

# THE DAILY NEBRASKAN

VOL. XX. NO. 98.

LINCOLN, NEBRASKA, WEDNESDAY, FEBRUARY 23, 1921

PRICE FIVE CENTS.

## AMIL DOBESH DIES TUESDAY MORNING

Varsity Basketball Player Succumbs to Attack of Appendicitis Following Operation.

### WAS STAR TRACK MAN

Was Thought to Be on Road to Recovery But Complications Set In, Resulting in Death.

Amil Dobesh, '23, of Ansley, Neb., a member of Nebraska basketball squad, died at the Lincoln Sanitarium 11:30 Tuesday morning as the result of complications following an operation for appendicitis.

Dobesh accompanied the Nebraska team to Iowa two weeks ago and played in all four games there. On his return Sunday, he was taken ill. He was operated on last Tuesday and was apparently progressing rapidly until he took a turn for the worse Saturday.

Complicated necessitated a second operation Monday afternoon. Dobesh never fully revived following this operation.

Amil Dobesh entered the University in September, 1919. He had taken part in high school athletics and was a star on the Ansley High School basketball team which took the title in one of the lower classes in the state high school tournament here in the spring of 1919.

Last year, Dobesh was a member of the freshman basketball, baseball and track squads. Although a new man on this year's basketball team, he showed considerable promise and was exceptionally valuable because he was a hard and consistent worker. Last year was the first season that he had done any track work and he made an excellent showing in the pole vault. He would probably have made a strong man on the Nebraska track team.

### Parents in City.

Grace Dobesh, ex-'21, was a sister of Amil Dobesh. A brother, Arthur Dobesh, has been in Lincoln for the past week. The parents, Mr. and Mrs. Frank Dobesh, arrived in Lincoln Tuesday noon.

### Hooper.

Dobesh was a sophomore in the arts and science college. He was a member of Sigma Nu fraternity. He will receive an honorary N, which he had already won, in the shape of a large floral wreath.

## ANNOUNCES SCHEDULE FOR AG TRACK TEAM

Chas. Bachkora, manager of the "Aggie" track team, announces the following schedule for Agricultural College men, at the University Farm athletic field: From 4 to 6, Tuesday, Wednesday, Thursday and Friday, and the same hours on the city campus, on Monday and Saturday.

### INTERCLASS BASKETBALL

Our inter-class basketball tournament will be played Thursday and Friday afternoon March 4 and 5, at the University Armory. The Freshmen will play the Juniors at 4 p. m., Friday, and the Sophomores the Seniors at 4:15 p. m. Finals will be played Saturday afternoon the winners of Friday games playing 2:30 p. m., and the losers of Friday games at 2:45 p. m. Leaders of class organizations should meet Coach Schissler as soon as possible to arrange for practice periods.

## SECOND VOCATIONAL TALK FOR UNIVERSITY WOMEN

Miss Marie Wiesner to Speak at Meeting Today in Ellen Smith Hall.

The second of a series of vocational talks for University girls under the auspices of the W. S. G. A. will be given today at 5:00 o'clock at Ellen Smith Hall. A double program in the interests of advertising and commercial art has been arranged.

Miss Marie Wiesner, head of the advertising department of Miller & Paine, has consented to give a discussion of the work in her department. Her discussion will be practical and useful for all girls whether they intend to enter this line of work or not, say members of the committee in charge of the programs.

Paul Laune, one of Lincoln's commercial artists will also be present at the discussions this afternoon and will tell of the various phases of the commercial art work. Mr. Laune has introduced several new lines of commercial work in Lincoln during the last few months. He comes highly recommended by those of his profession.

The vocational programs given by the W. S. G. A. are annual. Each year they are conducted, sometimes along with the "After College What" week. This year more lectures are being given and the committee is working to make the talks more practical and to make them appeal to a large number of girls.

## NEBRASKA WRESTLERS TO CLASH WITH IOWA

Huskers and Hawkeyes Will Grapple Either Friday or Saturday of This Week.

The Nebraska wrestling team will meet the University of Iowa grapplers in a dual meet at Iowa City either Friday or Saturday night of this week.

Dr. Clapp has been putting the team through some stiff workouts the past week and reports that the team will be in first class condition to take on the Iowa grapplers.

