**OLD MAN BARNUM REVIVED
AT ALL UNIVERSITY PARTY**
(Continued from page one.)
The circus performance opened
with a lion act in which the king of
beasts showed what training can do to
ferocious beasts. A tug-of-war con-
vulsed the spectators. The camel also
appeared in this act.
Isabel Pearsall and John Dawson,
originators of the pig steps, jiggled
their jiggiest to the delight of the
spectators.
When the Y. M. C. A. tumblers
tumbled and dived and hurled them-
selves through the air the co-eds held
their breath from sheer amazement.
The beautiful tight rope walker
charmed the onlookers with her grace
and poise as she did her perilous
stunts.
The Arabian trick ponies took the
ring and cavorted around as only su-
perior ponies managed by fearless
riders could do.
uth Ellsworth and Esther Lilen
Fuller, ballet dancers, received a
round of applause for their aestnetic
dancing act.
The juggler, Martha Krogmann,
juggled the black and white balls with
perfect ease and dexterity while two
baby clowns juggled red balloons.
A huge black and yellow snake
could not fail to be charmed by D.
Lerium, the snake charmer, and her
movements.
Under the bright lights the contor-
tionist went through contortions

which would cast any Orpheum con-
tortion act in the shade. Harold Mc
Millen tied himself up and untied
himself again.
The chariot race almost ended in
catastrophe when one of the tan
charioteers was thrown from her
chariot as it rounded a curve. But
she was in again in a moment and
the race went on to a breathless
finish.
Little dogs and big dogs performed
in the widely advertised canine act.
The clowns outdid themselves in act-
ing funny. In fact it was a red let-
ter performance in circusdom.
After the show the spectato-
r thronged out on the floor and danced,
danced and danced.
**PRELIMINARY TRYOUTS
HELD FOR TRACK MEN**
(Continued from page one.)
and Myers were the performers in
this event. Gibbs had the best time
with a mark of 54:1.
Keen competition made the hurdle
races go with record time. Wright,
Moore, Gish and Deering cleared the
barriers with little difficulty in time
that is seldom equalled on a board
track. Wright and Deering ran a
dead heat in the low hurdles with the
time of 6:1. In the high hurdles
Wright went over the sticks in 6:4.
Moore displayed good form in clear-
ing the high hurdles.
Turner, a freshman, cleared the
bar at 5:9. Gish and Moore made

good leaps but could not equal this
mark.
Dale tossed the 16-pound shot for a
distance of 41 feet, 9 1/2 inches. This
is as good a record as was made in
Missouri Valley last year.
Carson and Peterson heaved the
discus for several good marks. Car-
son represented Nebraska last year
in this event and will more than
likely establish some new records in
this event.
The fifty-yard dash brought out a
number of speedy performers. Deer-
ing was the star performer in this
event covering the distance in 5:4.
Carson, Peterson, Klompke, Cressell,
Hickman, Sargent, McDonald, Minnich
and McCarthy all ran this event in
good time.
Coach Schulte is planning on hold-
ing similar tryouts as often as pos-
sible to stimulate the interest in track
and give more men a chance to win

their numerals. Several men have
already been awarded their numerals
this year.
The first big indoor meet that Ne-
braska will participate in will be the
Kansas City Athletic club meet at
Kansas City the 29th of February.
The Huskers will also be represented
in an Omaha meet early in March.
