NEBRASKA RETURNS FROM IOWA TRIP

Husker Cagesters Break Even at Ames and Take Two Grinnell Scalps.

NOTRE DAME HERE THIS WEEK

Fighting Irishmen Plotting Downfall of Scarlet and Cream Aggregation.

The Nebraska basketball squad completed its Iowa trip Saturday night by defeating the Grinnell Pioneers by the score of 29 to 22. The Huskers also triumphed over the Congregationalists Friday night by the count of 31 to 16.

Winning two games from the Grinnell aggregation gives the Huskers a record of three wins and one defeat for the entire trip. The first defeat of the year was registered against the Nebraskans last Wednesday by the Ames quintet.

The Husker quintet showed remarkable improvement over the exhibition at Ames and had little difficulty in leading the way for the Grinnell men. The Huskers hit their regular stride in the second Ames contest and defeated the Farmers, 32 to 23.

The Nebraska team clearly showed the result of some of the best men not being in the game on account of ineligibility. The absence of Patty and Russell from the Huskers' lineup will probably be more keenly felt when the Nebraskans mix with Notre Dame Friday and Saturday nights at the coliseum.

Pony Team Scraps Hard.

The Husker "pony" team put up the best exhibition of basketball seen on either of the Iowa courts this year according to the Iowa newspapers. The four-game trip wound up the Husker games that are to be played away from home. The Nebraska team has six more contests on the schedule, the two games with Notre Dame this week, two with Colgate and two games with Ames on the coliseum floor.

Notre Dame and Colgate will be the hardest teams the Huskers will run up against this year. The Catholics will start their invasion of Nebraska the latter part of this week when they meet the Creighton team at Omaha on Thursday night. Friday and Saturday nights will see the "fighting Irishmen" in action here.

WRESTLING TEAM TO MEET OKLAHOMA MEN

The University of Nebraska intercollegiate wrestling schedule will be resumed this week when the Cornhusker mat men meet the Oklahoma A and M grapplers who come to Lincoln for a series of bouts with the Nebraskans Tuesday night.

Last year Oklahoma A. and M. defeated Nebraska in a match at Stillwater, Oklahoma. Reports from the Oklahoma camp state that the Southerners are as strong as ever. Oklahoma A. and M. has not lost a dual meet in four years. It recently defeated the University of Oklahoma squad, 37-7.

Then he began his connection with the University of Nebraska by giving lectures in the law college. He was made dean two years later. During the ten years of his administration great reforms were made. He resumed his practice in 1903. He died in 1917 in Lincoln.

The tablet is a lifelike bronze relief. It was made by Mrs. E. T. Horman of Chicago, who also made the Bessey tablet. It will be placed in the middle corridor between the two ways.

After the exercises there will be a meeting of the alumni of the Law College with the purpose of inaugurating a law section of the University Alumni Association. This section will work with the general association.

DIRECTOR LUEHRING SPEAKS TO CLUB ON VALUE OF SPORTS

Physical Education in the Water is Subject of Address to Lincoln Group.

F. W. Luehring spoke on "Physical Education in the Water" to the members of the Lincoln Physical Education Club at the monthly luncheon held at the Chamber of Commerce Saturday noon. He discussed five phases of swimming, form, competitive, life saving, diving and water games.

Under form, the different strokes were taken up and their qualities as to life saving, speed and form were enumerated. The front, back and side strokes are the only ones valuable for life saving purposes. The crawl strokes are valuable for speed. The competitive side of swimming has been standardized because of the many contests that have been held from time to time. Life saving strokes should be learned first for the protection of the swimmer himself as well as the assistance he should be able to give a drowning person. The different ways of breaking holds as well as the different "carries" were emphasized. Caution should be used in choosing teachers of swimming in camps or in schools that they be responsible as well as capable.

Mr. Luehring spoke of the future of camps in the west and the importance of swimming in camp life.

Mr. Luehring is chairman of the national committee that makes out the life saving tests that are given at the summer camps for girls. He also assists in making up the annual "Swimmer's Guide."

OLD MAN BARNUM REVISED AT ALL-UNIVERSITY PARTY

Two-Humped Camel and One-Legged Elephant Help Students Make Merry.

A circus parade that thrilled the hearts of the most blasé college students and an unsurpassable performance of Jangling Brothers circus attracted crowds of students to the Coliseum at the State Fair Grounds Saturday night for the big all-University party.

The blare of the University band sounded a welcome to all comers. The grand parade around the circus ring was led by this band. A huge two-humped camel and the elephant were behind the band. It was followed by the troupe of trained lions that growled ferociously. The Arabian trick ponies did their best steps for the spectators. All the circus performers were in line. Every conceivable kind of clown rambled around the ring. The seven Y. M. tumblers, the bespangled tight rope walker throwing kisses to the onlookers, dancers, the juggler, the vamped snake charmer, the contortionist, the lady charioteers in their chariots, and the ring master with his whip, were all there.

PRELIMINARY TRYOUTS HELD FOR TRACK MEN

First Test of Men Who Will Wear Scarlet and Cream in Indoor Meets.

Preliminary tryouts for the Nebraska track team that will represent the Husker school in the coming indoor meets were held Saturday afternoon. Coach Schulte had a large squad out for the tryouts and every man was given a chance to show his ability on the track or in the field events.

Some remarkable time was made in the different events on the board track. Coach Schulte was very well pleased with the showing made by the different men. There are a large number of men out at present and by the time the spring season opens up Coach Schulte hopes to have three hundred or more men out for track.

In the mile run Bowman, Potter, Sprecher, Nielson and Sprague put up the best exhibition. Bowman circled the wooden track in the remarkable time of 4:52 for the mile.

In the half mile Williams, Coats, Woth and Bowers run a good race with Williams leading at the end of the half. Williams' time was 2:12.

Quarter Proves Exciting.

The 440 yard dash was the closest race of the afternoon. All of the contestants in this event showed a great deal of speed in negotiating the distance on the board track. Captain Gibbs, Stroman, McDonald, Beiser, Hickman, McCarthy, Cressell, Stevens