The wrestling team has been inside of a new ring that has been built in the chapel of the Armory. The rules call for a roped ring now and Nebraska will inaugurate the use of it in the match with the Indiana wrestling team here next month.

Practically the same team that represented the Huskers in the match against the Oklahoma A. & M. college will make the trip to Iowa City. Iowa has one of the greatest wrestling teams in the Big ten this season. Dr. Clapp acted in the capacity of referee at the dual between Iowa and Illinois last week. The Iowans defeated Illinois team by the count of 30 to 12. Last year the Illinois team captured the Western Inter-collegiate Tournament at Chicago.

### Huskers Have Improved.

That the Husker wrestling team has improved is shown by the fact that the Oklahoma team journeyed to Ames after the meet with Nebraska and the Iowans were only able to beat the Oklahomans by the same count that the Huskers did. Ames defeated Nebraska by a fairly good score previous to that time.

Tomorrow Dr. Clapp will start an elimination contest between the different divisions of the class. The contests will be conducted similar to the Varsity meets. The matches will be held at the regular class hours on Monday, Wednesday, and Friday between the hours of four and five.

## FIRST MONTE CARLO GAMES PLAYED TODAY

Opening Round of W. A. A. Tourney Is At One O'clock This Afternoon in Armory.

W. A. A. will begin on the first rounds of their big preliminary or Monte Carlo Basketball Tournament, today at one o'clock in the big gymnasium. Since the teams have been drawn by the captains the hoops have been kept hot with intensive practice. Before yesterday no girl knew whose team she would play on, but on account of the required practices every one is in prime condition for the fight tomorrow.

Margaret Henderson, '22, sport leader has announced the following officials for the games: Referee, Miss Byran from the city Y. W. C. A. Scorekeepers, Miss Donati and Miss Mann of the physical education department. (Continued on page four.)

## FIRST INTER-FRATERNITY GAMES THIS AFTERNOON

Kappa Sigs and Pi Kaps to Meet in Initial Contest of Tourney at Five O'clock.

Greek will meet Greek today at five o'clock when the Kappa Sigs and the Pi Kaps will meet in the first game of the inter-fraternity tournament. Four games will be played today and the remainder of the first round will be run off on Thursday and Saturday.

A great deal of enthusiasm is being displayed on the campus just at present over the outcome of the inter-frat contests. Every frat entered in the tournament has been practicing regularly the past week or two and the majority of the teams are in good shape to put up a real battle.

The largest amount of interest in the first round games centers in the Delta-Sig Ep contest. Both of these teams are evenly matched and should put on a battle that will equal any that will be played in the entire tournament.

The frats are requested to choose their own referees for the contests in order that there will be no protesting of decisions.

## When Spring Comes, Think You're In Love

Spring fever once again takes possession of our very souls and life. We simply can't get away from it; like the hook-worm it eats into our innermost beings and we cannot escape it. It is predestined that we poor crawling mortals shall at the first hint of the arrival of glorious spring succumb to the influence of the inspiring air and weather in general.

It makes you want to get out your marbles and tops and go out and play with the "fellers." Don't you remember those good old days? You didn't have to study or worry about anything of any importance then. You would go with your pockets full of migs and roll them on the school-room floor to teacher's desk and then—oh, boy! But you were used to standing with your face in the corner; so you just waited until the bell rang, and out you ran to play another game, shouting at the top of your lungs.

Sometimes you would sneak out with your big brother's baseball. (Continued on page four.)

## ELEVEN ACTS SCHEDULED FOR UNIVERSITY NIGHT

Shun Will Appear a Annual Entertainment Saturday Evening in High School Auditorium.

The University Night committee announces a program of eleven acts for the annual entertainment in the Lincoln High School auditorium next Saturday evening. The University Orchestra will play, and at the close of the program the Shun, the University scandal sheet published annually by Sigma Delta Chi, will be distributed.

Raymond Doyle will be announcer of the skits. The Green Goblins will be ushers and the Silver Serpents will sell candied apples and other refreshments.

The skits will be shorter than usual and a larger number will be given. Curtain skits will prevent long waits while the scenes are being shifted.

Members of the committee say that every student's hobby will be represented in the program. For the student of history there will be skits ranging from the session of the legislature in 1869 when the bill founding the University was passed to a scene in the office of the Shun fifteen minutes before going to press. For the fine arts students dances have been provided varying from early Egyptian to strictly modern. The scientists will be entertained and deceived by the magician and electrical wizard. In regard to gossip the committee is silent.

