahoma "Sooners" twice last week. The Oklahoma men triumphed over the Grinnell team the latter part of the week, winning two games from the Iowans by small scores. By comparative scores the Huskers team should capture both contests at Grinnell.

**Patty and Russell Ineligible.**

When the team leaves tomorrow Coach Schissler will be without the services of Jesse Patty, the star Husker forward. Patty was declared ineligible for athletics by the University authorities on Friday. Patty was the big point winner for the Huskers last year and one of the mainstays of the team. His position will be a hard one to fill.

"Bob" Russell will not make the trip as was expected on account of being ineligible. Russell was slated to fill the vacancy caused by Patty's leaving but was declared ineligible.

With these two men out of the lineup the Huskers will not present as formidable a team as Coach Schissler had planned. The Huskers are leading the Missouri Valley conference at present but the loss of these two men will make the chances of bringing the Valley championship to the Husker school a little less probable.

Coach Schissler has not announced the list of men who are to make the trip as yet but will take about ten men on the trip.

## WORLD OUTLOOK CLASSES STUDY MISSIONARY FIELDS

Prof. J. O. Rankin Will Teach "Rural Community Leadership" for Credit.

The World Outlook Classes, under the direction of the Committee of Two Hundred, for the purpose of studying the foreign and home missionary fields are scheduled to begin tomorrow. Classes for the men are to be held at the Temple and classes for girls at Ellen Smith Hall. University credit will be given for one of the classes, which is taught by Prof. John O. Rankin in "Rural Community Leadership."

Ten classes have been arranged at different times during the week so that hours will not conflict with regular University studies. Each class meets once a week at the place designated on the schedule. The leaders have all been secured and the topics  
(Continued on page three.)

**FOOTBALL PICTURES.**  
All individual football pictures for the Cornhusker must be taken before Wednesday, February 9, at Townsend's Studio. Necessary equipment for the picture is available at the Studio.