## SONG BOOK SALES START WITH BANG

Sororities Racing For Prizes—Book To Be Handsome Affair.

Nebraska co-eds started sale of the Cornhusker song-books with a bang, yesterday morning. About half of the subscription books have been given out and sororities are vying with each other to see which three will be the lucky winners of the chair, and the two lamps.

The book is a handsome one prepared after months of effort. In it are printed all the old songs of Nebraska, new ones by students and alumni, and the best college songs from such universities as Cornell, Wisconsin, Yale, and many other big schools. The book will also have harmony and numerous songs.

The book will be cloth bound with a cover design of gold upon a crimson background.

Among the songs are "The Nebraska Girl" by Fred Richards and Allan Wilson, "Nebraska" by Dr. Alexander, and the "Chant" by Professor R. D. Scott.

Nebraska needs a songbook to preserve and increase the spirit of the university. You, students of Nebraska, who are a part of this institution, should make this book possible by subscribing.

## PRESIDENT APPOINTS AG CLUB COMMITTEES

Mary Herzog, '21, president of the United Ag Club announces the following standing committees for the second semester:

Membership—Martin Kreuger, chairman; Jay Hepperly, Alberta Shires, Hilda Grunwald, Elvin White.

Program—Kathrin Hechart, chairman; Roscoe Perrin, Elery Frost, Mildred Crouse.

Mixer—Robert Holland, chairman; F. K. Warren, Lois Haas, Helen Hunt, W. Shane.

## SCHISSLER GIVES STIFF SCRIMMAGE

Squad Will Be in Excellent Shape for Colgate Games Friday and Saturday.

### EASTERNERS ARE STRONG

Nebraska Lineup Likely to Be The Same That Faced Notre Dame Quintet.

Coach Schissler put the Husker Varsity squad through a stiff signal practice yesterday and will scrimmage tonight and tomorrow. The squad is rapidly improving in form and should be in first class condition by Friday night, when the Huskers mix with the fast Colgate quintet.

Colgate recently defeated Syracuse and have a long string of victories for this season. The easterners will mix with the Creighton basketball team in Omaha on Thursday evening and will be in Lincoln on the two following nights. Coach Schissler will scout the Colgate-Creighton contest so that the Huskers may have some idea as to what style of play the easterners use.

Nebraska fans will be able to gather some idea from the results of the Creighton-Colgate as to just how strong the eastern team is. The Huskers displayed their best playing of the season against the Notre Dame aggregation last week and Coach Schissler reports that the team is improving all the time.

### Will Use Same Lineup.

The Husker line-up that will face the Colgate team will be practically the same as started against Notre Dame. Captain Bailey and Newman will be at the guard positions and Bekins will fill his regular place at center. Smith will work at one forward and Coach Schissler will probably alternate Carman and Warren at the other forward. Both of these men showed up well in last weeks games. Coach Schissler feels that with this combination the Huskers should carve two notches in the defeat column of the Colgate crew.

Negotiations are under way for a preliminary contest for Friday night's battle. On account of the expense that is put upon the University in bringing a team of this calibre here Director Luehring and Coach Schissler are making every effort to have one of the largest crowds of the season on hand. The usual dance will be held after the Saturday night's contest. University Night comes this Saturday night and will probably affect the attendance at the game somewhat. Director Luehring wants every Nebraskan at the Coliseum Saturday who do not attend the entertainment at the Lincoln High School.

## LENHER ADDRESSES CHEMISTRY STUDENTS

Dr. Victor Lenher, Tuesday afternoon in the Chemistry Hall, gave a lecture on the "Comparison of Selenium and Tellurium with Sulphur." He discussed in a general way the chemistry of the sixth group of the periodic system and developed the relationship existing between selenium and tellurium with sulphur. The lecture was very interesting and well attended.

On Wednesday at 5 p. m., Dr. Lenher will speak on "The Chemistry of Selenium and Tellurium."

### SENIOR GIRLS.

All senior girls vote Tuesday and Wednesday 9 to 5 at the Library for New Motarboard members.

Every Cornhusker Should Have a Song Book  
A Collection of Real Nebraska Songs  
With Greater Nebraska Spirit, and the Best Songs of Other Colleges
